Dear All

Greetings from T&P

A Motivational session by Ms. Ritu Singal conducted on February 20, 2010 for B.Tech 2015, 2016 & 2017 batch students along with all the MBA students. Ms. Ritu Singal is an entrepreneur, runs Real Estate and manufacturing companies. In 2011, Ms. Singal was bestowed the honour of being the women entrepreneur of the country and was awarded a special prize for the same by none other than Mr. Narayan Murthy of Infosys, also nominated 'Woman of the Year Award 2010' by Daxx Group.

Ms. Ritu Singal has an interactive session with students and emphasized upon "Meet Your Ayes" through her remarkable combination of her personal style, her extraordinary skill which affects the students and motivates them to expand their self confidence and enrich their attitude. The students must understand their interest and skills and choose their career intelligently. Ms. Singal stressed upon the importance of persistence, practice and exercising the excellence for achieving success in life. Every student is an important asset to the country and if trained professionally to their capability and competence can take the country to newer heights. All the students took active participation in the session and made it more interactive. Please find below glimpses of the session.

SKILL DEVELOPMENT AND INTUITIVE LEARNING MUST FOR COUNTRY GROWTH

Mr Sandeep Wadhwa, a national repute motivational speaker, Human Trainer and Life Transformation Coach held an interactive session at Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib for engineering graduates and post graduate management students. Mr Sandeep Wadhwa emphasized upon "How to Achieve Success in Life" through his remarkable combination of his personal style, his extra ordinary skill which affects the students and motivates them to expand their self confidence and enrich their attitude. He generated an appetite in minds of students and induced them to break the typical barrier "What will People Say" which is normally a main hurdle in the path of success.

Mr Wadhwa stressed upon the importance of persistence, practice and exercising the excellence for achieving success in life. Every student is an important asset to the country and if trained professionally to their capability and competence can take the country to newer heights. The laziness approach in the education sector amongst all its stakeholders must be shunned immediately to sustain country development. The students must understand their interest and skills and choose their career intelligently. He stressed for taking reforms in education sector so as to handle the issues related to suicides by students in recent times. The session was attended by more than 2000 students including Baba Banda Singh Bahadur Engineering & Polytechnic Colleges. Students of MBA & MCA were also invited from Mala Gujri College Fatehgarh Sahib. With an aim to aware and groom the rural area students of Government schools, the students of Govt Girls Senior Secondary School Goslari were invited exclusively for this motivational session.

Dr G S Lamba, Principal reaffirms that it is the positive attitude which is a mantra for success in any individual's professional as well as personal life. Dr Lamba thanked Mr Sandeep Wadhwa for motivating and reigniting the students' determination to succeed in their life. Dr J S Oberoi, Head T&P presented a vote of thanks and emphasized the need of such focused interactions for motivating, better attitude.

Dear Sir

Thank you very much for making room for today's event. Our team was very happy to host your team and offer rappelling session by Ajay Dhiman (Himalayanone Expeditions). Ramandeep and Baljeet were happy to meet everyone as well.

I believe that today's experience was very good and motivating. We would like to increase our engagement with the HoDs and coordinators to ensure maximum benefit to all the stakeholders.

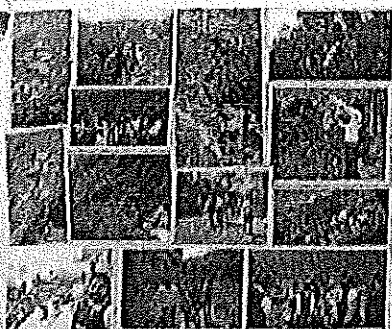

As suggested by Principal sir we would make ourselves available for a meeting with the heads and coordinators on Friday at your convenience.

I have prepared a collage of few pictures.

Hope things were well.

Sincerely
Ankur

Greetings Sir,

Sorry for a late reply please let me know when can we keep this small workshop can talk with students. As this would be really help full for students as it would help them to know industry in more better ways what are the upcoming trends, we all know about AI but it would also let them other domains mainly: Healthcare, Business, Insurance and retail. These are main domains currently being used in US. This would let them know how international market like US works as me and my team works with companies in US.

Please let me know what would be the right day for conducting workshop, and my preference would be if we could conduct this workshop for all the students but my major focus would be on first and second year student as they are the one's who have time to work on the things we would talk in workshop.

Dear Sir

It was very nice to meet the students. Many of them are focused and aspire for further studies and many have shown interest in R & D activities. Students from 6th and 4th semester have requested for further knowledge sharing.

We would like to meet them again and share more technical know how thru a Workshop on Composite materials and its application. This can be done in the 1st half on Thursday from 09:30 am to 11:30 am.

Please be kind enough to allocate the class used for seminar last time. We will inform all the students about the time and venue.

BOSCH

Subject: EMS workshop by BOSCH officials on 17th August, 2015

The Engine Management system (EMS) is accountable for controlling the amount of fuel being injected and for adjusting the ignition timing. Optimum functioning of the EMS assures maximum engine power, with lowest amount of exhaust emissions and the lowest fuel consumption.

Mr Parag Kavthekar, Regional Trainer (North) BOSCH is going to deliver a technical talk on 'Engine Management Systems'. The program is scheduled from 1100 hrs to 1600 hrs on 17th August 2015 in the Auditorium. The target audience is Mechanical Engineering students of all semesters. The students from other branches can register for the same with the undersigned.

The faculty members are invited to attend this seminar.

Dear Sir

Greetings from T&P Cell

We are in the process of calling one of the leading company in Merchant Navy in the second week of August 2015 for our 7th Semester Mechanical Engg students. The strategy is to aware our students through interaction with our alumni students already serving in merchant navy.

The Merchant Navy as a career is a non-combatant commercial fleet, which deals with transporting cargo and passengers by sea. Its fleet is therefore composed of passenger vessels, cargo, liner tankers, carriers, as well as other special types of vehicles. Merchant navy is a career full of adventure and long voyages to different beautiful places. In spite of a lot of hard work and long absence from home, the Merchant navy professionals earn a high tax free salary, with other numerous benefits and promising promotional opportunities. This makes merchant navy a lucrative and exciting career.

You are requested to give us two dates probably in second week of August 2015 for the seminar followed by registration process.

Dear All

Greetings from T&P

With an aim to apprise the students regarding the opportunities available through clearing the GATE examination as well as the importance of Engineering Service Examination (ESE), the Training & Placement department organised an interactive session today i.e. on 13/09/18 at seminar hall of Electrical Engineering department. The Electrical Engineering students of 5th & 7th semester actively participated in this session. Mr Gulshan along with his technical team interacted with the students and explained them the several opportunities in Public Sector Enterprises, research organisations and admissions in various IITs, IISc and IITs with a valid GATE scorecard. Students were also educated about the Engineering Services Examination (ESE) conducted every year by UPSC for staffing to the various Central Government departments.

Regards,

Dear All,

Greetings for the day !!

A seminar on GATE for Civil Engineering final year and pre-final year students has been conducted today i.e. September 13, 2018 in R9. The session was delivered by Dr. Vikas Kataria, M/Tech IIT Delhi, he addressed the students on Basic Mechanics & some numerical problems on truss, method of section B to solve truss problems, moreover enlighten the students about jobs in various PSUs, Centre & State Government departments and about Engineering Services Examination. Students took active participation in the session and made it more interactive session. We would also like to appreciate the civil engineering department for their support and coordination, which left us motivated to take further initiatives.

Respected sir,
Greetings of the day!

As per conversation with Mr. Inderjeet Grewal (The Gate Coach head of Ludhiana Centre), I am forwarding a proposal for free Demo class for third year and final year students of Engineering on 1st November 2019.

We would like to add that we are already providing training for Gate 2020 under TEQIP in Gurumanak Dev Engineering College.

Let me first introduce our Organisation.

THE GATE COACH is the best coaching institute in India for GATE, IES & PSUs since 1997. We are the pioneer institute in coaching for Chemical, Electrical, Electronics and communication, Civil, Mechanical, Instrumentation streams. Our packages include-

1. Classroom coaching (Regular & Weekend mode)
2. Online live classes
3. Classroom recorded lectures
4. Printed study material
5. Online & Offline Test series

Further THE GATE COACH got First Rank among all gate coaching institutes under MHRD initiative of providing gate coaching to the students of over 180 Govt Engineering colleges all over India. Government is providing fund for this program through World Bank under TEQIP III (Technical Education Quality Improvement Program). THE GATE COACH faculty is now teaching at various NITs and Govt. Engg Colleges.

We are providing coaching in Mechanical, Electrical, Electronics, Computer Sc, Civil, Instrumentation, Mining, Biotechnology, Production Engineering & Chemical Engineering. We are having faculty association with Faculty from IIT, IISc, IES qualified background. Our packages include Gate, PSU & IES coaching in regular, weekend & postal mode. We also provide online tutorials, online test series & printed study materials for Gate, PSU & IES.

We are proud to announce that,

1. We have 88% selection ratio in last year, which is best in the industry.
2. We follow a unique method of teaching, with personal attention and threadbare analysis, which is supported by our study material and test series (offline as well as online).
3. The gate coach has association with best faculty (from institute's like IIT, DCE & IISc Bangalore), those are having vast experience in field of competitive exams. They provide clear insight of the exam.
4. We start teaching every class with fundamental level, which gives good idea about basic concepts. Then on we start building a firm structure of the whole syllabus.
5. We deliver short cut technique and tips in the class to improve time management in objective type of exam. This method provides confidence among the student to score high in the exam as well as they also perform very well in the interviews.
6. Our faculty themselves appear in the exam every year to understand changing nature of the exam and because of this they are able to analysis and guide the aspirants in best way.
7. Our study material is designed to provide student not only concepts but previous year question paper, their solutions, it also includes practice paper of Three level which gives the students Gradual up gradation.
8. We also cover the whole syllabus within the stipulated time, so that students will get sufficient time to revise the syllabus. These timely coverage of syllabus also followed by doubt clearing session and test series.
9. Test series is designed to provide real time experience of the exam, it is simulated in such a manner that real exam looks very easy to the student.
10. Test series is followed by their solution and analysis, so that students will come to know the area of improvement and they can come out with flying colours.

Our Features-

- 20 years' experience and expertise
- Team of professionals and counselors

- * Agreement with Faculty from III and IV
- * Full green support of management, which include-

- * Sr. H. S. Arora
- * Dr. Ramesh Singh
- * Dr. Parolia
- * Mr. Ramesh
- * Mr. Deepak Pandey

We have our Certificate of Appreciation also. You may contact.

URGENT Mail - Presentation on Merchant Navy as a Career Option

Presentation on Merchant Navy as a Career Option

Dear Sir,
HBSU - HBSU is a leading institution in the field of Higher Education. We are proud to have been ranked as one of the best institutions in the world. We are now offering a new career option for our students.

Wed Oct 20, 2010 at 10:00 AM

The Director,
BABA Bawa Singh Bahadur Preparatory Academy,
BAGBERA,
Fatehgarh Sahib,
Punjab.

Dear Sir,

Dear Sir, I am writing to you regarding...

Anglo Eastern Ship Management is a part of the globally established Anglo-Eastern Ocean Group with its head office in Hong Kong. We take pride in maintaining one of the largest fleets of vessels in the world. Previously, there was only ship under our full management.

The reason for writing this to you is to inform about the opportunity available for you as a young man (boys & girls) wanting to make a responsible, rewarding and fulfilling career choice in the Merchant Navy. We have been awarded the "Best Foreign Employer of Indian Seafarers" by the Times India Journal of Shipping, Fleet of India for the past 11 years.

For more details, please visit www.angloeasterngroup.com

To help you understand career opportunities in the Merchant Navy in related fields such as (a) Maritime Class 20 (boys & girls) with various (P&M) facilities, being a part of the industry for more than four decades, I can assure you that the responsibility for a career of adventure in a well-organized professional environment of a global leader in support services/terminal services, may be a perfect opportunity for you.

Dear All

Greetings from BBSBEC- ISHRAE Student Chapter

The BBSBEC- ISHRAE- Student Chapter is organizing an expert Talk on "Basics of Air Conditioning and Refrigeration" today in R9 from 0900 to 1600 hrs.

All my faculty members must take an advantage of this landed knowledge from an expert. His deliverance of the concepts on the basics of "Refrigeration and Air conditioning" is worth mentioning. Such talks are primarily to enlighten ourselves and further facilitating new ideas and concepts in our deliverance tools..

Please take advantage of the opportunity.

Best Wishes

Prof. B S Bhullar
