Subject: Request for Six Months Industrial Training for B.Tech (Mechanical Engg) student of 7<sup>th</sup> or 8<sup>th</sup> Semester from dd/mm/yy to dd/mm/yy.

Dear Sir/Madam,

**B**aba Banda Singh Bahadur Engineering College is one of the premier educational institutions of northern India. Established in the year 1993 under the patronage of SGPC, the college is approved by AICTE and affiliated to PTU Jalandhar.

The institution, known for its excellent infrastructure and state of art technology labs, is equipped with sophisticated equipment like ABB industrial robot, MTab FMS, Boxford CNC duet, FESTO DIDACTIC kits for pneumatics and hydraulics, Pruftechnik vibration simulator and scanner. The CAD mechanical lab of department includes HPZ400 workstations, loaded with advanced software's like SOLIDWORKS, INVENTOR, PRO-E, MATLAB etc. The diverse research activities in Mechatronics, Automation, Robotics, Advance Materials and Vibrational analyses have made one of the most sought after branch of Northern India. The Departmental detailed information can be viewed on www.me.bbsbec.edu.in.

In an endeavor to impart Industrial exposure to our students, the university has introduced a six months (One complete Semester) "Industrial Training" as part of engineering curriculum in four years B.Tech program. This initiative will not only enhance technical knowledge of the students but also helps them in serving the industry more efficiently and effectively.

We shall feel grateful if your esteemed organization kindly accords sanction to undergo Practical Training for Six months and do PROJECT WORK as assigned by the organization to the following student

Name of the Student	E-mail	Mobile

We expect the company initiative in periodically checking the Training Manual provided. The project must be innovative and fully justify the candidate technical competency and its application

We look forward to your early & favorable reply.

Thanking you,

**Prof J S Oberoi** 

**Head - Training & Placement** 

Head - Mechanical Engg
