Subject: Request for Six Weeks Industrial Training for B.Tech (Civil Engg) student after 4th Semester from dd/mm/yy to dd/mm/yy.

Dear Sir/Madam,

Baba Banda Singh Bahadur Engineering College is one of the premier educational institutions of northern India. Established in the year 1993 under the patronage of SGPC, the college is approved by AICTE and affiliated to PTU Jalandhar. The institution is well known for its excellent infrastructure and state of art laboratories.

Department Labs of Civil Engineering are equipped with state of the art equipment like sub sonic wind tunnel, auto levels, Electronic transit theodolites, Digital compression testing machine (2000Ton) with flexural strength calculation attachment, Vee-Bee time apparatus, direct shear apparatus, triaxial test apparatus, structural analysis models to measure deflections at various locations, digital dissolved oxygen meter, Digital Multi parameter, BOD incubator etc. The CAD lab of department includes 24 high end terminals supported by latest hardware and software, visual aids, plotting devices, etc. The Departmental detailed information can be viewed on www.ce.bbsbec.edu.in.

In an endeavor to impart Industrial exposure to our students, the university has introduced a six weeks "Industrial Training" as part of engineering curriculum in four years B. Tech. program. This initiative will not only enhance technical knowledge of the students but also helps them in serving the industry more efficiently and effectively.

We shall feel grateful if your esteemed organization kindly accords sanction to undergo Practical Training for Six weeks and do PROJECT WORK as assigned by the organization to the following student

| Name of the Student | E-mail | Mobile |
|---------------------|--------|--------|
| | | |

The project must be innovative and fully justify the candidate's technical competency and its application

We look forward to your early & favorable reply.

Thanking you,

Prof J S Oberoi
Head - Training & Placement
