FEEDBACK PROCESS OF THE INSTITUTE FOR CURRICULUM ASPECT

Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib

Summary of the curriculum related feedback received from various stakeholders and recommendations/suggestions in light of the feedback

Academic Year: 2018-2019

Dated: 12th August 2019

Based on the curriculum related feedback received from various stake holders, some departments have identified the need to organize special courses/workshops to supplement the curriculum and have made some recommendations in this regard which are listed below:

- a. The department of Electrical Engineering has proposed to arrange industrial visits for the students. The department also plans to organize a seminar on PLC and SCADA.
- b. The MBA department has proposed to arrange Industrial visits for the students. The department also plans to organize a state level competition for enhancing the communication and management skills of the students.
- c. Alumni's feedback suggests that the employability of the students can be increased by training them in various programming languages. So it is proposed to continue the add-on courses on programming languages.

The suggestions have been found to be suitable and recommended for deliberations in the next higher forum meeting and approval from BOG .
