FEEDBACK PROCESS OF THE INSTITUTE FOR CURRICULUM ASPECT

Baba Banda Singh Bahadur Engg. College, Fatehgarh Sahib

Summary of the curriculum related feedback received from various stakeholders and recommendations/suggestions in light of the feedback

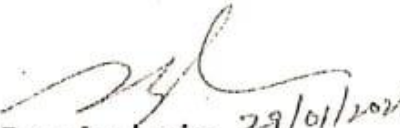

Academic year: 2019-2020

Date: 29/01/2021

Based on the curriculum related feedback received from various stake holders, some departments have identified the need to organize special courses/workshops to supplement the curriculum and have made some recommendations in this regard which are listed below:

- a. The department of Electrical Engineering has proposed to arrange expert talk on Hydel Power Generation.
- b. The MBA department has suggested that to enhance the communication and management skills of the students, some webinars may be arranged which would be managed by the students.
- c. The department of ECE intends to organize webinars on latest technologies like: IOT and 5G/6G technologies to fulfill the student's requirement to gain knowledge for advance technologies.
- d. Civil Engineering department has suggested to arrange webinar on STAAD to enhance the software skills of the students.
- e. The department of CSE has proposed to organize webinars on latest technologies like Use of web of Science in Research, Blockchain Technology. To motivate the students towards entrepreneurship, webinars on developing start-ups can also be arranged.
- f. Mechanical Engineering department suggested that to enhance the knowledge of students of their core branch, webinars on Recent Advances in Mechanical Engineering and Mechanical Engineers in Aerospace Sector may be arranged.

The suggestions have been found to be suitable and recommended for approval.

EE Department Activities

Alumni Interaction cum webinar Er. Harman Malhi, General Manager, Arnprior Aerospace Inc. Ontario, Canada

Fatehgarh Sahib: Electrical Engineering Department of Baba Banda Singh Bahadur Engineering College had organized an Alumni Interaction cum webinar. The spokesperson of the webinar was Er. Harman Malhi, General Manager, Arnprior Aerospace Inc. Ontario, Canada. He is an alumnus of 2002 batch of Electrical Engineering. Er. Harman Malhi discussed his life journey with the students and shared some memorable and learning moments during college time. He also motivated students to reach their aim of life with positivity. The co-ordinator of webinar was Dr. Rajni Bala. Webinar was organized on a digital platform Google Meet and around 100 participants had attended the same. All the participants were given E-certificates. In the end, Dr. Gursewak Singh Brar, Head of Electrical Engineering Department shared vote of thanks to the speaker and highlighted the importance of interaction of alumni with college students. Principal Major General (Dr.) G.S. Lamba congratulated the team for coordinating the webinar.

The poster is for a webinar organized by the Department of Electrical Engineering at Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib, Punjab (India). It features a central photo of Er. Harman Malhi, Vice-President & General Manager of Arnprior Aerospace Inc. in Ontario, Canada, and an alumnus of the 2002 batch. The event is scheduled for 13th October, 2020, at 9:00 am IST onwards. A registration link is provided: <https://forms.gle/2Z6ejtqUMaSzAcw7>. The Google Meet link is <https://meet.google.com/cks-oooi-ayz>. The poster also lists the coordinators: Dr. Gursewak Singh Brar (Head of Department), Dr. Rajni Bala (Assistant Professor), Prof. Amarjeet Kaur (Assistant Professor), and Maj. General (Dr.) GS Lamba (Principal). The BBSBEC logo is in the bottom right corner.

Date: Tue, Jun 2, 2020 at 8:26 AM

Subject: Exclusive Webinar on "Power of STAAD" on any day between 3rd to 5th June'2020 from 11:30 am for students of BBSBEC

To: HOD Civil Engineering

<hod_civil@bbsbec.ac.in>

Cc: <guljit.singh@bbsbec.ac.in>

Dear Sir,

Greetings of the Day!

This has reference to our ongoing discussions regarding the presentation on Civil Engineering software from Bentley Systems with special emphasis on STAAD. We would like to thank you for your continuous faith in the software from Bentley Systems.

As we have entered into the fifth phase of the national lockdown from 1st June'2020, we are trying to get the technology in-built in our training programs. Our team has developed a virtual training package for your students where the students can attend live training on software like STAAD and Open Roads from our instructor(s) and can learn the software at their own place during lockdown.

Following are the features of our virtual training classroom:

1. In this virtual training(Online) scenario, our instructor will be taking live session

We would request you to give us an opportunity to conduct Webinar on "Power of STAAD" on any day between 3rd to 5th June'2020 from 11:30 am and this webinar will be of 60-90 minutes and will be exclusive and complimentary for the Civil students of BBSBEC during these difficult times.

You are requested to give your preferred date, at the earliest.

Regards,

Rominder Singh Bedi
