JSR Technologies is a well known name in India, as a premier software development company. We have been running this company successfully since last many years. We are dealing with local as well as with international clients. We have some very good names as our clients for example BSNL, Mody group of companies, grand group of companies, Indian Army, ATI, ITI, GCG, BBSPEC, etc. From last many years we are continuously engaging students from various universities, Panjab University, Punjabi University, Mody University are to be named few. Along with training we had provided jobs to students also in our company as well as help them to get jobs in other IT companies also. Our training method was highly appreciated by students and the projects scored good position in the respective universities.

In JSR Technologies we are trying to provide high quality human Capital practicing ethical business standards to our clients. While providing training on Software & web sites, we focus on aspects of International website design, honing in on multiple objectives. JSR Technologies, a Software development company, is a pioneer in Workflow & ERP Solutions, Custom Software Application Development, Project Management, Software Testing and Quality Assurance. We provide Offshore Software Development services & solutions.

Why specialized training?

As there are lots of Engineering and Technology colleges in India and millions of Graduates/Post Graduates every year, the world of jobs has become competitive. Most Companies are now days demanding Practical exposure rather than some international Certification before they will hire. In order to better equip engineering students of our country with practical experience, we are conducting this training.

At JSR Technologies, we not only provide quality training but also help students in strengthening their skills and interview skills. We offer 4-5 months training with practical work experience on exciting live projects Where we provide two months in house training on technical domains like .NET, PHP, Android and SEO etc. and four months on live project with the client (onsite/offsite) in functional domains like education, sales, purchase, inventory, production planning, finance etc.

Subject: Request for Six Months Industrial Training for B.Tech (Computer Science Engg) student of 7th Semester, from 15/07/2017 to 15/12/2017.

Dear Sir/Madam,

Baba Banda Singh Bahadur Engineering College is one of the premier educational institutions of northern India. Established in the year 1993 under the patronage of SGPC, the college is approved by AICTE and affiliated to PTU Jalandhar.

The institution known for its excellent infrastructure including Servers ranges from HP, Dell, SDFI and SAN server (25TB) along with 100 Mbps Internet leased line and state of art technology labs is equipped with Apple iMac and Sun Solaris systems. The Departmental detailed information can be viewed on www.cs.bbsbec.edu.in.

In an endeavor to impart industrial exposure to our students, the university has introduced a six months (One complete Semester) "Industrial Training" as part of engineering curriculum in four years B.Tech program. This Initiative will not only enhance technical knowledge of the students but also helps them in serving the industry more efficiently and effectively.

We shall feel grateful if your esteemed organization kindly accords sanction to undergo Practical Training for Six months and undertake PROJECT WORK as assigned by the organization to the following student (s)

Regarding in-house training (Software Training).

Respected Sir,

In-house training was conducted by Mechanical Engineering Department and it was done by two training Institutes namely: **Shubham Technical Institute, Fortune Consultancy Services and Swipe Cubes Softs Pvt. Ltd.** Students were charged Rs.3000/- per head for this training. Further, Rs.2100/- (70%) per student is to be given to the training institutes as their share and Rs. 900/- (30%) per student is college share as per the MOU signed with them.

A total of 52 students have undergone training and the details of the college and training institute's share is as follows:

S.No	No of students	Total amount collected @Rs.3000/-	Share of training institute @Rs.2100/-	College share @Rs.900/-	Net share of Training Institute after deduction of Rs 100/- per head	Net amount is to be kept by College
Shubham Technical Institute	27	81,000/-	56,700/-	24,300/-	54,000/-	24,300+2,700 = 27,000/-
Fortune Consultancy Services	5	15,000/-	10,500/-	4,500/-	10,000/-	4,500+500 = 5,000/-
Swipe Cubes Softs Pvt. Ltd.	20	60,000/-	42,000/-	18,000/-	40,000/-	18,000+2,000 = 20,000
Total	52	1,56,000/-	1,09,200/-	46,800/-	1,04,000/-	52,000/-

Also as per recommended/decided by your good self Rs 100/- per student from training institute's share is to be kept by college as transport expenses for industrial visits and Rs. 21,000/- from college share is to be given to department for procurement of Special furniture for office.

Kindly approve the same.

Dear Sir/Madam,

Sub: Establishing NPTEL Local Chapter in your college

Greetings from the NPTEL office, IIT Madras.

This is to acknowledge the receipt of your letter accepting to host NPTEL Local Chapter in your institution.

The Single Point of Contact (SPOC) nominated from your college is

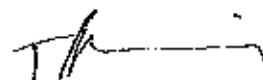

Name of SPOC: PROF. JATINDER SINGH SAINI
Designation: ASSISTANT PROFESSOR
Department: COMPUTER SCIENCE AND ENGINEERING
Contact No(s): 9814836404
E-mail Id: jatinder.saini@lubshec.ac.in

We wish to inform you that all future correspondence related to NPTEL contents and online courses will be made to the afore-mentioned SPOC. He/she will be routinely updated with all the latest NPTEL initiatives which then may be circulated among the students.

We are also happy to share that a dedicated NPTEL Local Chapter web page is being created and your institution will have a separate page on it (<http://nptel.ac.in/LocalChapter>).

Thanking you.

Sincerely

Andrew Thangaraj

Dear Prof. Singh

Greetings from IIT Ropar

Thanks for providing required data in response to our call for adoption of engineering colleges by our institute as per the MHRD instructions. Based upon our evaluation, I am pleased to inform that your college has been recommended for adoption by our institute for three years w.e.f August 10, 2016.

Dr. Sudarshan Iyengar will be the key contact to plan and carry further the activities for this scheme. He would inform you separately about the first meeting to discuss the plan of action.

I would request you to nominate a key person from your college to contact Dr. Iyengar for future actions.

I hope your college will show commitment to carry further the plans.

Looking forward for a sustainable association.

Dear All

Greetings

The students of ECE and Computer Science department who are undergoing six months internship at IT-Ropar are going to share their experiences on 22/2/2027 with the pre-final year presentation of their associated work under the IT-Ropar mentorship. This is an attempt to encourage the pre-final year students to occupy more such internships in the prestigious institution.

MEMORANDUM OF UNDERSTANDING Between

The Innovation Initiative

And

BBSBEC, Fatehgarh Sahib

THIS MEMORANDUM OF UNDERSTANDING (hereinafter referred to as MOU) is by and between The Innovation Initiative (hereinafter referred to as "Company") and Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib a public trust-assisted higher education institution of the State of Punjab (hereinafter referred to as "College"). This MOU is effective on the date of the last signature by the authorized officials of the two parties.

WITNESSETH:

NOW THEREFORE, for the purpose of promoting the increase of useful knowledge, and in consideration

of the mutual promises and covenants herein contained, the parties hereto agree as follows:

Article 1 - BASIC UNDERSTANDING AND OBJECTIVES:

1.1 Company and the College have a mutual desire to develop and execute education and research projects under this MOU.

1.2 Projects will be planned jointly by Company and the College. Both parties entering this MOU anticipate a continuing effort. Projects will be identified individually as Task Orders under this MOU, and all conditions established in the MOU shall apply to each Task Order. The Task Orders may contain additional terms as necessary and agreed upon by Company and the College and shall generally be in a format similar to Appendix A. 10.1 College agrees to maintain appropriate levels of liability and worker's compensation insurance covering its employees and agents, including any such persons present on College property as a result of this MOU, and to indemnify and hold Company harmless from any claim for injury or illness or property damage made by Company's agents or employees to the extent any insurance will not be voided or excepted.

10.2 Each party shall be responsible for its own acts and omissions and shall be liable for payment of that portion of any and all claims, liabilities, injuries, suits, and demands and expenses of all kinds that may result or arise out of any alleged malfeasance or neglect caused or alleged to have been caused by said party, its officers, employees or agents in the performance or omission of any act or responsibility of said party under this Agreement. In the event that a claim is made against both parties, it is the intent of both parties to cooperate in the defense of said claim and to cause their insurers to do likewise. Both parties shall, however, retain the right to take any and all actions they believe necessary to protect their own interests.

Article 11 – INDEPENDENT CONTRACTOR

11.1 Each party shall be deemed to be and shall be an independent contractor of the other and, as such, neither party shall be entitled to any benefits applicable to the employees of the other.

11.2 Neither party is authorized or empowered to act as agent for the other for any purpose and shall not on behalf of the other enter into any contract, warranty, or representation as to any matter. Neither shall be bound by the acts or conduct of the other.

Subject: Request for Six Months Industrial Training for B.Tech (Computer Science Engg)
student of 7th Semester from 15/07/2017 to 15/12/2017.

Dear Sir/Madam,

Baba Banda Singh Bahadur Engineering College is one of the premier educational institutions of northern India. Established in the year 1993 under the patronage of SGPC, the college is approved by AICTE and affiliated to PTU Jalandhar.

The institution known for its excellent infrastructure including Servers ranges from HP, Dell, SUN and SAN server (26TB) along with 100 MBps Internet leased line and state of art technology labs is equipped with Apple iMac and Sun Solaris systems. The Departmental detailed information can be viewed on www.cs.bbsbec.edu.in.

In an endeavor to impart Industrial exposure to our students, the university has introduced a six months (One complete Semester) "Industrial Training" as part of engineering curriculum in four years B.Tech program. This initiative will not only enhance technical knowledge of the students but also helps them in serving the Industry more efficiently and effectively.

We shall feel grateful if your esteemed organization kindly accords sanction to undergo Practical Training for Six months and undertake PROJECT WORK as assigned by the organization to the following student (s)

Name of the Student	E-mail	Mobile
Harneet Singh	harneetlata@gmail.com	9465770697

We request your initiative in periodically checking the Training Manual provided. The project must be innovative and fully justify the candidate technical competency and its application.

We look forward to your early & favorable reply.

Thanking you,

8. Confidentiality:

- 8.1 Each Party will maintain as confidential all information obtained under or in connection with this Agreement and will not divulge such information to any person (except to their own employees or consultants and then only to those employees or consultants who need to know same) without prior written consent of the other party.
- 8.2 This clause will not extend to information which was rightfully in the possession of the receiving party prior to the commencement of the negotiations that led to this Agreement, which was already in the public domain or becomes so at a future date (otherwise than as a result of a breach of this clause or any other confidentiality agreement signed by the receiving party).
- 8.3 The parties agree that terms of this Agreement are confidential in nature. Each Party will keep confidential terms of this agreement to any third party and will further ensure that its employees will also not disclose arrangement/relationship between the parties contemplated herein this agreement to any third party in any manner whatsoever.

9. Indemnity:

Each Party will indemnify other party against professional loss, damage, costs and expenses which other party may incur as a consequence of any act, omission, negligence or default of the defaulting party, its employees, consultants, or agents in connection with or in performance of this agreement.

10. Intellectual Property Rights & Ownership:

- 10.1 The SECOND PARTY, its employees or agents or consultants will not obtain either jointly or severally rights in any data, materials, or systems otherwise utilized or provided by FIRST PARTY in connection with this agreement. Likewise FIRST PARTY, its employees or agents or consultants will not obtain either jointly or severally rights in any data, materials, or systems otherwise utilized or provided by SECOND PARTY in connection with this agreement.
- 10.2 All Intellectual Property Rights in documentation, drawings, contents, data, information, database or product created or produced by the SECOND PARTY in performing its part of contract under this Agreement will be joint property of the parties.

11. Offers of Employment:

- 11.1 Each Party will not and will ensure that its employees or agents will not make any approach to any member of staff of other party. Further, each party shall not offer employment to any of other party's employees, contractors and trainees during the continuance of this Agreement and for a further period of one year from the termination or expiry of the Agreement.

12. Independence:

- 12.1 The SECOND PARTY and its employees and agents are independent contractors and nothing in this Agreement will render them an agent, franchisee or partner of FIRST PARTY and the SECOND PARTY will not and will ensure that its employees and agents will not hold themselves out as such. The SECOND PARTY and its employees, consultants and agents will not have any right or power to bind FIRST PARTY to any obligation, except what is stated in this Agreement.
- 12.2 The SECOND PARTY is retained or engaged by FIRST PARTY only for the purposes and to the extent set forth in this Agreement. The SECOND PARTY's relation to FIRST PARTY will, during the period or periods of this Agreement, be that of an independent contractor.
- 12.3 This Agreement will not establish a joint venture, agency, employer-employee relationship, franchisor-franchisee relationship or partnership between FIRST PARTY and the SECOND PARTY.

- 12.4 The SECOND PARTY's employees will not be considered under this Agreement or otherwise or in any way as having the status of employee or being entitled to participate in any plans, schemes, arrangements or distributions by FIRST PARTY pertaining to or in connection with any person, stock, bonus, profit sharing or other benefits provided ordinarily by FIRST PARTY to its employees.

13. Termination & Consequences:

- 13.1 Each Party shall have right to terminate this agreement by giving 30 days notice in writing of its intention to terminate, if the other party commits breach of any terms of this Agreement. Parties will have no liability in respect of costs/obligations incurred following the expiration of such notice, except such obligations which are continuing in nature and hence survives termination.
- 13.2 This agreement may be terminated immediately by either party on giving notice in writing to the other, if the other party has a receiver or administrative receiver appointed or passes a resolution for winding up (otherwise than for a bona fide scheme of solvent amalgamation or reconstruction) or a court of competent jurisdiction makes an order to that effect or if the other party becomes subject to an administration order or enters into a voluntary arrangement with its creditors or ceases or threatens to cease to carry on business.
- 13.3 The termination of this agreement, however occasioned or expiry thereof will not affect any accrued rights or liabilities of the other party, nor will it affect the coming into force, or the continuance in force, of any provision hereof which is expressly or by implication intended to come into or continue in force on or after such termination. However, once fresh target is allocated to the training centre, the validity of the agreement will automatically get revived.
- 13.4 Each Party shall have right to terminate this agreement without assigning any reason upon giving 60 days written notice of termination to the other party.
- 13.5 Notwithstanding termination of this agreement for any reason whatsoever or expiry thereof, the parties shall continue to perform till completion of running batches in order to ensure that interest of students undergoing training is not hampered.
- 13.6 Upon termination of this agreement SECOND PARTY will return to FIRST PARTY all materials, data and other property of FIRST PARTY under their possession and control in connection with the training programs.

14. Force Majeure:

- 14.1 Notwithstanding anything else contained in this Agreement neither party will be liable for any delay in performing its obligations herein, if such delay is caused by circumstances beyond its reasonable control (including without limitation any delay caused by an act or omission of the other party and/or withdrawal of training scheme by the project owner). Subject to the party so delaying promptly notifying the other party in writing of the reason for the delay and the likely duration of the delay, the performance of such party's obligations will be suspended during the period that the said circumstances persist, and such party will be granted an extension of a time period for performance of duties and obligations under this agreement equal to the period of the delay.
- 14.2 This to be the case except where said delay is caused by the act or omission of the other party, in which event the rights, remedies and liabilities of the parties will be as conferred by the other clauses and terms of this Agreement and by law:
- (a) Any costs arising from such delay will be borne by the party incurring the same, and
- (b) Either party may, if such delay continues for more than 30 days terminate this Agreement on giving notice in writing to the other in which event neither party will be liable to the other by reason of such termination.

15. Waiver of Remedies:

- 15.1 No forbearance, indulgence or delay by either party in enforcing the provisions of this Agreement will prejudice or restrict the rights of that party, nor will any waiver of its rights operate as a waiver of any subsequent breach.
- 15.2 No right, power or remedy in the Agreement conferred upon or reserved for either party is exclusive of all other right, power or remedy available to that party and each such right, power or remedy will be cumulative.

16. Entire Agreement:

This Agreement together with all annexure/s constitutes entire agreement and supersedes all prior arrangements, agreements and understandings between the parties. No addition to or modification of any provision of this Agreement will be binding upon the parties unless made by written instrument and signed by an authorized representative of each of the parties.

17. Assignment & Subletting:

Neither party will assign or transfer this Agreement or any of its rights or obligations herein, whether in whole or in part to any third party. SECOND PARTY shall not outsource or sublet its part of the Contract to any third party under any circumstances whatsoever.

18. Notices:

All notices that are required to be given under this agreement will be in writing and will be sent to the address of the appropriate party as set out in this Agreement or such alternative address as the recipient may designate by notice given in accordance with the provisions of this clause. Subject: Request for Six Months Industrial Training for B.Tech (Computer Science Engg) student of 8th Semester from 08/01/2019 to 01/06/2019

Dear Sir/Madam,

Baba Banda Singh Bahadur Engineering College is one of the premier educational institutions of northern India. Established in the year 1993 under the patronage of SGPC, the college is approved by AICTE and affiliated to PTU Jalandhar.

The Institution known for its excellent infrastructure including Servers ranges from HP, Dell, SUN and SAN server (26TB) along with 100 MBps internet leased line and state of art technology labs is equipped with Apple iMac and Sun Solaris systems. The Departmental detailed information can be viewed on www.cs.bbsbec.edu.in.

In an endeavor to impart industrial exposure to our students, the university has introduced a six months (One complete Semester) "Industrial Training" as part of engineering curriculum in four years B.Tech program. This initiative will not only enhance technical knowledge of the students but also helps them in serving the industry more efficiently and effectively.

We shall feel grateful if your esteemed organization kindly accords sanction to undergo Practical Training for Six months and undertake PROJECT WORK as assigned by the organization to the following student (s)

Subject: Request for Six Months Industrial Training for B.Tech (Computer Science Engg) student after 7th Semester from 1/06/2018 to 26/11/2018

Dear Sir/Madam,

Baba Banda Singh Bahadur Engineering College is one of the premier educational institutions of northern India. Established in the year 1993 under the patronage of SGPC, the college is approved by AICTE and affiliated to PTU Jalandhar.

The institution known for its excellent infrastructure including Servers ranges from HP, Dell, SUN and SAN server (26TB) along with 100 Mbps Internet leased line and state of art technology labs is equipped with Apple iMac and Sun Solaris systems. The Departmental detailed information can be viewed on www.cs.bbsbec.edu.in.

In an endeavor to impart Industrial exposure to our students, the university has introduced a six months "Industrial Training" as part of engineering curriculum in four years B.Tech program. This initiative will not only enhance technical knowledge of the students but also helps them in serving the industry more efficiently and effectively.

We shall feel grateful if your esteemed organization kindly accords sanction to undergo Practical Training for Six months and undertake PROJECT WORK as assigned by the organization to the following student(s)

Name of the Student	E-mail	Mobile
Inderjeet singh	inderjitsingh514@gmail.com	84374-26336

The project must be innovative and fully justify the candidate technical competency and its application

We look forward to your early & favorable reply.

Thanking you,
