Dear Sir

Greetings from BBSBEC !!!

With reference to the telephonic conversation regarding the Industrial Visit of our B.Tech students of 2nd year to your esteemed organisation. I would like to apprise you that BBSBEC has been imparting professional grooming to its budding engineers by maintaining strong industrial and corporate relationship. The students are groomed holistically through unique activity based in house experiential training programs. The motive of these programs is to provide best of technological grooming and inculcate soft skills, so that students can improve their employability skills.

In this regard I request you for providing an opportunity to our budding engineers (approx 100) to visit Bebo Technologies, IT Park Chandigarh and attain best of practical exposure and knowledge. You are requested to approve the visit preferably on 25th/26th June 2019 or any other suitable date(s) convenient to you as per your schedule.

Thanks and regards,

**Dr J S Oberoi****Head T & P | Baba Banda Singh Bahadur Engg College, Fatehgarh Sahib, Punjab****Ph: +91 (1763) 503061 Mobile : +91 98555 67977****Website: www.bbsbec.edu.in | Email: hod\_tp@bbsbec.ac.in**

Hello Mr. Oberoi,

Greetings !

This is Acknowledged, we have taken your request into consideration and have started working on it.

Meanwhile, I request you to please share the following details :

1. What is the objective of the College to visit bebo ?
2. Complete details of the students, who are going to be the part of this industry visit ?
3. How its going to help bebo-BTES in getting the talent ?

Please let us know in-case of any query or more information is required.

Thanks & Regards,  
**Davender Singh Guleria**

Dear Mr Davender

Greetings from BBSBEC !!

Thanks for the prompt reply. As per the details sought by you, please find below the information regarding the same.

1. What is the objective of the College to visit bebo ?

We at BBSBEC believe in grooming the students as per the current industry trends so that students can prepare themselves for their future pathway for securing the placements in their chosen fields. Such visits infuse confidence among the young minds, make them aware regarding the current and future technological trends along with the industry expectations from the freshers.

1. Complete details of the students, who are going to be the part of this industry visit ?

The details of the students has been attached along with this mail.

1. How its going to help bebo-BTES in getting the talent ?

We hereby propose that we can sign a mutually understanding MoU wherein Bebo- BTES can select and train the students in specific technologies which can further fill the talent pool requirements and results in mutual benefits of students as well as the company.

In case of any query please feel free to contact.

Regards,

Dear All

### Greetings from T&P!!

To augment student's skills and to provide industrial exposure, three industrial visits organised on August 28 & 29, 2019 at Bhawani Industries, Modern Automotive and HF Super Chanakya Dairy Products Mandi Gobindgarh respectively for B.Tech students. A group of fifty students along with two faculties visited each company and had interaction with the HR Manager and technical department to understand the industrial work culture, current scenarios, latest trends and companies' requirement from students as a fresher's. The motive of these programs is to provide best of technological grooming, so that students can improve their employability skills, furthermore the Industry - Academia gap can be bridged with these programmes.

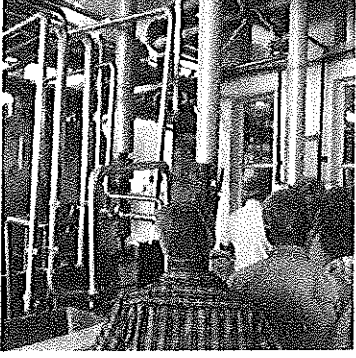

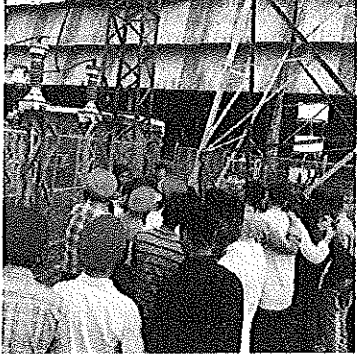

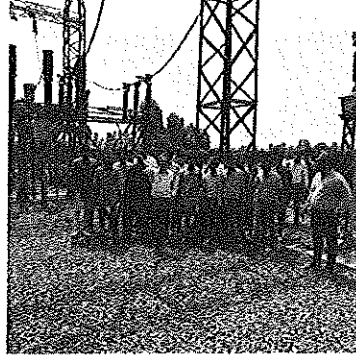

**About Bhawani Industry :** Bhawani Industries Limited was established in the year 2001. Manufacturer, supplier and exporter of Castings, Hot Rolled Products, Metal Rolls, Shoulder End & Collared Steel Pipes, Steel Billets etc. at our integrated steel plant located at Mandi Gobindgarh (Punjab) in India. The company is an ISO 9001 company engaged in Steel Manufacturing business with its turnover in excess of INR 2500 Million.

**About Modern Automotive:** Modern Automotives Ltd, established in 2005, is having the vision to become the assembly maker of Engine parts & to reach the revenue mark of \$ 100 Million within next 5 years. Headquartered in Chandigarh, have several production facilities across India, in Punjab, Gujarat, Delhi NCR, Manesar, Bangalore and with upcoming facility in Chennai.

Modern Automotives is one of the leaders in end-to-end special steel solutions for OEMs with world-class manufacturing and optimum quality in automotive component supply. We provide direct-on-line and just-in-time delivery by manufacturing products at customer's site.

**About HF Super Dairy Plant:** HF Super Dairy Plant is the leading supplier of pasteurized packaged milk, standard, toned, skim milk and manufacturer of milk products (pasteurized butter, Lassi, Ghee, milk powder and ice cream) in Punjab. The manufacturing plant has the capacity of 5 lakh ltr milk supply per day. The plant was fully automated and produced 4000 cups per hour of curd, value added milk products (Lassi, Ghee and butter). It has 9 chilling Centre's to maintain high quality of procured milk by preserving its freshness and nutrients

Students have applauded the infrastructure of companies along with the processing unit, which enlightened them about the factory process and latest trends and techniques. Students have also praised about the hospitality and the safety measures taken. The entire industrialist appreciated the efforts of BBSBEC for organising the industrial visit, which enhance the professional and practical knowledge of the students. Please find below the glimpses of visit.

## Feedback : Students Visit at HF Super Dairy Plant Mandi Gobindgarh on August 29, 2019

2 messages

HOD, Training & Placement <hod\_tp@bbsbec.ac.in>  
To: info@hfsuper.in

Mon, Sep 2, 2019 at 2:42 PM

Dear Sir/Maám

Greetings from BBSBEC Fatehgarh Sahib !!

This is regarding the industrial visit of B.Tech students at HF Super Dairy Plant Mandi Gobindgarh on August 29, 2019. A group of 41 students of Baba Banda Singh Bahadur Engineering College Fatehgarh Sahib had opportunity to visit the plant and had interaction with Mr. Navneet Singh about the overall manufacturing process and the technology is using to manufacture their products. The students were taken to the assembly line and shown the manufacturing and packaging of milk, manufacturing of milk powder through spray dryer, manufacturing of ghee, butter, manufacturing of flavoured milk, their filling and checking and packaging. The technology used in this processing of flavoured milk, processing milk based products and overall packing process has also been discussed with the students. The Quality Standards are properly followed during the manufacturing process.

In feedback, students have applauded the infrastructure of company along with the processing unit and the overall presentation by Mr. Navneet Singh, which enlightened them about the factory process and latest trends and techniques. Students have also praised about the hospitality and the safety measures taken. In addition students had given suggestions about the safety belt for the milk van.

Overall the staff of the plant was very co-operative and the visit to the plant was very knowledgeable and resourceful especially for B.Tech Agriculture engineering 3rd year students because they are studying dairy and food engineering course in running semester. Hoping a positive feedback from your side and long term fruitful relations. Please find attached some of the photographs.

Dear All

Greetings from T&amp;P !!

To develop student's skills and to provide industrial exposure, Industrial visit to "Kandhari Beverages" Nabipur organised on August 1, 2019 for B.Tech & MBA new enrolled students in the session 2019. Kandhari Beverages Pvt. Ltd headquartered in Chandigarh and has the franchise rights from The Coca-Cola Company to sell a range of beverages in the states of Himachal Pradesh, Chandigarh, Parts of Punjab and Haryana. KBPL operates 3 manufacturing facilities in Ambala, Nabipur and Baddi. It has production capabilities to manufacture aerated drinks, juice drinks and packaged water. Its distribution network reaches to over 80,000 shopkeepers thru a vast network of over 300 distributors.

Total of eighty five students along with faculties/staff visited to The Kandhari Beverages and have interaction with the Senior HR and technical department to understand the production process of soft drinks along with bottle process, which attract the students and gave them a chance to have a practical exposure as a fresher. The motive of these programs is to provide best of technological grooming, so that students can improve their employability skills. Please find below the glimpses:

 Cc: "Major General (Dr.) GS Lamba, VSM" <principal@bbsbec.ac.in>

Sat, Sep 15, 2018 at 12:13 PM

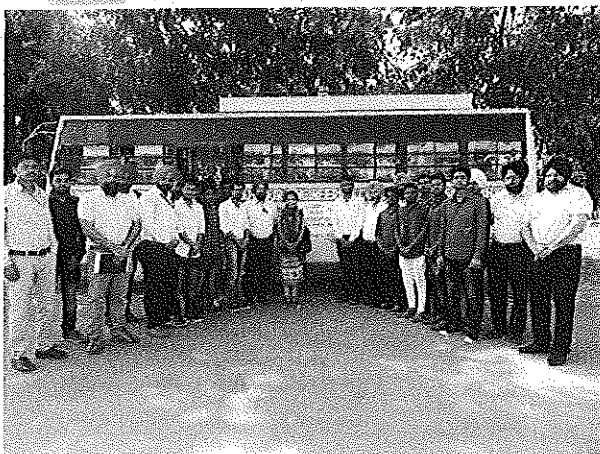

Dear All

Greetings from T&amp;P !!

A one day Industrial visit to well esteemed milk plant "Verka", Patiala was organized for the students of B.Tech. Agriculture Engineering on 14th September '18. Verka Plant is the leading supplier of milk and manufacturer of milk products (Lassi, Ghee, Pancer and Kheer) in Punjab. The manufacturing plant has the capacity of 40000 ltr milk supply per day. The plant was fully automated and produced 3000 cups per hour of curd, value added milk products (Lassi, Ghee, Pancer and Kheer).

Mr Jagjeet Singh (Marketing Head at Verka Dairy Plant) had interaction with the students about the overall manufacturing process and the technology is using to manufacture their products. The students were taken to the assembly line and shown the manufacturing and packaging of milk, manufacturing of flavored milk, their filling and checking and packaging. The technology used in this processing of flavored milk, processing milk based products and overall packing process has also been discussed with the students. The Quality Standards are properly followed during the manufacturing process.

At last, Mr Jagjeet Singh handled the various queries of the students in a very effective manner. The staff of the plant was very co-operative and the visit to the plant was very knowledgeable and resourceful especially for B.Tech Agriculture engineering 3rd year students because they are studying dairy and food engineering course in running semester.

Sat, Sep 15, 2018 at 11:25 AM

Dear All

Greetings from T&amp;P !!

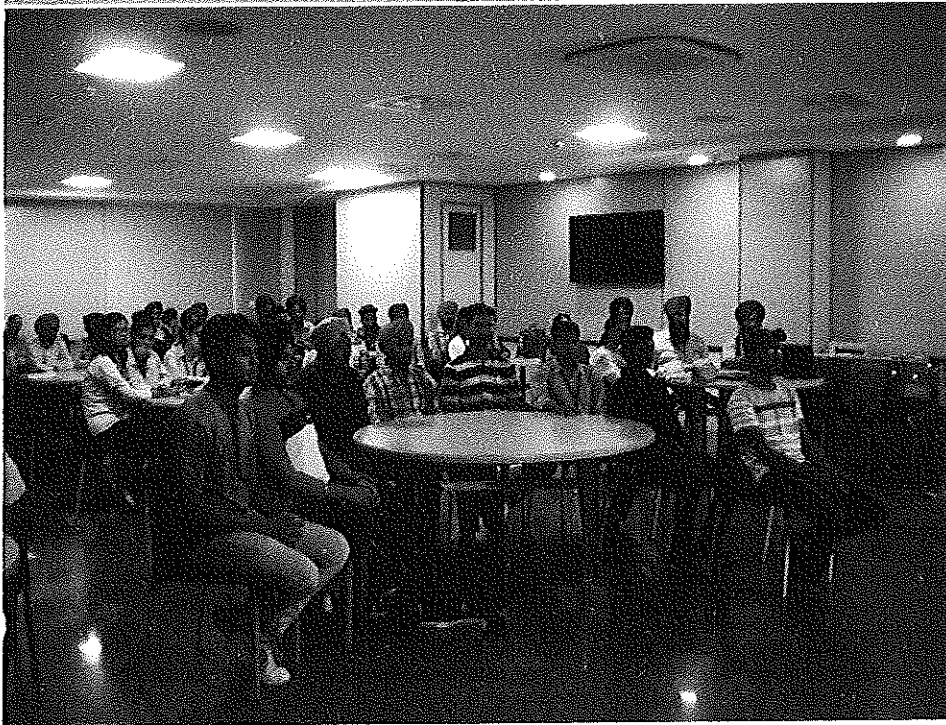

To develop student's skills and experiences to industries an Industrial visit to "bebo Technologies" IT park Chandigarh, was organised on Friday, September 07, 2018 for B.Tech CSE/IT final and pre-final year students. Bebo Technologies situated in Rajiv Gandhi IT park and having more 700 employees has built a team of seasoned professionals across two continents who know how to break the technology barriers and deploy high-capability software practices, resulting in the best quality software applications and projects. Bebo Technologies has implemented both offshore and nearshore models that give their clients a competitive advantage and improved return on their investment. In hybrid model, couple offshore or nearshore teams with local management, thus bridging the communication gap that can otherwise complicate working across two different cultures.

A total of sixty one students of B.Tech CSE/IT along with three faculties visited to The Bebo Technologies and have interaction with the Senior HR and technical department to understand the current scenarios, latest IT trends and companies requirement from students as a fresher's. The motive of these programs is to provide best of technological grooming, so that students can improve their employability skills. The session started at 1100 hrs with refreshment followed by company tour, the program executed as mentioned below:

Facility Tour	Mr. Davender Guleria	A great insight about the working of the industry
Formal Welcome & BTES Session	By – Mr. Davender Guleria (Centre Head)	How BTES in actual bridge a gap between Industry and Academia. How we helps students to be a part of our organization.
Session by the HR	By- Ms. Harleen Kaur(Senior HR)	Interaction and session on what HR looks for in a graduate while hiring
Session by the Expert(s)Dev/QA	Mr. Vivek (LeadDeveloper) Ms. Neha ( QA Lead)	Career guidance with the students on how to choose technologies for their career , Educate the students about the Industry requirements and the latest technological trends
Q & A Round	Mr Vivek (Lead Developer) Ms Neha ( QA Lead)	Technical Queries from students end.

The whole program was concluded at 1400 hrs, Mr. Davender Guleria, Centre Head, appreciated the efforts of BBSBEC for organising the Industrial visit to enhance the professional and practical knowledge of the students.

Glimpses of Industrial Visit

Dear Sir/Maám

Greetings from BBSBEC !!!

BBSBEC has taken a numerous initiatives to produce globally adaptable and industry fit engineers. BBSBEC has been imparting professional grooming to its budding engineers by maintaining strong industrial and corporate relationship. The students are groomed holistically through unique activity based in house experiential training programs and exposure to manufacturing infrastructure of corporate world. The motive of these programs is to provide best of technological grooming and inculcate soft skills, so that students can improve their employability skills.

In this regard a request is made to you for providing an opportunity to BBSBEC budding engineers (Group of 70) to visit Bebo Technologies, IT Park Chandigarh and attain best of practical exposure and knowledge. You are requested to approve the visit preferably on 17th August 2018 or any other suitable date for you in next week.

Thanks and regards,

Dr J S Oberoi

Mon, Jan 28, 2019 at 12:24 PM

Dear Suraj

Greetings from BBSBEC !!

This is with reference to the AMCAT online exam to be conducted for the B.Tech/MBA students of 2019, 2020 and 2021 passing out batches. As per the telephonic conversation with you we hereby propose the 22nd February as an Exam date and February 21st would be reserved for the Lab testing purposes. We are expecting approximately 300-500 students will appear in this exam. Please find below the dates and financials mutually agreed to conduct the exam.

Batch	Month	AMCAT	Price
2015	Feb 2019	AMCAT 1	INR 500 (Inclusive all)
	Aug 2019	AMCAT 2	
2016	Feb 2019	AMCAT 1	INR 500 (Inclusive all)
	Aug 2019	AMCAT 2	
	Oct 2019	AMCAT 3	
2017	Feb 2019	AMCAT 1	INR 500 (Inclusive all)
	Aug 2019	AMCAT 2	

You are requested to complete the formalities for conducting the exam at the earliest.

Regards

Dr J S Oberoi

Subject: TBRL DRDO Ramgarh Visit of faculty Members

**Highlighting features**

1. The Director Dr Manjit Singh gives one hour presentation on the layout zones of various Laboratories and testing facilities at TBRL. He discussed the challenges and the collaborative research areas in which the institutions can cooperate.

2. The Joint Director Mr Khosla took us to various laboratories spread across 5500 acres of campus and had given presentation on their research activities.

3. The following areas of research comes into picture for detail understanding of the topic under the various limiting grants available:-

- • Rail track coatings to reduce the friction
- • Improvement in the alignment of Vehicle rail tracking system (VRTS).
- • Synthesis of the explosive material in the chemical division.
- • Maximizing Current generation by on board miniature turbine.
- • Hydrodynamic behavior of non Newtonian fluids during bullet piercing as applicable to bullet proof jackets.

The hospitality is extended to the highest order. Kindly excuse if the undersigned fails to quote any important conversation.

Regards

## Visit to Spice Digital - Parwanoo HP : T & P cell:7/7/2014

1 message

HOD, Training &amp; Placement &lt;hod\_tp@bbsbec.ac.in&gt;

Tue, Jul 8, 2014 at 10:10 AM

To: "Dr. G.S. Lamba" &lt;principal@bbsbec.ac.in&gt;

Date	7/7/2014
Visit	Technology and Research Spice digital Parwanoo HP
Time	1500 Hrs
Duration of meeting	45 Mins
Points of Discussion	Technical Training, Placements & Projects
Branch	CSE,IT &ECE
Contact Person Details	<p>Monika Aggarwal</p> <p>CIO-Technology &amp; Research Spice Digital</p> <p>Himuda Commercial Complex</p> <p>Sector 1A Parwanoo-173200</p> <p>Himachal Pardesh Tel 179-2232668 Fax 179-2232344 Mobile 9216114790</p> <p>Monika.aggarwal@spicedigital.in www.spicedigita.in</p>
Point 1 Training's	The concerned official agrees to give slots (Variable and depending on the vacancies) for six months training on different domains-Android mobile application, Java, Oracle, ASP, SEO. Stipend will be provided to the students depending on the skill. Earlier the company visits the TU, Patiala and PEC Chandigarh.
Point 2 Placements	After successful completion of the six months training in the respective domain area, the company shall hire on roll with pay fixation depending on the performance and the successful completion of the projects undertaken during the training period.
Point 3 Projects	The concerned official agrees to our proposal subject to the successful exercises to be taken at our end before signing a MoU. The faculty of CSE and IT must declare their domain area and are encouraged to fetch and undertake the projects along with the students enrolled for the same. The projects will be in different domains and are to be over and above the academic curriculum.
Strategy	The delegation from Spice digital will visit the campus and have an interaction with the faculty & Head in the presence of worthy principal on different technical platforms. The faculty of CSE and IT is expected to declare their domain area and possess initial breakthrough knowledge to have healthy conversation. The college infra will be shown along with the hospitality factor. A strength showing exercise will be executed to understand each other capabilities before culminating to MoU.
Time Lines	The T & P cell is initiating the talks in the above mentioned direction and the first meeting is expected to be in ¾ week of July 2014.

Regards

Dear Sir

### Greetings from ISHRAE-BBSBEC chapter

Once again the college BBSBEC chapter is thankful primarily to ISHRAE Chandigarh chapter and the officials of Panasonic in coordinating such a wonderful visit for our mechanical engineering students. The program was well knitted within the time frame assigned and duly supported by the technical exposure to the latest machines. This tailored visit supports the thought process of our students in adopting the current manufacturing practices.

The students felt honored and are greatly obliged by your kind hospitality bestowed during a brief stay.

With this in brief, we once again thank you.

Dear Sir

Greetings

**Subject: Approval for an educational trip to Science City Kapurthala**

Sir,

Pushpa Gujral Science City Kapurthala, offers a blend of education, curiosity and fun through experimental demonstration of basic laws and postulates. Before the onset of the professional curriculum for the newly admitted students, it is suggested to acquaint them with the scientific aptitude and temperament by facilitating their visit to Pushpa Gujral Science city, Kapurthala in the second week of August 2015. Kindly form a committee to execute the same.

Respected Shri Nanda Ji,

Reference is made to telecom with Mr Neeraj Mahay regarding One Day Industrial at GNA Duraparts Limited for final year ME students of Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib.

We are sure that our budding engineers will have a learning experience during their exposure to advanced technologies and processes at your facility. We hereby request the **19th October 2016** for the industrial visit. A total of approx 50 students of mechanical engineering final year will be visiting . Two faculty members of allied field will accompany the students for learning, assistance and follow up.

You are requested to confirm the visit.

Thanks and regards,

Dr J S Oberoi
