Report of the Webinar Conducted

Baba Banda Singh Bahadur Engineering College, Fatehgrah Sahib organized the series of webinars under the Impact lecture scheme initiated by the Ministry of Education Innovation Cell, AICTE. The event was a moment of honour and gratification for the college. The keynote speakers of the webinar were Er. Jagnoor Singh, Chief Business Officer, LIDO Learning, Guragaon and Dr. Amandeep Singh Marwaha, Associate Director, Central Placement Cell, Panjab University Chandigarh. Er. Jagnoor Singh delivered the lecture on "Entrepreneurship Post Covid" and Dr. Marwaha shared his valuable knowledge on "Social Entrepreneurship and its Impact". Dr Amandeep Singh Marwaha discussed about the social entrepreneurship approaches by the individual and the group entrepreneurs in which they have developed, funded and implemented the solutions to the social, cultural and environmental issues. The introductory session of the webinars was handled by the teacher coordinator of Innovation council, Dr. Sonia. She welcomed the guests, organizing committee and the participants. More than 100 students registered their virtual presence to the webinar through Google meet. Speaking on the occasion, the principal of the college, Dr. Lakhvir Singh expressed his profound gratification for being the privileged partner of MoE Innovation Cell under this scheme. He also formally welcomed the guests on the virtual portal. He advised the students to listen to the speakers very carefully as these expert lectures are a source of abundant knowledge which may bring rich dividends to them in future. He congratulated all organizers and participants for organizing this informative and knowledgeable webinar. Dr. Manpreet Kaur, President BBSBEC Institution Innovation Council, delivered the vote of thanks. She thanked both the speakers, MoE'S Innovation Cell, College Principal, Heads, and Deans, faculty members, staff and students. She emphasized that success of any event always owe to untiring efforts of a dedicated team. The college innovation council team assured that they will always put their best foot forward to make the future events, a success.
