With the approval of *Maharaja Ranjit Singh Punjab Technical University Bathinda*, We at the **Deptt. of Computer Science & Engineering, Baba Banda Singh Bahadur Engg. College (BBSBEC), Fatehgarh Sahib, Punjab** are going to organize a One-week short term Faculty Development Program in the upcoming area of “**EFFECTIVE TECHNICAL WRITING USING LATEX**” starting from **July 3rd – 7th, 2017**.

This short term FDP aims to provide a comprehensive theoretical and hands on practical experience on LaTeX to the beginners.

Eminent speakers from academia and industry would enlighten the delegates.

Motivated faculty members from Engineering colleges, Research scholars, Industry personnel or Engineering practitioners are invited to attend this Development Program.

There are only 30-vacancies, accordingly sending a registration form does not guarantee a seat for the FDP.

We shall appreciate if you kindly nominate faculty member/s from your institute to attend this Program and to circulate/ display the **enclosed – FDP Brochure & Registration Form** among the Academicians/ Scientists/ Research scholars/ PG students of your institute. We sincerely believe that the FDP would be immensely helpful for their research/ teaching/ academic activity.
