Dear Sir

Greetings from ISHRAE-BBSBEC chapter

Once again the college BBSBEC chapter is thankful primarily to ISHRAE Chandigarh chapter and the officials of Panasonic in coordinating such a wonderful visit for our mechanical engineering students. The program was well knitted within the time frame assigned and duly supported by the technical exposure to the latest machines. Such tailored visit supports the thought process of our students in adopting the current manufacturing practices.

The students felt honored and are greatly obliged by your kind hospitality bestowed during a brief stay.

With this in brief, we once again thank you.

ISHRAE TRAINING

Four students were selected for their 6 months industrial training by Chandigarh Chapter of ISHRAE.

STUDENT FEEDBACK

“ISHRAE has always provided me appropriate support and guidance to build up my career in the best possible way. Being a trainee in 7th semester 2012 under the supervision of HVAC expert Mr. Deepak Verma, I could actually inculcate enormous skills and I could take my career to a different level. The cooperation and knowledge, I imbibed from him, was simply incredible. Just because of him, ISHRAE Chandigarh Chapter had won its first A Quest trophy ever in 2013 (Mumbai) with a cash prize of 50,000/- after a long wait of 14 years by beating around 40 teams who participated from different regions of India. Moreover, we got various job options also to embark with our professional career after that

I strongly opine that if any student gets this sort of track then success always looks easy to grab. I express my sincere gratitude towards ISHRAE team especially Deepak Sir and whole team of BBSBEC for offering us this opportunity to make our own identity in this world”Naib Singh
