

MEMORANDUM OF UNDERSTANDING

This MOU, made at FATEHGARH Sahib, effective this 21st day of December, 2015 is entered into

BY AND BETWEEN

Fortune Consultancy Services (FCS) is an ISO certified company which is working in various technical domains. The company takes an ownership to bring among the best industrial leaders with highly equipped skill development training modules. The company is established presently in SCO 112-113, 2nd floor, sector 34A, Chandigarh,

AND

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE having its registered college at Fatehgarh Sahib, Punjab-140407, approved by A.I.C.T.E, New Delhi, Ministry of H.R.D Govt. of India and is affiliated to Maharaja Ranjit Singh State Technical University, Bhatinda (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include there executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART.

WHEREAS both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

NOW THEREFORE,

In consideration of the foregoing premises and the covenants and obligations set forth in this MoU, the parties hereby agree as follows

ROLES AND RESPONSIBILITIES:

COLLEGE:

1. COLLEGE has B.TECH students of *mechanical* engineering stream in their campus and wishes to impart software knowledge to their students, they shall announce FCS as their preferred software skill provider.
2. College shall arrange the communication with faculty and also schedule seminars and skill development programs to students in their campus.
3. College will provide the infrastructure required (like computer systems, projectors, electricity etc.) in computer labs at its campus for the purpose of software trainings.

4. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and FCS.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

FCS:

1. The FCS shall plan the skill modules in consultation with the college.
2. The FCS shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The FCS shall register students for the skill modules and upload their names and details on their web portal.
4. The FCS will be entitled to the fees as mutually decided by the college and FCS for the course being conducted by the FCS.
5. The FCS will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The FCS will provide practice sessions based upon the ongoing consultancy projects undertaken by the FCS with the objective to provide better understanding of the concepts.
7. The FCS will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. FCS will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be provided additional software training (as per requirement) undertaken by FCS to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 20 students to register for the in-house training with the FCS. FCS may offer multiple tracks (Solidworks / CREO / UG NXCAD) for training, subject to the registration of approximately 10 students in each track.

PERIOD: This MoU is for a period of 1 year starting from 01st January, 2016 to 31st December, 2016. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

FINANCIAL COMMITMENT:

1. The college will have the right to collect fees from the students for the duration of the course in campus. The fees will be mutually agreed by the college and FCS.

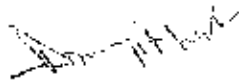

2. Out of total fees collected per student, 30% will be retained by the college to meet infrastructural requirements regarding in-house training and 70% will be paid to FCS.
3. Whenever applicable, service charges or any other Govt. levy will be charged extra, however at present no taxes are charged.

NOTICES:

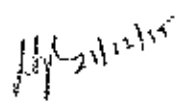

1. Both the parties have the right to terminate this MoU anytime by serving a prior notice of 2 months.
2. Notices shall be in writing and shall be deemed to have been received if delivered in person, on the same day, if sent by facsimile (followed by mailing of the original), 24 hours after transmission.
3. However, both parties will ensure that a batch in progress will have to be completed at present terms.

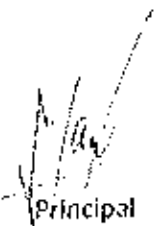

In witness whereof the parties to this MoU have set their respective hands on the date, month and year first above written.

Regarding In-house training (Software Training).

Respected Sir,

In-house training was conducted by Mechanical Engineering Department and it was done by Fortune Consultancy Services, Chandigarh.. Students were charged Rs.3000/- per head for this training. Further, Rs.2100/- (70%) per student is to be given to the training Institute as its share and Rs. 900/- (30%) per student is college share as per the MOU signed with them.

A total of 26 students have undergone training and the details of the college and training institute's share is as follows

	No of students	Total amount collected @Rs.3000/ 78,000/-	Share of training institute @Rs.2100/ 54,600/-	College share @Rs.900/- 23,400/-
Fortune Consultancy Services	26			

Also as per recommended/decided by your good self Rs. 9300/- from college share is to be given to department for procurement of Equipment and Special furniture for office.

Kindly approve the same.

With regards

Dr. Lakhvir Singh

Professor & Head, Deptt. of Mech. Engg.

(Courses Accredited by NBA (AICTE) and IE(I))

BBSBEC

Ref. No. BBSBEC/DA/Rec./ BT/ECE/296

Date 24/02/2016

Responsibilities of EESPL (Eureka Electro Soft Solutions Pvt. Ltd)

1. EESPL will provide at minimum two Specialized/Trained Engineers who will conduct Technical Programs.
2. EESPL will assist the BBSBEC in finalizing the technology training curriculum.
3. Responsible for arranging specialized training equipment required to impart the same.
4. Responsible for providing assistance in Technical Teaching/Training & Research Projects.
5. EESPL will provide Industrial Certificates to all the participants.
6. To find out & propose training programs related to latest technical domains, other than the normal curriculums.

Joint Responsibility -Eureka Electro Soft Solutions Pvt. Ltd and BBSBEC

1. Monitoring and quality control of the programs jointly.
2. Design of the course content and schedule.
3. To mutually discuss, design, develop & deploy industrial projects.

BOTH PARTIES ACKNOWLEDGE THAT THEY HAVE READ THIS AGREEMENT, UNDERSTOOD IT, AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS

Certificate of Summer Faculty Internship

This is to certify that Mr. Balraj Singh, from Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib has worked as Summer Faculty Intern from June 1, 2016 to July 5, 2016 in Department of Mechanical Engineering at IIT Ropar under the Mentorship of Dr. Harpreet Singh.

(Dr. Harpreet Singh)

Associate Dean

(Industrial Relations, International and Alumni Affairs)

MEMORANDUM OF UNDERSTANDING

This MOU, made at FATEHGARH Sahib, effective this 1st day of July, 2016 is entered into

BY AND BETWEEN

SwipeCubes Softs Pvt Ltd (SCS) is leading IT Company that can act as one of the one stop solutions for all your requirements. Incorporated with a vision of providing Easy, Affordable, and Quality Software Services, Swipe Cubes is constantly providing excellent services to ranges of clients. A pioneering company for software service has is ensuring to change the dynamics of the software outsourcing. SCS have their office at C-124, Level 2, SASIT building Industrial Area, Ph 8 Mohali.

AND

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE having its registered college at Fatehgarh Sahib, Punjab-140407, approved by A.I.C.T.E, New Delhi, Ministry of H.R.D Govt. of India and is affiliated to Maharaja Ranjit Singh State Technical University, Bhatinda (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include there executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART.

WHEREAS both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

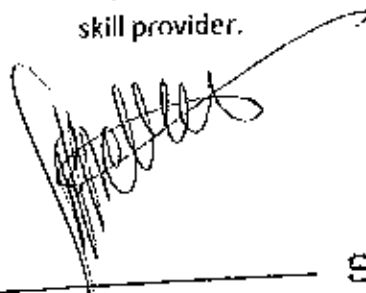

NOW THEREFORE,

In consideration of the foregoing premises and the covenants and obligations set forth in this MoU, the parties hereby agree as follows

ROLES AND RESPONSIBILITIES:

COLLEGE:

1. COLLEGE has B.TECH students of *mechanical engineering* stream in their campus and wishes to impart software knowledge to their students they shall announce SCS as their preferred software skill provider.

SWIPE CUBES

Vision to Grow ...

2. College shall arrange the communication with faculty and also schedule seminars and skill development programs to students in their campus.
3. College will provide the infrastructure required (like computer systems, projectors, electricity etc.) in computer labs at its campus for the purpose of software trainings.
4. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and SCS.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

SCS:

1. The SCS shall plan the skill modules in consultation with the college.
2. The SCS shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The SCS shall register students for the skill modules and upload their names and details on their web portal.
4. The SCS will be entitled to the fees as mutually decided by the college and SCS for the course being conducted by the SCS.
5. The SCS will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The SCS will provide practice sessions based upon the ongoing consultancy projects undertaken by the SCS with the objective to provide better understanding of the concepts.
7. The SCS will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. SCS will provide placement assistance for mechanical students. SCS will arrange campus placement drive and college will pay TA/DA to company HR. In case students fail to crack the interview, they will be provided additional software training (as per requirement) undertaken by SCS to enhance their software and employability skills at no extra cost.
9. SCS may arrange one semester Industrial training for the interested students in reputed organizations like JREW Mohali, Indofarm Baddi, SML Ropar and Sigma Vibraoustics Mohali etc.

MEMORANDUM OF UNDERSTANDING

This MOU, made at CHANDIGARH, effective this 11th day of March, 2016 is entered into

BY AND BETWEEN

CADD CENTRE TRAINING SERVICES PVT. LTD. having its office at NO. 91, Dr. Radhakrishnan Salai, Gee Gee Crystal, 8th Floor, office no. 8C and 8D, Mylapore, Chennai -600004 (hereinafter referred as "CADD CENTRE", for the sake of brevity) and represented by its Vice President , Mr. N. Subramanian (which expression shall mean and include its successors in office and assigns) (hereinafter referred to as the "Skill Knowledge Provider or SKP in short), party of the FIRST PART, CADD CENTRE will be represented by CADD CENTRE CHANDIGARH owned by Mr. EMAAN SINGH MANN, bearing the address SCO 198-200, Top Floor , sector 34 CHANDIGARH will be taking care of the entire activities in the College.

AND

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE having its registered college at Fatehgarh Sahib, Punjab-140407, approved by A.I.C.T.E, New Delhi, Ministry of H.R.D Govt. of India and is affiliated to Punjab Technical University, Jalandhar (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include there executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART.

WHEREAS both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

NOW THEREFORE,

In consideration of the foregoing premises and the covenants and obligations set forth in this MoU, the parties hereby agree as follows

ROLES AND RESPONSIBILITIES:

COLLEGE:

1. COLLEGE has B.TECH students of civil engineering stream in their campus and wishes to impart software knowledge to their students, they shall announce SKP as there preferred software skill provider.

2. College shall arrange the communication with faculty and also schedule seminars and skill development programs to students in their campus.
3. College will provide the infrastructure required (like computer systems, projectors, electricity etc.) in computer labs at its campus for the purpose of software trainings.
4. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and SKP.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

SKP:

1. The SKP shall plan the skill modules in consultation with the college.
2. The SKP shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The SKP shall register students for the skill modules and upload their names and details on their web portal.
4. The SKP will be entitled to the fees as mutually decided by the college and SKP for the course being conducted by the SKP.
5. The SKP will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The SKP will provide practice sessions based upon the ongoing consultancy projects undertaken by the SKP with the objective to provide better understanding of the concepts.
7. The SKP will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. SKP will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be involved in real time projects undertaken by DEINDE engineering services (a sister concern of CADD center, sector 34, Chandigarh) to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 30 students to register for the in-house training with the SKP. SKP may offer multiple tracks for training, subject to the registration of approximately 10 students in each track.

PERIOD:

This MoU is for a period of 1 year starting from 1st April, 2016 to 31st March, 2017. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

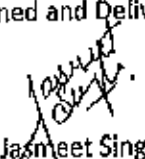

NOTICES:

1. Both the parties have the right to terminate this MoU anytime by serving a prior notice of 2 months.
2. Notices shall be in writing and shall be deemed to have been received if delivered in person, on the same day, if sent by facsimile(followed by mailing of the original), 24 hours after transmission.
3. However, both parties will ensure that a batch in progress will have to be completed at present terms.

In witness whereof the parties to this MoU have set their respective hands on the date, month and year first above written.

Subject: Regarding details of fee collected for in-house software training of final year students.

Respected Sir,

This has reference to the MoU signed by our Institute with CADD CENTRE, SCO 198-200, 4th floor, Sector 34-A, Chandigarh, regarding providing the software training (part of 6 months training in 7/8 semester) to civil engineering students. While finalizing the charges for the training it was decided to charge Rs. 1500/- per student as infrastructure maintenance charges for module 1&2, while 1000/- per student if they opt for only one main software from the module. Total 43 students have attended the in-house training arranged in the department from 14/10/2016 to 30/11/2016. Details of the students along with the maintenance charges paid by them are as per the list given below:

Name of module with software details	Number of student	Total fee collected	Cadd Centre Fee	Institute Maintenance charges
Module 1 (STADD PRO + AutoCad 2D + Estimation & Costing)	21	21×11000 = 231000 ✓	199500	31500 ✓
Module 2 (Primavera + PPM Concepts + Estimation & Costing)	20	20×10500 = 210000 ✓	180000	30000 ✓
Only Primavera	02	2×9000=18000	16000	2000 ✓
Total =	43	4,59,000/-	3,95,500/-	63,500/- ✓

You are requested to pay the amount corresponding to the Cadd Centre fee as per the institute procedure.

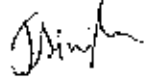

Thanking you.

Narinderpal Singh Deo

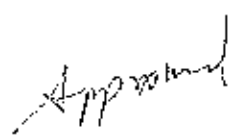

Head, CED

Note: Details of the students and fee paid as per different training modules is given in the attached lists.

Subject: Regarding details of fee collected for in-house software training of final year students.

Respected Sir,

This has reference to the MoU signed by our institute with CADD CENTRE, SCO 198-200, 4th floor, Sector 34-A, Chandigarh, regarding providing the software training (part of 6 months training in 7/8 semester) to civil engineering students. While finalizing the charges for the training it was decided to charge Rs. 1500/- per student as infrastructure maintenance charges for module 1&2. Total 51 students have attended the In-house training arranged in the department from 03/04/2018 to 18/5/2018. Details of the students along with the maintenance charges paid by them are as per the list given below:

Name of module with software details	Number of student	Total fee collected	Cadd Centre Fee	Institute Maintenance charges
Module 1 (STADD PRO + AutoCad 2D + Estimation & Costing)	28	28×11000 = 308000	266000	42000
Module 2 (Primavera + PPM Concepts + Estimation & Costing)	23	23×10500 = 241500	207000	34500
Total =	51	5,49,500/-	4,73,000/-	76,500/-

You are requested to pay the amount corresponding to the Cadd Centre fee as per the institute procedure.

Thanking you.

Dr. Anshu Tomar

Head, CED

Note: Details of the students and fee paid as per different training modules is given in the attached lists.

STI/MOU/2016-17

MEMORANDUM OF UNDERSTANDING

This MOU, made at FATEHGARH Sahib, effective this 6th day of January, 2017 is entered into

BY AND BETWEEN

Shubham Technical Institute (STI) is the upcoming name in technical training sector. It is a subsidiary of ETE Electrogears Pvt. Ltd. Derabassi. A name among the industrial leader in LT/HT power control panel and other electrical systems for the past thirty years. STI is an organization of technical training / skill development with all modern facilities functioning at Zirakpur since 2014.

AND

BADA BANDA SINGH BAHADUR ENGINEERING COLLEGE having its registered college at Fatehgarh Sahib, Punjab-140407, approved by A.I.C.T.E, New Delhi, Ministry of H.R.D Govt. of India and is affiliated to Maharaja Ranjit Singh State Technical University, Bhatinda (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include there executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART

WHEREAS both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

NOW THEREFORE,

In consideration of the foregoing promises and the covenants and obligations set forth in this MOU, the parties hereby agree as follows

ROLES AND RESPONSIBILITIES:

COLLEGE:

1. COLLEGE has B.TECH students of mechanical engineering stream in their campus and wishes to impart software knowledge to their students; they shall announce STI as their preferred software skill provider.
2. College shall arrange the communication with faculty and also schedule seminars and skill development programs to students in their campus.

College shall provide the infrastructure required (like computer systems, projectors, electricity) and computer labs at its campus for the purpose of software trainings.

Shubham Technical Institute

4. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and STI.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

STI:

1. The STI shall plan the skill modules in consultation with the college.
2. The STI shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The STI shall register students for the skill modules and upload their names and details on their web portal.
4. The STI will be entitled to the fees as mutually decided by the college and STI for the course being conducted by the STI.
5. The STI will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The STI will provide practice sessions based upon the ongoing consultancy projects undertaken by the STI with the objective to provide better understanding of the concepts.
7. The STI will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the Institute.
8. STI will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be provided additional software training/industrial training (as per requirement) undertaken by STI to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 20 students to register for the in-house training with the STI. STI may offer multiple tracks (Solidworks / CATIA/CNC TRAINING) for training, subject to the registration of approximately 10 students in each track.

PERIOD: This MoU is for a period of 1 year starting from 06-01-2017 to 05-01-2018. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

FINANCIAL COMMITMENT:

The college will have the right to collect fees from the students for the duration of the campus. The fees will be mutually agreed by the college and STI.

2. Out of total fees collected per student, 30% will be retained by the college to meet infrastructural requirements regarding in-house training and 70% will be paid to STI.
3. Whenever applicable, service charges or any other Govt. levy will be charged extra, however at present no taxes are charged.

NOTICES:

1. Both the parties have the right to terminate this MoU anytime by serving a prior notice of 2 months.
2. Notices shall be in writing and shall be deemed to have been received if delivered in person, on the same day, if sent by facsimile (followed by mailing of the original), 24 hours after transmission.
3. However, both parties will ensure that a batch in progress will have to be completed at present terms.

(For Shubham Technical Institute)

Principal
ENBEC, FGS

Sub: Regarding In-house training (Software Training).

Respected Sir,

In-house training was conducted by Mechanical Engineering Department and it was done by Shubham Technical Institute, Zirakpur from 23/1/2017 to 4/2/2017. Students were charged Rs.3000/- per head for this training. Further, Rs.2100/- (70%) per student is to be given to the training institute as its share and Rs. 900/-(30%) per student is college share as per the MOU signed with them.

A total of 17 students have undergone training and the details of the college and training institute's share is as follows

	No of students	Total amount collected @Rs.3000/-	Share of training institute @Rs.2100/-	College share @Rs.900/-
Shubham Technical Institute, Zirakpur	17	51,000/-	35,700/-	15,300/-

Also as per recommended/decided by your good self Rs. 6100/- from college share is to be given to department for procurement of Equipment and Special furniture for office.

Kindly approve the same.

With regards

Dr. Lakhvir Singh

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE

Approved by AICTE, Govt. of Punjab, Affiliated to MRSSU

(Courses Accredited by NBA (AICTE) and IE(I))

BBSBEC

No. BBSBEC/EE/922

Date 23/10/2018

MEMORANDUM OF UNDERSTANDING

This MOU, between BABA BANDA SINGH BAHADUR COLLEGE (Fatehgarh Sahib) AND AUTOMATION SYSTEMS (Ludhiana) for aspiring engineers acquainted with the conceptual as well as practical knowledge of the Industrial Automation

BY AND BETWEEN

Automation Systems is an ISO certified which is working in various technical domains. The company takes an ownership to bring among the best industrial leaders with highly equipped skill development training modules. The company is established presently in 90-C Shakti enclave, Dugri Road, Ludhiana

AND

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE having its registered college at Fatehgarh sahib, Punjab-141007, approved by A.I.C.T.E, New Delhi, Ministry of H.R.D. Govt. of India and is affiliated to Punjab Technical University, Jalandhar (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include there executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART.

Whereas both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

Now therefore,

In Consideration of the foregoing premises and the covenants and obligations set forth in this MOU, the parties hereby agree as follows

ROLES AND RESPONSIBILITIES:

COLLEGE:

- BBSBEC will be providing infrastructure i.e. Class room and Computer/Mech. Lab (depending upon the student strength & no. of batches) However, general resources like Marker/Duster etc. will be the responsibility of Automation Systems (S.I of Schneider Electric) only.
- BBSBEC Fatehgarh Sahib will provide Lab infrastructure covering training space lighting, air-conditioning, furniture, computer hardware, UPS supply etc. required for Training.

ABA BANDA SINGH BAHADUR ENGINEERING COLLEGE

Approved by AICTE, Govt. of Punjab, Affiliated to MRSSTU

(Courses Accredited by NBA (AICTE) and U(1))

f. No. BBSBEC/EE/922

Date 23/10/2018

parties, Automation Systems(S.I of Schneider Electric) and BBSBEC Fatehgarh Sahib, and the case are found genuine.

10. Automation Systems will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be provided additional software training (as per requirement) undertaken by Automation Systems to enhance their software and employability skills at no extra cost.

11. This agreement is for one term ending on 1 year

PERIOD: This MOU is for a period of 1 year starting from 15 Oct 2018 to 15 Oct 2019. Renewal thereafter will be on mutual basis at same or different set of conditions.

FINANCIAL COMMITMENT:

12. The college will have the right to collect fees from students for the duration of course in campus. The college will be mutually agreed by the college and Automation systems.
13. Out of total fees collected per student 30% will be retained by the college to meet infrastructural requirements regarding in-hour training and 70% will be paid to Automation systems.
14. Whenever applicable, service charges or any other Govt. Levy will be charged extra however at present no taxes are charged.

NOTICES:

1. Both the parties have the right to terminate the MOU anytime by serving a prior notice of 2 months.
2. Notice shall be in writing and shall be deemed to have been received if delivered in person, on the same day, if sent by facsimile(followed by mailing of the original), 24 hours after transmission.
3. However both parties will ensure that a batch in process will have to be completed at present terms.

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE

Approved by AICTE, Govt. of Punjab, Affiliated to IKGPTU
(Courses Accredited by NBA (AICTE) and IE(I))

BBSBEC

Ref. No. BBSBEC/EE/960

Date: 19-12-2018

MEMORANDUM OF UNDERSTANDING

This MOU, made at FATEHGARH Sahib, effective this 18th day of January, 2019 is entered into

BY AND BETWEEN:

Fortune Consultancy Services (FCS) is an ISO certified company which is working in various technical domains. The company takes an ownership to bring among the best industrial leaders with highly equipped skill development training modules. The company is established presently in SCO112-113, 2nd floor, sector 34A, Chandigarh,

AND

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE having its registered college at Fatehgarh sahib, Punjab-140407, approved by A.I.C.T.E, New Delhi, Ministry of H.R.D. Govt of India and is affiliated to Punjab Technical University, Jalandhar (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include their executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART.

WHEREAS both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

NOW THEREFORE,

In consideration of the foregoing premises and the covenants and obligations set forth in this MOU, the parties hereby agree as follows

ROLES AND RESPONSIBILITIES:

COLLEGE:

1. COLLEGE has B.TECH students of electrical engineering stream in their campus and wishes to impart software knowledge to their students; they shall announce FCS as their preferred software skill provider.
2. College shall arrange the communication with faculty and also schedule seminars and skill development programs for students in their campus.
3. College will provide the infrastructure required (like computer systems, projectors, electricity etc.) in computer labs at its campus for the purpose of software trainings.
4. The college will have the right to collect fees the students for the duration of courses in campus. The fees will be mutually, agreed by the college and FCS.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE

Approved by AICTE, Govt. of Punjab, Affiliated to IKGPTU
(Courses Accredited by NBA (AICTE) and IE(I))

BBSBEC

Ref. No. BBSBEC/EE/960

Date: 19/12/2018

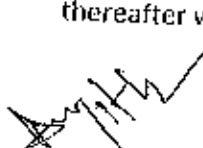

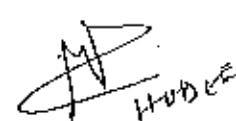

FCS:

1. The FCS shall plan the skill modules in consultation with the college.
2. The FCS shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The FCS shall register students for the skill modules and upload their names and details on their web portal.
4. The FCS will be entitled to the fees as mutually decided by the college and FCS for the course being conducted by the FCS.
5. The FCS will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The FCS will provide practice sessions based upon the ongoing consultancy projects undertaken by the FCS with the objective to provide better understating of the concepts.
7. The FCS will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. FCS will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be provided additional software training (as per requirement) undertaken by FCS to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 30 students to register for the in house training with the FCS. FCS may offer multiple tracks for training, subject to the registration of approximately 10 students in each track.

FINANCIAL TERMS & CONDITIONS:

1. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and FCS.
2. Out of total fee collected per student 30 % will be retained by college to meet infrastructure requirement regarding in house training and 70 % will be paid to FCS.
3. Whenever applicable service charge or any other Govt. levy will be charged extra. However at present no taxes are charged.

PERIOD: This MoU is for a period of 1 year starting from 16/1/2019 to 15/1/2020. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

Sub: Regarding In-house training (Software Training)

Respected Sir,

In-house training was conducted by electrical engineering department and it was done by two training institutes namely: Fortune Consultancy Services and Shubham Technical Institute. Students were charged Rs. 3000/- per head for this training and Rs. 2100/- (70%) per student is to be given to the training institutes as their share and Rs. 900/- (30%) per student is college share as per the MOU with them.

A total of 55 students have undergone training and the details of the college and institute's share is as follows:

S.No	Number of students	Total amount collected @Rs.3000/-	Share of Institute @Rs.2100/-	College share @Rs.900/-
Shubham Technical Institute	29	87,000/-	60,300/-	26,700/-
Fortune Consultancy Services	26	78,000/-	54,600/-	23,400/-
Total	55	1,65,000/-	1,14,900/-	49,500/-

Also as per recommended/decided by your good self Rs. 20,000/- from college share is to be given to department for procurement of the following items:

- Refrigerator, Microwave Oven etc
- Special furniture for department.

Kindly approve the same.

Sincerely

Dr. Gursaraj Singh Brar

AGREEMENT**PARTIES**

This AGREEMENT is made at Solitaire Infosys Pvt. Ltd. on 20th day of Feb 2019 between:

1. BBSBEC, Fatehgarh Sahib Address Chandigarh Rd, Fatehgarh Sahib, Punjab 140407

AND

2. SOLITAIRE INFOSYS, a private company, registered firm under the Indian Companies Act, ISO: 9001-2015 Certified.

BBSBEC, Fatehgarh Sahib & SOLITAIRE INFOSYS are collectively referred to as "Parties" and individually as "Party".

The second party has been in the business of Professional IT training for students & corporate houses, business establishments since the year 2010, and the first party BBSBEC, Fatehgarh Sahib is providing professional education to B.Voc. Students.

Terms & conditions for the agreement are as following :

- ✓ The second party Solitaire Infosys is engaged in the field of software Development ,Skill Development ,Education, R & D Services & will provide Industrial training in field of IT (Information technology).
- ✓ First party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- ✓ The first party BBSBEC, Fatehgarh Sahib will provide the students for Professional training/Internship which the fee would be decided with mutual consent between college authority & Company.
- ✓ Solitaire second party will allow Industrial visits of students for half/full day to provide them with an exposure to various equipment, instruments.
- ✓ Solitaire Second Party will actively engage to help the delivery of the Internship and placement of the students of the first party into trainings and placement programmes .
- ✓ BBSBEC, Fatehgarh Sahib hereby nominates the second party SOLITAIRE INFOSYS as one of the authorized training partners for their students.
- ✓ The second party, namely SOLITAIRE INFOSYS shall Provide, Expert Lectures, workshop, Faculty Development Programs on the latest IT technologies which would be paid as per requirement.

Validity :

- ✓ This agreement will be valid until it is expressly terminated by either party on mutually agreed terms, during which period Solitaire Infosys Pvt. Ltd. the second party, as the case may be, will take effective steps for Implementation of this MOU.
- ✓ Both Parties may terminate this MOU upon 30 calendar days notice in writing . In the event of termination, both parties have to discharge their obligations.

MEMORANDUM OF UNDERSTANDING

This MOU, made at CHANDIGARH, effective this 01st day of April, 2019 is entered into

BY AND BETWEEN

CADD CENTRE TRAINING SERVICES PVT. LTD. having its office at NO. 91, Dr. Radhakrishnan Salai, Gee GEE Crystal, 8th Floor, office no. 8C and 8D, Mylapore, Chennai - 600004 (hereinafter referred as "CADD CENTRE", for the sake of brevity) and represented by its Vice President , Mr. N. Subramanian (which expression shall mean and include its successors in office and assigns) (hereinafter referred to as the "Skill Knowledge Provider or SKP in short), party of the FIRST PART, CADD CENTRE will be represented by CADD CENTRE CHANDIGARH owned by Mr. EMAAN SINGH MANN, bearing the address SCO 198-200, Top Floor , sector 34 CHANDIGARH will be taking care of the entire activities in the College.

AND

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE having its registered college at Fatehgarh Sahib, Punjab-140407 approved by A.I.C.T.E, New Delhi, Ministry of H.R.D Govt. of India and is affiliated to Maharaja Ranjit Singh Punjab Technical University, Bathinda (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include there executors, administrators and assigns), (here in after referred to as College), party of SECOND PART.

WHEREAS both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

NOW THEREFORE,

In consideration of the foregoing premises and the covenants and obligations set forth in this MOU, the parties hereby agrees as follows

ROLES AND RESPONSIBILITIES:

COLLEGE:

1. COLLEGE has B.TECH students of civil engineering stream in their campus and wishes to impart software knowledge to their students, they shall announce SKP as their preferred software skill provider.
2. College shall arrange the communication with faculty and also schedule seminars and skill development programs to students in there campus.

3. College will provide the infrastructure required (like computer systems, projectors, electricity etc) in computer labs at its campus for the purpose of software trainings.
4. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and SKP.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

SKP:

1. The SKP shall plan the skill modules in consultation with the college.
2. The SKP shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The SKP shall register students for the skill modules and upload their names and details on their web portal.
4. The SKP will be entitled to the fees as mutually decided by the college and SKP for the course being conducted by the SKP.
5. The SKP will conduct appropriate training sessions for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. SKP will provide a feedback from students regarding software training after a gap of 15 days prior to after start of training.
7. SKP will provide Technical Content in the form of theoretical calculations along with figures for STAAD PRO/ E-Tabs/ SOLID WORKS/RIVET has to be endorsed prior to start of training.
8. SKP will provide Single Copy of the Manual of the training (MENTIONED in point 7) in the form of Hard Copy and SOFT COPY has to be submitted to HOD for checking of contents prior to start of training.
9. The SKP will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
10. SKP will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum ten students.
11. College will ensure maximum students by motivation and awareness with a minimum target of about 30 students to register for the in-house training with the SKP. SKP may offer multiple tracks for training, subject to the registration of approximately 10 students in each track.
12. The SKP will provide practice sessions based upon the ongoing consultancy projects undertaken by the SKP with the objective to provide better understanding of the concepts.
13. SKP will provide the Resource Material and Books to students corresponding to the 4 software's included in the training program viz STAAD PRO + RIVET AND E-Tabs + SOLIDWORKS within mutually agreed course fee prior to start of training.

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 14th day of March – Two Thousand Nineteen (2019),

BETWEEN

Baba Banda Singh Bahadur Engineering Collage Fatehgarh Sahib, the First Party represented herein by its **Principal BBSBEC Fatehgarh Sahib** (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

ECOMOCEANA TECHNOLOGIES PVT. LTD, the Second Party, and represented herein by **Mr. VIJAY GARG Director**, (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as '**Parties**' and individually as '**Party**')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
 - (i) BBSBEC
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) - **ECOMOCEANA TECHNOLOGIS PVT. LTD.** - , the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of - *name of trade and services under the industry concerned* - - and related fields
- F) - **ECOMOCEANA TECHNOLOGIS PVT. LTD** - ,the Second Party is promoted by promoter name Group; Address and background of the Company;
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential
- 1.2 Opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.3 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.4 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the
- 2.3 Curriculum so that the students fit into the industrial scenario meaningfully.
- 2.4 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.5 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

Oceanatech

www.oceanatech.in
www.oceanatech.co.nz

- 2.6 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of - - **Name of Industry specializations, activities and services** - -.
- 2.7 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.8 **Guest Lectures:** Second Party to extend the necessary support to deliver
- 2.9 Guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.10 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.11 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.12 There is no financial commitment on the part of the **Name of institution**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

www.oceanatech.co.n

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **ECOMOCEANA TECHNOLOGIS PVT. LTD**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of Training Partner or
- 4.2 **ECOMOCEANA TECHNOLOGIS PVT. LTD**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.3 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.
