## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is made on 16<sup>th</sup> day of May, 2019 at Fatehgarh Sahib (Punjab) by and between:

**NSIC-Technical Services Centre (herein after referred as "NSIC-TSC")**, one of the technical centers of National Small Industries Corporation, a Government of India Enterprise under the Ministry of MSME, having its registered office at NSIC Bhawan, Okhla Industrial Estate, New Delhi-110020, which expression, unless repugnant to the context, shall mean and include its successors, assigns and authorized representative of First Part.

AND

**Baba Banda Singh Bahadur Engineering College , Fatehgarh Sahib (Punjab)** having its campus at Fatehgarh Sahib 140407, Punjab (India) acting through its authorized signatory, Maj. Gen. (Dr) G.S. Lamba, VSM (Retd), (**herein after referred to as "BBSBEC"**) which expression, unless its repugnant to the context shall mean and include its successors and permitted assigns of the Second Part.

Both shall hereinafter be collectively referred to as the "Parties" and individually be referred to as the "Party".

### **ARTICLE 1** **PURPOSE**

- a) NSIC-TSC is one of the Technical Centres of NSIC, engaged in imparting industry centric, demand oriented training for **skill / entrepreneurship development** to address the demand of skilled manpower in the industry. Also NSIC-TSC is offering services to the industries through their NABL accredited laboratories.

- b) BBSBEC is an academic Institution providing steady source of talent to the nation and abroad by offering technical education in different areas.
- c) NSIC-TSC & BBSBEC are desirous to work together for imparting skill through training program(s) to the students of B. Vocational courses of BBSBEC in the campus of NSIC-TSC or at BBSBEC campus as agreed mutually with an aim to address the skill requirements by the industry.

## **ARTICLE 2**

### **AREAS OF COLLABORATION**

- a) NSIC-TSC and BBSBEC shall finalize jointly the details of training program(s) including their curriculum and training delivery plan for each of the training program(s) with an objective to impart training to the students engaged with BBSBEC
- b) The training to the students of BBSBEC shall be imparted in the campus of NSIC-TSC or at BBSBEC campus as agreed mutually and students of BBSBEC shall pay the training fees including applicable taxes to NSIC-TSC @INR 2000/- (Inclusive of 18% GST) for 6 weeks duration.

## **ARTICLE 3**

### **ROLES AND RESPONSIBILITIES OF BBSBEC**

1. BBSBEC shall send maximum number of students but not less than 50% of enrolled capacity of students of B.Vocational to NSIC -TSC for skill training and shall pay fee of INR 2000/- per student (Inclusive of 18% GST) for training course of 6 weeks duration.  
Place of training shall be mutually decided which shall be either NSIC-TSC Campus or BBSBEC Campus.

2. BBSBEC shall place their request to NSIC-TSC to provide the details of training programs with topics covered in each training program for the training programs those are running in the campus of NSIC-TSC.
3. BBSBEC shall examine the details of training programs provided by NSIC-TSC and share the said details of training programs along with the topics covered in individual training program, training fees etc. with their students.
4. In case the students of BBSBEC desires to opt for the training on customized training course covering different topics other than the topics covered under regular training course, the BBSBEC shall inform to NSIC-TSC with the details of requirement of students with a request for the submission of details along with confirmation.
5. After the receipt of consent from NSIC-TSC for imparting training on regular/ customized training program, BBSBEC shall facilitate their students through counseling to select the training course from the details of training courses provided by NSIC-TSC.
6. BBSBEC shall prepare the list of students' vis-à-vis their consent for training course, topics to be covered in individual training program, schedule of training program & training fees including applicable taxes to be paid by students of BBSBEC and submit to NSIC-TSC for their onward planning.
7. BBSBEC further advise their students to report in the campus of NSIC-TSC on the day of training along with fees of training, as per the schedule of training informed by NSIC-TSC.
8. BBSBEC shall advise the students to deposit the fees along

with tax at NSIC-TSC prior to the commencement of training course.

9. BBSBEC shall clearly inform their students about the training programs conducted by NSIC-TSC is non-residential.

#### **ARTICLE 4**

#### **ROLES AND RESPONSIBILITIES OF NSIC-TSC**

1. NSIC-TSC shall provide the list of ongoing training programs in the campus of NSIC-TSC with the topics to be covered in each training program, duration of training course, fees with applicable taxes, schedule etc to BBSBEC.
2. In case BBSBEC desires tailor made training programs to be conducted by NSIC-TSC, the details of topics to be covered in customized training shall be forwarded to NSIC-TSC for their confirmation.
3. NSIC-TSC shall confirm with their consent to carry out the selected regular/ customized training programs to BBSBEC after accessing the inputs availability at NSIC-TSC.
4. After the receipt of details from BBSBEC like number of students with their consent on the specific training course(s), topics to be covered, duration of training course and fees to be paid by student to NSIC-TSC campus, NSIC-TSC shall submit their confirmation to execute the training to the students selected/referred by BBSBEC.
5. NSIC-TSC shall ensure the resources to be in place prior to the schedule of training for imparting training on the specific training courses those selected by students by BBSBEC.
6. NSIC-TSC shall collect fees with requisite taxes in advance or

- latest by first day of commencement of training program along with applicable taxes from students of BBSBEC and shall not share any part of training fee with BBSBEC. The fees collected once shall not be refunded/adjusted for any reason.
7. NSIC-TSC shall share the training delivery plan (day to day lesson plan) to the students of BBSBEC on the first day of their joining the training course.
  8. NSIC-TSC shall carryout the assessment of students & issue certificate with joint signature of BBSBEC and NSIC-TSC to the successful trainees.
  9. NSIC-TSC shall allow BBSBEC officials to visit the area where the training courses for the students of BBSBEC will be conducted in case training is being done at NSIC -TSC premises
  10. NSIC-TSC shall place the record of successful trainees with the placement cell to facilitate the trainees for job placement.
  11. NSIC-TSC shall only be responsible to monitor the trainees during their presence in its premises. In case of any indiscipline/continued absenteeism, the same shall be reported to BBSBEC for their onward action.

#### **ARTICLE 5** **AMENDMENT**

1. Either Party may request in writing, an amendment of all or any part of this Memorandum of Understanding. Any amendment to this Memorandum of Understanding agreed by the Parties will be in writing and signed by the Parties and will form part of this Memorandum of Understanding.
2. Such amendment will come into operation on such date as may be mutually determined by the Parties.

**ARTICLE 6**  
**ARRANGEMENTS WITH OTHER PARTIES**

1. This Memorandum of Understanding does not preclude either Party from entering into any similar arrangement with any other party.
2. Nothing contained herein is to be construed so as to constitute a joint venture partnership or form a business organization of any kind between the parties or so as to constitute either party as the agent of the other.
3. Notwithstanding anything contained in the Memorandum of Understanding, where the implementation of this Memorandum of Understanding affects any party's rights and interests with respect to its national and public interest or public order, protection of intellectual property rights and confidentiality and secrecy of documents, information and data, that party may undertake appropriate steps or consultation to insure that its rights and interests are protected and safeguarded.

**ARTICLE 7**  
**CONFIDENTIALITY**

1. Each Party undertakes to observe the confidentiality and

secrecy of documents, information and other data received from or supplied to the other Party during the period of the implementation of this Memorandum of Understanding or any other agreements made pursuant to this Memorandum of Understanding.

2. Both Parties have decided that the provisions of this Article will continue to be binding among the Parties, Participants notwithstanding the termination of this Memorandum of Understanding.

#### **ARTICLE 8**

##### **NOTICE**

1. During the tenure of MOU, BBSBEC and NSIC-TSC hereto may terminate the MOU, either for breach of the terms and conditions of the MOU or otherwise by giving 30 days advance written notice to the other party provided that terminations shall not affect the completion of ongoing training course.
2. Any notice, approval, consent, requestor other communication required or-permitted to be given or made under this Memorandum of Understanding will be in writing in the English language and will be served or delivered to the office address of individual party as placed in this MOU.

#### **ARTICLE 9**

##### **LEGAL EFFECT**

1. This Memorandum of Understanding serves only as a record of the Parties' intentions and does not constitute or create any legal binding or enforceable obligations.
2. This MOU shall not constitute the appointment of either party as the legal representative of agent of the other party.No

party to this MOU shall have any right or authority to create or incur any liability or any obligation of any kind, express or implied, against or in the name of or on behalf of the other party to this MOU and except as specifically and expressly provided in this MOU.

#### **ARTICLE 10**

#### **COORDINATING OFFICER**

The Parties will appoint a coordinating officer within their respective organizations, who will be responsible for follow up and coordination of the matters relating to this Memorandum of Understanding.

#### **ARTICLE 11**

#### **USE OF LOGO**

No party shall have the right to use the name or logo of another party without the prior approval of that party in writing.

#### **ARTICLE 12**

#### **DISPUTE RESOLUTION & CONFIDENTIALITY**

Any dispute to be resolved amicably by the executants of the MoU, otherwise, the dispute to be referred to an 'Arbitrator' under the Arbitration and Conciliation Act, 1996, as amended by Arbitration and Conciliation (Amendment Act) 2015. The Arbitrator will be appointed with the consent of both the parties. The decision of the 'Arbitrator' will be final and binding on both the parties.

#### **ARTICLE 13**

#### **FORCE MAJEURE**

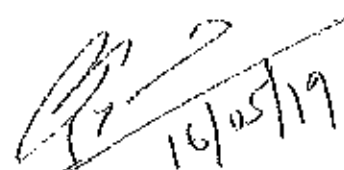

Neither party shall be made responsible for an unexpected or uncontrollable event.

## ARTICLE 14

### DURATION

The MoU shall be effective from the date of signing and it shall remain in effect for a period of one year. It may be renewed thereafter by mutual written consent.

The parties herein have agreed and signed this document on this 16<sup>th</sup> day of May, 2019 as under as per above clauses.

Respected Sir/Madam,

We are glad to inform you that all the formalities have been successfully completed for becoming a Remote Center. Now, we are confirming your Institute/College as a Remote Center of IIT Bombay.

You will be intimated time to time about our offering on courses/workshops and expecting your enthusiastic participations and supports.

Following information will be required for further communication, details updation and A-VIEW Classroom.

Remote Center ID : 1390

Using the below URL, you may check your remote center details and update some of the information if required by using your new login details.

Remote Center URL : <http://www.nmeict.iitb.ac.in/nmeict/wsmng/searchrc.php>

Important Note : Your previous login which had been allocated to you was only for testing purpose and it is expired now. you should use your new login details in future.

Thanks & Regards

## MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

BBSBEC Fatehgarh Sahib

&

ECOMOCEANA TECHNOLOGIES PVT. LTD.

## MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 14<sup>th</sup> day of March - Two Thousand Nineteen (2019),

### BETWEEN

**Baba Banda Singh Bahadur Engineering Collage Fatehgarh Sahib, the First Party** represented herein by its **Principal BBSBEC Fatehgarh Sahib** (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

**ECOMOCEANA TECHNOLOGIES PVT. LTD, the Second Party**, and represented herein by **Mr.VIJAY GARG Director**, (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as '**Parties**' and individually as '**Party**')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
  - (i) BBSBEC
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) - **ECOMOCEANA TECHNOLOGIS PVT. LTD.** - , the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of - *name of trade and services under the industry concerned* - - and related fields
- F) - **ECOMOCEANA TECHNOLOGIS PVT. LTD** - ,the Second Party is promoted by promoter name Group; Address and background of the Company;
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

#### **CLAUSE 1 CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential
- 1.2 Opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.3 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.4 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the
- 2.3 Curriculum so that the students fit into the industrial scenario meaningfully.
- 2.4 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.5 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

- 2.6 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of - - **Name of Industry specializations, activities and services** - -.
- 2.7 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.8 **Guest Lectures:** Second Party to extend the necessary support to deliver
- 2.9 Guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.10 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.11 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.12 There is no financial commitment on the part of the **Name of institution**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

#### CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **ECOMOCEANA TECHNOLOGIS PVT. LTD**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or
- 4.2 **ECOMOCEANA TECHNOLOGIS PVT. LTD**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.3 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

#### CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

- 1.2 opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.3 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.4 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the

- 2.3 curriculum so that the students fit into the industrial scenario meaningfully.
- 2.4 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.5 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.6 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of - - **Name of Industry specializations, activities and services** - -.
- 2.7 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.8 **Guest Lectures:** Second Party to extend the necessary support to deliver

*[Handwritten Signature]*

- 2.9 guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.10 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.11 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.12 There is no financial commitment on the part of the **Name of institution**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **AZIT Private Limited Mohali**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or

*[Handwritten Signature]*

4.2 AZIT Private Limited Mohali, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.3 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

## CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. ## MEMORANDUM OF UNDERSTANDING

Between

**Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib**  
And

**TELCOCRATS TECHNOLOGIES, MOHALI**

This MEMORANDUM OF UNDERSTANDING (MoU) is entered into on 31-01-2018 between the **Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib** college hereafter referred as "College" and **Telcocrats Technologies, C-124, Phase 8, Industrial Area, Mohali** hereinafter referred to "Technology Partner" for Bachelor of Vocational (B.VOC) Course titled "Software Development".

### 1. PREAMBLE

In the Engineering Education a collaborative effort between industry and academic institutions has become the key to success. This is possible only by the continuous collaboration and exchange of knowledge amongst industries and academic institutions for the ultimate welfare of the society. Education is the noble cause of building up nation. In order to improve the quality of education, the educational institutes must endeavor to establish rapport, identify areas of co-operation, and enter into MoUs with neighboring institutions and industries on viable collaborative/ consultancy projects with specific time-frames and well-defined parameters of output. The collaboration could be in the areas of exchange of latest technological trends and ideas, credit transfer, joint projects of students and faculty, joint publications, joint sponsored projects from funding agencies, joint faculty and staff development programs, joint consultancy projects with a sound revenue sharing model etc.

Principal  
Baba Banda Singh Bahadur  
Engineering College  
Fatehgarh Sahib (Punjab)

Ref. No. ....

Dated.....

## 2. PURPOSE

The aim of this MoU is primarily to establish a written document under which both organizations may enter into further specific agreements to perform collaborative programs in the areas of mutual interests.

## 3. AREAS OF COLLABORATION

### a. Roles and responsibilities of Technology Partner, Telcocrats Technologies:

- 1) Identify and introduce skill development programs as per the industry requirements and skill gap studies conducted by AICTE.
- 2) Mobilization of Candidates for Skill development programme.
- 3) Provide Training content, other resource material for the identified Training Programs
- 4) Introduce requisite partnerships with industry partners for domain expertise, technical know- how and industry supported skill programs
- 5) Conducting/facilitating Training of Trainers for the identified programs.
- 6) Providing Domain Specific Trainers periodically
- 7) Facilitating placement linkages/self-employment opportunities for the successfully trained Trainees appoint a Responsible Coordinator for this MOU Activity and Accountability

### b. Roles and Responsibilities of Institute:

- 1) Providing Infrastructure as prescribed by Telcocrats as per the skill development program requirement
- 2) Assessment Fees if any will be paid to SSC as per the ratio of 60: 40.60% of the assessment will be given by the college and rest 40 % will be given by the telcocrats.
- 3) Support Telcocrats in required branding of the infrastructure as per Scheme Guidelines
- 4) SPOC for Data enrolment on AICTE Portal
- 5) Mobilization of Candidates for Skill development programme.
- 6) Providing Domain Specific Trainers periodically

Principal  
Bachchan Singh  
Fatehgarh Sahib (Punjab)

Ref. No. ....

Dated.....

#### 4. NODAL AUTHORITY

The Nodal authority from College shall be the HOD CSE or his nominee and the Nodal authority from Telcoerats technologies shall be Mr Kapil Bhutani or his nominee for decision making and concurrence on matters of mutual interest under this MoU.

#### Payment Terms

Sharing ratio will be 40% for Telcoerats Technologies and 60% For College for all the payments received periodically

#### College will receive the payment in 4 installments and so the telcoerats will

- Whenever college receives any payment from the concerned authority then it will be disbursed as per the ratio of 60:40. The college's share will be the 60 % of any receiving payment and rest 40 % will be the telcoerats technologies' share. All the payments will be transferred through the account branch of Baba Banda Singh Bahadur Engineering, Fatehgarh sahib.
- Taxes will be deducted as per the government norms.
- The Assessment fees to be paid will also be in the same ratio i.e. 60:40. The complete fees will be paid by the College and the 40% share of Telcoerats will be deducted yearly from the payment made to Telcoerats by College.

#### 5. IMPLEMENTATION AND ACTION PLAN

Telcoerats, Mohali and College shall jointly endeavor to finalize the detailed implementation and action plan of collaborative efforts to execute the parts of the MoU in the academic year 2019-2020 and there onwards. This MoU shall be effective from the date of signing the same and shall remain in effect till it is discontinued by mutual consent. This MoU will be valid till the completion of Bachelor of Vocational Course (B.VOC) titled "Software Development".

In witness whereof the two organizations hereto have executed this agreement on the date and the year, as mentioned above.

#### MODIFICATION:

- This Agreement may be modified, through a written document signed by duly authorized representatives of both Parties.
- Either Party can withdraw from the agreement with a 30 days' notice. Both the parties shall continue its activities during the above notice period in such a manner, which shall

Principal  
Baba Banda Singh Bahadur Engineering College  
Fatehgarh Sahib

Kapil Bhutani

Ref. No. ....

Dated.....

- not prejudicially affect the interest of either party and complete a hand over activities in a mutually agreed manner

**DISPUTE RESOLUTION:**

- Any and all differences and disputes whatsoever arising between the Parties concerning the interpretation or implementation of this Agreement or in relation to the subject matter contained in this Agreement shall, in the first instance, be resolved mutually between the Parties and in the event of non-resolution, the matter shall be referred to arbitration.
- Arbitration proceedings shall be held in Mohali in accordance with the Arbitration and Conciliation Act, 1996 and procedures established for the purposes of regulating and determining matters relating to or arising from arbitration
- This Agreement shall be governed according to the Indian laws and each Party shall submit to the jurisdiction of the Courts at Mohali, Punjab, India.

**TERM:**

- The Agreement shall be valid unless terminated as provided under this clause.
- Either Party may terminate this Agreement upon 30 calendar days' notice in writing.

Kind Attn: Dr. Kanwalvir Singh - Principal  
Subject: Reference to the LOI/Agreement signed dated 03-Jun-16 regarding hiring of Test Venue for online exams

We hereby confirm hiring of your test venue infrastructure as per the test schedule mentioned Annexure-II

The no of seats required mentioned in the table are exclusive of additional 15% buffer seats required to back-up for any PC failure during exam. The invoice shall be raised only based on the actual seats booked unless and until it is revised.

Please refer the Annexure I, II for infrastructure, manpower to be provided & hiring charges.

#### General Terms & Conditions

- The test rooms / labs allotted shall be available for exclusive use to NSEIT on the scheduled exam dates
- The test venue infrastructure (monitors, LAN, Network switches, Rack, Firewall, Modems, Internet bandwidth & speed, LAN, OS, AC, UPS & PC) will be audited by authorized technical engineers from NSEIT on mutually agreed dates.
- NSEIT shall provide the audit findings report to the test venue SPOC with the details on gaps and deviations observed in the infrastructure not meeting the requirements.
- The test venue SPOC shall undertake to resolve the discrepancies notified in the audit in less than 1 working day from the date of receipt of report.

Page 2 of 6

- All the changes done and resolutions, programs to meet the technical requirements of the infrastructure after the audit shall remain in effect till the completion of exams at the test venue.
- The POs will be revoked, if the audit observations as out from venue infrastructure required for conduct of online exam are not addressed within 3 working days.
- The personnel assigned by the test venue SPOC for the pre-exam day activities & exam day activities
- need to report as per the timings mentioned in the schedule.
- The test venue head shall ensure the PCs allotted for the exam has the NSEIT SBT (Secured Browser Tool) installed and the IE browser settings done as per specifications shared prior to the pre-exam day to enable conduct of venue readiness test on the pre-exam day.
- The personnel assigned by the test venue will undergo a class-room and on job training on the pre-exam day for the various roles they handle, the schedule for the training shall be shared to the test venue SPOC.
- The test venue SPOC shall ensure the personnel assigned shall report on time for the training as per the training schedule. The authorized venue head shall also assign one back up personnel for every two person for the training to manage contingency.
- The test venue SPOC shall ensure that the test venue infrastructure provided for the exams are in proper working condition. If the test event is cancelled in the test venue due to failure of infrastructure, NSEIT shall not be liable to pay any charges to venue infrastructure service provider in the event of exam being cancelled due to infrastructure failure.

### Payment Terms & Conditions

1. The invoice for the hiring charges shall be raised in the name of NSFI Ltd, Mumbai within 7 days from the date of completion of the test at the venue.
2. The invoice in the prescribed format shared by NSFI shall be handed over to NSFI Chief Proctor, within 7 days from the date of completion of exam at the test venue.
3. Invoice raised shall be processed and payment credited through NEFT to the respective accounts within 30 days from the date of receipt of invoice.
4. In case of insufficient manpower reported than base Order during exam, standard deduction as per manpower rate shall be applicable. If manpower will be used on actual present.

2

## MOU

This memorandum of Understanding between **BABA BANDA SINGH BAHADUR COLLEGE** (Fatehgarh Sahib) AND **AUTOMATION SYSTEMS** (Ludhiana) for aspiring engineers acquainted with the conceptual as well as practical knowledge of the Industrial Automation

### BY AND BETWEEN

**Automation Systems** is an ISO certified which is working in various technical domains. The company takes an ownership to bring among the best industrial leaders with highly equipped skill development training modules. The company is established presently in 90-C Shakti enclave, Dugri Road, Ludhiana

### AND

**BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE** having its registered college at Fatehgarh sahib, Punjab-141007, approved by A.I.C.T.E, New Delhi, Ministry of I.T.R.D. Govt. of India and is affiliated to Punjab Technical University, Jalandhar (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include there executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART.

Whereas both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

Now therefore,

In Consideration of the foregoing premises and the covenants and obligations set forth in this MOU, the parties hereby agree as follows

## *Automation Systems*

AN ISO 9001:2008 COMPANY

Head Office : 90-C, Shakti Enclave, Near Toor Complex,  
Dugri Road, LUDHIANA-141002, Tel : 0161-6547953-54,  
Fax : 0161-4647954 Mobile : +91-82880-13111  
Branch Office : Plot No. 442, Ground Floor, Sector-82,  
Mohali, Mobile : 91100 71010

System Integrator  
of

**Schneider**  
Electric

## ROLES AND RESPONSIBILITIES:

### COLLEGE:

- BBSBEC will be providing infrastructure i.e. Class room and Computer/Mech. Lab (depending upon the student strength & no. of batches) However, general resources like Marker/Duster etc. will be the responsibility of Automation Systems (S.I of Schneider Electric) only.
- BBSBEC Fatehgarh Sahib will provide Lab infrastructure covering training space lighting, air-conditioning, furniture, computer hardware, UPS supply etc. required for Training.
- Permission of One Canopy and housing standee along-with the permission for distribution of fliers/visiting cards for registration/promotion activities within campus as per College rules and regulations.
- College has B.Tech students of electrical engineering stream in their campus and wishes to impart software knowledge to their students; they shall announce Automation Systems as their preferred software skill provider.
- College shall arrange the communication with faculty and also schedule seminars and skill development programs for students in their campus.
- The college will have the right to collect fees the students for the duration of courses in campus. The fees will be mutually, agreed by the college and Automation Systems.
- College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

### AUTOMATION SYSTEMS:

1. Timing of Classes: 4hrs per day for one month and on weekends (Saturday – Sunday will be off).
2. College will ensure maximum students by motivation and awareness with a minimum target of about 20 students to register for the in house training with the Automation Systems. Automation Systems may offer multiple tracks for training (Solidworks/ Electrical CAD / PLC automation) subject to the registration of approximately 10 students in each track.
3. The Automation Systems will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.

## *Automation Systems*

AN ISO 9001:2008 COMPANY

Head Office : 90-C, Shakil Enclave, Near Toot Complex,  
Dugri Road, LUDHIANA-141002, Tel : 0161-8547953-54,

Fax : 0161-4647954 Mobile : +91-82880-13111

**MEMORANDUM OF UNDERSTANDING**

This MOU, made at FATEHGARH Sahib, effective this Oct 12, 2018 is entered into

**BY AND BETWEEN**

Fortune Consultancy Services(FCS) s a ISO certified company which is working in various technical domains. The company takes an ownership to bring among the best industrial leaders with highly equipped skill development training modules. The company is established presently in SCO 114-115 3<sup>RD</sup> Floor Sector 34A Chandigarh.

**AND**

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE having its registered college at Fatehgarh sahib, Punjab-140407, approved by A.I.C.T.E, New Delhi, Ministry of H.R.D. Govt of India and is affiliated to Punjab Technical University, Jalandhar (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include there executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART.

WHEREAS both the parties strive towards promoting skilled knowledge to engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

**NOW THEREFORE,**

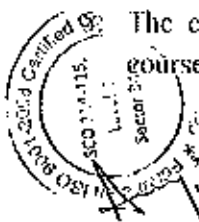

In consideration of the foregoing premises and the covenants and obligations set forth in this MOU, the parties hereby agree as follows

**ROLES AND RESPONSIBILITIES:**

**COLLEGE:**

1. COLLEGE has B.TECH students of electrical engineering stream in their campus and wishes to impart knowledge to their students, they shall announce IIP as their preferred skill provider.
2. College shall arrange the communication with faculty and also schedule seminars and skill development programs for students in their campus.
3. College will provide the infrastructure required (like computer systems, projectors, electricity etc.) in computer labs at its campus for the purpose of software trainings.
4. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and the FCS

**FCS:**

1. The FCS shall plan the skill modules in consultation with the college.
2. The FCS shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The FCS shall register students for the skill modules and upload their names and details on their web portal.
4. The FCS will be entitled to the fees as mutually decided by the college and HP for the extra seminar, workshop being conducted by the HP.
5. FCS will conduct appropriate training lessons with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/ semester
6. The FCS will provide practice sessions based upon the ongoing consultancy projects undertaken by the HP with the objective to provide better understating of the concepts.
7. The FCS will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. FCS will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview they will provided additional software training (as the requirement) undertaken by the FCS to enhance their software and employability skills at no extra cost
9. College will ensure maximum students by motivation and awareness within a minimum target of about 30 students to register for the inhouse training with FCS. FCS may offer multiple tracks for training, subjected to the registration of approximately 10 students in each track

**FINANCIAL TERMS & CONDITIONS:**

1. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and FCS.
2. Out of total fee collected per student 30 % will be retained by college to meet infrastructure requirement regarding in house training and 70 % will be paid to FCS.
3. Whenever applicable service charge or any other Govt. levy will be charged extra. However at present no taxes are charged

**PERIOD:** This MoU is for a period of 1 year starting from 18/01/2019 to 17/1/2020. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

**NOTICES:**

Both the parties have the right to terminate this MoU anytime by serving a prior notice of

A handwritten signature, possibly "A", written in black ink.

2. Notices shall be in writing and shall be deemed to have been received if delivered in person, on the same day, if sent by facsimile (followed by mailing of the original), 24 hours after transmission.
3. However, both parties will ensure that a batch in process will have to be completed at present terms.

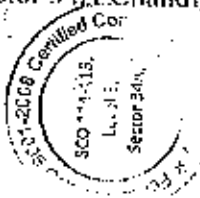

In witness whereof the parties to this MoU have set their respective hands on the date, month and year first above written.

### AGREEMENT

This "Agreement" is made and executed at New Delhi on this 22<sup>nd</sup> Day of August, 2018 by and between:

**Baba Banda Singh Bahadur Education Trust**, a Trust validly registered and existing under the laws of India, having its registered office at Bhai Gurdas Block, Baba Banda Singh Engineering Colleges, Fatehgarh Sahib, Punjab-140407 (hereinafter referred to as "FIRST PARTY"; which expression, unless repugnant to the context or meaning thereof, shall include its successors and permitted assigns) of the ONE PART.

Principal  
BBSB Engineering College

Centum Workskills India Limited, a Company incorporated under the provisions of the Companies Act, 1956, having its registered office at 127, Neelagagan, Mandi Road, Sultanpur, Mehrauli, New Delhi - 110030 (hereinafter referred to as "SECOND PARTY"; which expression, unless repugnant to the context or meaning thereof, shall include its successors and permitted assigns) of the OTHER PART.

(Reference to a "Party" means, individually, FIRST PARTY or SECOND PARTY and reference, collectively, to the "Parties," means both FIRST PARTY and SECOND PARTY, as the context requires).

WHEREAS FIRST PARTY is eligible to participate in the Pradhan Mantri Kaushal Vikas Yojna (PMKVY) for Technical Institutions Scheme of Department of Higher Education, Ministry of Human Resource Development, Govt. of India (hereinafter the "Training Scheme") and as such has been affiliated with TSSC Sector Skill Council through its educational institution called "Baba Banda Singh Bahadur Engineering College" to undertake and execute training program under the Training Scheme as per the Training Scheme Guidelines;

AND WHEREAS, SECOND PARTY is an authorized training partner of National Skill Development Corporation (NSDC) and has prior experience of executing training programs under PMKVY;

AND WHEREAS the FIRST PARTY is desirous of availing certain services of the SECOND PARTY in the matter of execution of training programs under the Training Scheme and the SECOND PARTY has agreed to provide services to the FIRST PARTY upon the terms and conditions contained in this Agreement.

NOW THEREFORE IN CONSIDERATION OF THE MUTUAL COVENANTS AND PROMISES MADE HEREINAFTER THE PARTIES HERETO AGREE AS FOLLOWS:-

**1. Definitions:**

- i. "Agreement" shall mean this Agreement including recitals hereof, all Annexures and schedules attached hereto and amendment, if any, to be signed by the parties with mutual consent, all of which shall form an integral part of this Agreement;
- ii. "Affiliate(s)" means any entity which is part of one or more ownership structures ultimately controlled by a common parent corporation or common shareholders;
- iii. "Batch" shall mean training batch with 30 enrolled trainees.
- iv. "Centre" shall mean PMKVY training centre in the premises/campus of the FIRST PARTY Baba Banda Singh Bahadur Engineering College well equipped with the requisite infrastructure, trade labs, tools and equipments as prescribed in the Training Scheme Guidelines;
- v. "Confidential Information" has the meaning given in Clause 8;
- vi. "Effective Date" shall mean 14<sup>th</sup> Day of August, 2018;
- vii. "End date" shall mean 16<sup>th</sup> Day of August, 2019;
- viii. "Project Owner" jointly and severally as the context requires, Ministry of Skill Development and Entrepreneurship (MSDE), Ministry of Human Resource Development (MHRD), National Skill Development Corporation (NSDC) and Sector Skill Council (SSC), State Skill Missions and Local Administration (District Magistrate, PRIs etc.) are the project owner for the training scheme.
- ix. "Single Point of Contact" (SPOC) means a single person identified by each party in this agreement to coordinate and manage routine operational relationship under this Agreement with the other party;
- x. "Trainees" means youth mobilized and enrolled to undergo training Programme under the Training Scheme as defined herein;

Principal

2  
Jointly

- x. "Trainees" means youth mobilized and enrolled to undergo training Programme under the Training Scheme as defined herein;
- xi. "Training Duration" shall mean training duration as per the course curriculum for various job roles approved by respective SSC.

## **2. Tenure:**

This Agreement shall be valid commencing from the effective date and shall expire on the end date unless terminated earlier in accordance with the relevant provision(s) of this Agreement. The Agreement's tenure may be extended for such duration as may be mutually agreed between the parties at the time of expiry.

## **3. Scope of Services:**

The parties have discussed and agreed on their respective roles and responsibilities to be performed in furtherance of this Agreement. The said mutually agreed specific roles and responsibilities of First Party and Second Party has been described in Annexure - A attached hereto, which forms integral part of this Agreement. The parties undertake to diligently and honestly perform their respective part of the contract in the best interest of the successful execution of training programs under the Training Scheme.

## **4. Consideration:**

The parties agree that consideration payable to the Second Party by the First Party shall be on revenue sharing basis. Quantum, mode and manner of revenue share payable by the FIRST shall be as per Annexure - B attached hereto, which forms integral part of this Agreement. The revenue share agreed herewith between the parties is inclusive of applicable taxes including GST and TDS shall be deducted as applicable from time to time.

## **5. Meetings:**

The Parties will attend review meetings/concall through their SPOC as may be required from time to time in the interest of efficient execution of training programs in order to discuss various aspects of this agreement including quality of the Services, timeline and performance of the parties.

## **6. Warranties:**

- 6.1 Each Party warrants that it has and its employees have the necessary expertise, skill and experience to perform their respective part of the contract and throughout the term of this agreement they will be unbiased and independent.
- 6.2 Each Party warrants that they will not and cause their employees/consultants etc. not to infringe or violate any third party proprietary rights including but not limited to any copyright, patent, trademark, trade name, registered design, trade secret, proprietary information, contractual, property, employment or non-disclosure rights while executing their part of the contract in terms of this agreement.

## **7. Statutory/ Legal Compliance:**

- 7.1 Each Party undertakes to comply with all the statutory laws, rules, regulations, guidelines, orders as originally made and/or amended from time to time including any labour laws, municipal or local laws including but not limited to ESI Act and Scheme, Employees Provident Funds & Miscellaneous Provisions Act, Payment of Bonus Act, Workmen's Compensation Act or any other law either applicable or which may become applicable subsequently.
- 7.2 No party shall be liable to pay any statutory dues, taxes, levies and third party claims of other party arising out of this Agreement.

Handwritten signature and date 10/06/2024.

### 8. Confidentiality:

- 8.1 Each Party will maintain as confidential all information obtained under or in connection with this Agreement and will not divulge such information to any person (except to their own employees or consultants and then only to those employees or consultants who need to know same) without prior written consent of the other party.
- 8.2 This clause will not extend to information which was rightfully in the possession of the receiving party prior to the commencement of the negotiations that led to this Agreement, which was already in the public domain or becomes so at a future date (otherwise than as a result of a breach of this clause or any other confidentiality agreement signed by the receiving party).
- 8.3 The parties agree that terms of this Agreement are confidential in nature. Each Party will keep confidential terms of this agreement to any third party and will further ensure that its employees will also not disclose arrangement/relationship between the parties contemplated herein this agreement to any third party in any manner whatsoever.

### 9. Indemnity:

Each Party will indemnify other party against professional loss, damage, costs and expenses which other party may incur as a consequence of any act, omission, negligence or default of the defaulting party, its employees, consultants, or agents in connection with or in performance of this agreement.

### 10. Intellectual Property Rights & Ownership:

- 10.1 The SECOND PARTY, its employees or agents or consultants will not obtain either jointly or severally rights in any data, materials, or systems otherwise utilized or provided by FIRST PARTY in connection with this agreement. Likewise FIRST PARTY, its employees or agents or consultants will not obtain either jointly or severally rights in any data, materials, or systems otherwise utilized or provided by SECOND PARTY in connection with this agreement.
- 10.2 All Intellectual Property Rights in documentation, drawings, contents, data, information, database or product created or produced by the SECOND PARTY in performing its part of contract under this Agreement will be joint property of the parties.

### 11. Offers of Employment:

- 11.1 Each Party will not and will ensure that its employees or agents will not make any approach to any member of staff of other party. Further, each party shall not offer employment to any of other party's employees, contractors and trainees during the continuance of this Agreement and for a further period of one year from the termination or expiry of the Agreement.

### 12. Independence:

- 12.1 The SECOND PARTY and its employees and agents are independent contractors and nothing in this Agreement will render them an agent, franchisee or partner of FIRST PARTY and the SECOND PARTY will not and will ensure that its employees and agents will not hold themselves out as such. The SECOND PARTY and its employees, consultants and agents will not have any right or power to bind FIRST PARTY to any obligation, except what is stated in this Agreement.
- 12.2 The SECOND PARTY is retained or engaged by FIRST PARTY only for the purposes and to the extent set forth in this Agreement. The SECOND PARTY's relation to FIRST PARTY will, during the period or periods of this Agreement, be that of an independent contractor.
- 12.3 This Agreement will not establish a joint venture, agency, employer-employee relationship, franchisor-franchisee relationship or partnership between FIRST PARTY and the SECOND PARTY.

Principal  
4-08-2004

- 12.4 The SECOND PARTY's employees will not be considered under this Agreement or otherwise or in any way as having the status of employee or being entitled to participate in any plans, schemes, arrangements or distributions by FIRST PARTY pertaining to or in connection with any person, stock, bonus, profit sharing or other benefits provided ordinarily by FIRST PARTY to its employees.

### 13. Termination & Consequences:

- 13.1 Each Party shall have right to terminate this agreement by giving 30 days notice in writing of its intention to terminate, if the other party commits breach of any terms of this Agreement. Parties will have no liability in respect of costs/obligations incurred following the expiration of such notice, except such obligations which are continuing in nature and hence survives termination.
- 13.2 This agreement may be terminated immediately by either party on giving notice in writing to the other, if the other party has a receiver or administrative receiver appointed or passes a resolution for winding up (otherwise than for a bona fide scheme of solvent amalgamation or reconstruction) or a court of competent jurisdiction makes an order to that effect or if the other party becomes subject to an administration order or enters into a voluntary arrangement with its creditors or ceases or threatens to cease to carry on business.
- 13.3 The termination of this agreement, however occasioned or expiry thereof will not affect any accrued rights or liabilities of the other party, nor will it affect the coming into force, or the continuance in force, of any provision hereof which is expressly or by implication intended to come into or continue in force on or after such termination. However, once fresh target is allocated to the training centre, the validity of the agreement will automatically get revived.
- 13.4 Each Party shall have right to terminate this agreement without assigning any reason upon giving 60 days written notice of termination to the other party.
- 13.5 Notwithstanding termination of this agreement for any reason whatsoever or expiry thereof, the parties shall continue to perform till completion of running batches in order to ensure that interest of students undergoing training is not hampered.
- 13.6 Upon termination of this agreement SECOND PARTY will return to FIRST PARTY all materials, data and other property of FIRST PARTY under their possession and control in connection with the training programs.

### 14. Force Majeure:

- 14.1 Notwithstanding anything else contained in this Agreement neither party will be liable for any delay in performing its obligations herein, if such delay is caused by circumstances beyond its reasonable control (including without limitation any delay caused by an act or omission of the other party and/or withdrawal of training scheme by the project owner). Subject to the party so delaying promptly notifying the other party in writing of the reason for the delay and the likely duration of the delay, the performance of such party's obligations will be suspended during the period that the said circumstances persist, and such party will be granted an extension of a time period for performance of duties and obligations under this agreement equal to the period of the delay.
- 14.2 This to be the case except where said delay is caused by the act or omission of the other party, in which event the rights, remedies and liabilities of the parties will be as contained by the other clauses and terms of this Agreement and by law.
- (a) Any costs arising from such delay will be borne by the party incurring the same, and
- (b) Either party may, if such delay continues for more than 30 days terminate this Agreement on giving notice in writing to the other in which event neither party will be liable to the other by reason of such termination.

5

**15. Waiver of Remedies:**

- 15.1 No forbearance, indulgence or delay by either party in enforcing the provisions of this Agreement will prejudice or restrict the rights of that party, nor will any waiver of its rights operate as a waiver of any subsequent breach.
- 15.2 No right, power or remedy in the Agreement conferred upon or reserved for either party is exclusive of all other right, power or remedy available to that party and each such right, power or remedy will be cumulative.

**16. Entire Agreement:**

This Agreement together with all annexure/s constitutes entire agreement and supersedes all prior arrangements, agreements and understandings between the parties. No addition to or modification of any provision of this Agreement will be binding upon the parties unless made by written instrument and signed by an authorized representative of each of the parties.

**17. Assignment & Subletting:**

Neither party will assign or transfer this Agreement or any of its rights or obligations herein, whether in whole or in part to any third party. SECOND PARTY shall not outsource or sublet its part of the Contract to any third party under any circumstances whatsoever.

**18. Notices:**

All notices that are required to be given under this agreement will be in writing and will be sent to the address of the appropriate party as set out in this Agreement or such alternative address as the recipient may designate by notice given in accordance with the provisions of this clause. Any such notice may be delivered personally, by registered post, telex or facsimile transmission and will be deemed to have been served if by hand when delivered, if by registered post 48 hours after posting and if by telex or facsimile transmission when dispatched.

**19. Headings:**

The headings to and numbering of the clauses of this Agreement are for ease of reference only and will not affect the interpretation, application or construction of this Agreement.

**20. Governing Law, Language, Arbitration and Jurisdiction:**  
20.1 This Agreement shall be governed by the laws of the Republic of India.

- 20.1** This Agreement shall be governed by the applicable laws of India.
- 20.2** Any and all disputes, controversies and conflicts ("Disputes") arising out of this Agreement between the Parties or arising out of or relating to or in connection with this Agreement or the performance or non-performance of the rights and obligations set forth herein or the breach, termination, invalidity or interpretation thereof shall be referred for arbitration in terms of the Arbitration and Conciliation Act, 1996 including any amendments or statutory modifications thereof. Prior to submitting the Disputes to arbitration the parties shall resolve to settle the dispute/s through mutual negotiation and discussions. In the event that the said dispute/s are not settled within 30 days of the arising thereof, the same shall finally be settled and determined by arbitration. The seat of arbitration shall be New Delhi and the language used in the arbitral proceedings shall be English. Arbitration shall be conducted by a sole arbitrator to be appointed with mutual consent of the parties. A person to be appointed as Arbitrator must be lawyer with standing in bar of at least 5 years.
- 20.3** The arbitral award shall be in writing and shall be final and binding on each party and shall be enforceable in any court of competent jurisdiction. None of the Parties shall be entitled to commence or maintain any action in a court of law upon any Dispute arising out of or relating to or in connection with this Agreement (infringement of IPR, criminal offences and breach of confidentiality excepted), except for the enforcement of an arbitral award or as permitted under the Arbitration and Conciliation Act, 1996.
- 20.4** Pending the submission to arbitration and thereafter, till the arbitral tribunal renders its award or decision, the Parties shall, except in the event of termination of this Agreement or in the event of any interim order/award is granted under the aforesaid Act, continue to perform their obligations under this Agreement.
- 20.5** It is agreed that the Courts of Delhi shall have the exclusive jurisdiction to entertain any matter between the parties including challenge of any order/award of arbitration proceeding.

## 21. Consequential Damages

Under no circumstances, whether based on contract, warranty, negligence, strict liability, or otherwise, shall either party or its holding/subsidiary and other affiliates be liable for any special, consequential, indirect, incidental or punitive damages of any kind or character to the other party, including but not limited to, loss of profits or revenues, loss of product, loss of use, cost of capital and the like, arising out of or related to any performance under or breach of this Agreement. The parties specifically acknowledge that the pricing provisions of this Agreement reflect such allocation of risk and limitation of liabilities.

## 22. Severability

It is the desire and intent of the Parties that the terms, provisions and covenants contained in this Agreement shall be enforceable to the fullest extent permitted by law. If any such term, provision or covenant or the application thereof to any person or circumstances shall, to any extent, be construed to be invalid or unenforceable in whole or in part, then such term, provision or covenant shall be construed in a manner as to permit its enforceability under the applicable law to the fullest extent permitted by law. In any case, the remaining provisions of this Agreement or the application thereof to any person or circumstances, other than those to which they have been held invalid or unenforceable, shall remain in full force and effect.

**ROLES & RESPONSIBILITIES OF THE PARTIES**

FIRST PARTY shall be responsible for the following deliverables:

- (A) Establish and Provide Training Centre with Class Rooms, office space for staff & Trainers and Trade Labs well equipped with required infrastructure, furniture and equipments in the campus of Baba Danda Singh Engineering College located at Fatehgarh Sahib. Specifications of required infrastructure of Training Centre shall be as follows:
  - (i) Infrastructure and Trade Lab establishment will be as per Trade (QP- Qualification Pack) guidelines set by NSDC and SSC.
  - (ii) Provide access to basic amenities like water, separate washroom for men and women, telephone facility, photocopy facility, internet connectivity, electricity, sufficient power backup etc.
  - (iii) Security and safety of assets, trainees and faculties. Provision of adequate security guards and insurance policies to mitigate risks of loss of life, assets, fire, theft etc. will be the responsibility of First Party.
- (B) Earmark suitable sites on the premises of the Training Centre, internal as well as external for branding.
- (C) Ensure branding of Training Centre as per project norms and applicable guidelines.
- (D) Deploy Skill Instructor/Trainer, if available in – house with them within maximum 45 days from the effective date of this Agreement. The Trainer must confirm to the eligibility criteria as per SSC guidelines.
- (E) Identify and screen suitable candidates for engagement as Trainer/Skill Instructor and fix interview with Second Party.
- (F) Execute delivery of training through the Trainer(s).
- (G) Provide Training Consumables as per QP/Trade requirements.
- (H) Bear 50% expenses of the Assessment Fees.
- (I) Make payment to the SECOND PARTY in consideration of services rendered by the SECOND PARTY as stated herein below.
- (J) Submit bills/invoices/reports and other required documents etc to the Project Owner as may be required from time to time as per the applicable scheme norms or as per the instructions of Project Owner.
- (K) Facilitate and ensure opening of a multi entity bank account( Multi wallet , with predefined sharing ratio of First Party and Second Party) in Canara Bank or any other suitable Nationalized Bank; in case opening of multi entity bank account is impractical or there is some temporary delay then in that case First Party will make alternate arrangement to secure that the agreed revenue share to the Second Party is paid in a timely manner in

the designated bank account of the Second Party immediately after receipt of payment from the project owner in the bank account in which proceeds of the training in terms of this Agreement is credited.

SECOND PARTY shall be responsible for the following deliverables:

- (A) Mobilize sufficient number of eligible youth to undergo training programs. The eligibility criteria and documentations for screening and enrolment shall be as per the Training Scheme Guidelines as amended from time to time by the Project Owner;
- (B) Updating of data and management of SDMS portal in relation to execution of training programs;
- (C) Arrange and provide NSQF aligned content as per QP of the training program(s);
- (D) With support of First Party, facilitate placement tie up and coordinate for placement of trainees as required in terms of the Training Scheme Guidelines, with support of First party and ensure collection of requisite documents in relation to placement as may be required from time to time as per scheme guidelines.
- (E) Coordinate for assessment of trainees with SSC at appropriate stage coordination through SSC
- (F) Bear 50% expenses of the Assessment Fees.

Annexure -B

CONSIDERATION

Second Party shall be entitled to revenue share in consideration of its services rendered pursuant to this MOU. Quantum, mode and manner of revenue share payment payable by the First Party shall be as follows:

- (i) First Party shall pay 50% of the total revenue received from the project owner from time to time to the Second Party. Revenue share agreed herein is inclusive of applicable taxes including GST and subject to applicable TDS.
- (ii) The payment of revenue share to the Second Party shall be made by way of direct credit in the designated bank account, details of which are as follows:
  - (a) Account Holder Name: Centum Workskills India Limited
  - (b) Bank Account No.: 00030310014240
  - (c) Bank's Name: HDFC Bank Ltd
  - (d) Bank's Branch: G-3-4, Surya Kiran Building, 19, August Kranti Marg, New Delhi-110001
  - (e) IFSC Code: HDFC00000003
- (iii) The First Party shall make payment of revenue share to the Second Party immediately after receipt of payment from AICTE in any case not later than 3 days from the receipt of payment from AICTE.
- (iii) Second Party will raise demand/invoice for payment of its revenue share as and when tranches of payments is received from AICTE, only if needed by the First Party. In this case, it would be mandatory for the First Party to intimate via email to the SPOC of the Second Party about quantum of payments received from time to time towards proceeds of the training program. Intimation is to be given on the same day when payment received from AICTE, but in no case later than the next day.

**MEMORANDUM OF UNDERSTANDING**

Between

**Baba Banda Singh Bahadur Engineering College, Fatchgarh Sahib**

&

**Eureka Electrosoft Solutions Pvt. Ltd.**

This MOU is made and entered into on this 16th Day of Feb 2018 between EUREKA ELECTROSOFT SOLUTIONS Pvt. Ltd., Mohali (hereinafter called EESPL) with its registered office at Mohali Punjab and Baba Banda Singh Bahadur Engineering College, Fatchgarh Sahib (hereinafter called BBSBEC) situated at Fatchgarh Sahib, Punjab.

**1 OBJECTIVES OF THE MOU**

The objective of this Memorandum of Understanding is to provide the In-House Campus Trainings to the students of 4<sup>th</sup> semester of Engineering in BBSBEC by EESPL.

**2 PROPOSED MODES OF COLLABORATION**

BBSBEC and EESPL propose to collaborate through training of 4<sup>th</sup> Semester Engineering Students of BBSBEC through IN-HOUSE training Program conducted by EESPL from 15th June (tentative date) Onwards.

**3 TERMS & CONDITIONS**

EESPL to BBSBEC

During the training, EESPL will provide the following services to the students of BBSBEC and College:

1. EESPL will provide training faculty which will be more focused to provide the practical exposure than the theoretical part. Separate sessions will be taken to cover Mechanical and Electronic Hardware, Software and Theory.
2. EESPL will prepare Training Content on the concerned Training Domain.
3. During the trainings EESPL will provide all the electronics and mechanical related hardware material and modules required for the training.

4. EESPL will provide Development Kit (Consisting of power supply, Microcontroller, Relays, DC Motor Driver, LEDs, Switches, PCB ) in a group of four students.
5. BBSBEC will collect the fee and other concerned dues from the students.
6. EESPL will take the weekly feedback from the students and a report on the bases of the feedback will be provided to BBSBEC.
7. EESPL will work as per the instruction given by CSE department of BBSBEC.
8. EESPL will keep the attendance record of students and same must be submitted to the CSE department when it is needed.

#### BBSBEC to EESPL

During the training BBSBEC will provide the following services to the EESPL.

1. BBSBEC will provide the Letter of Approval to EESPL to execute the training.
2. BBSBEC will provide the Infrastructure required for the training to EESPL. for the execution of INHOUSE training, it will include a lab with PCs, A class Room, access to workshop for mechanical operations, Projectors, White/Black boards and Markers.
3. A signed copy of this MOU on College's Letter head.

#### COST

Training fee as discussed with the committee members during the presentation sessions would be Rs 3500 only for 4th semester. The college will give only 70 percent of the total collected fees to the company and rest 30 % will be the college's share. The tax will be deducted as per the rules formed by the government.

#### Fee Payment Terms:

The payment will be given after the successful completion of this training. The payment will be given through the account branch of BBSBEC Fatchgarh subils.

5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

## FCS:

1. The FCS shall plan the skill modules in consultation with the college.
2. The FCS shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The FCS shall register students for the skill modules and upload their names and details on their web portal.
4. The FCS will be entitled to the fees as mutually decided by the college and FCS for the course being conducted by the FCS.
5. The FCS will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The FCS will provide practice sessions based upon the ongoing consultancy projects undertaken by the FCS with the objective to provide better understanding of the concepts.
7. The FCS will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. FCS will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be provided additional software training (as per requirement) undertaken by FCS to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 20 students to register for the in-house training with the FCS. FCS may offer multiple tracks (Solidworks / CREO / UG NXCAD) for training, subject to the registration of approximately 10 students in each track.

**PERIOD:** This MoU is for a period of 1 year starting from 12<sup>th</sup> January, 2018 to 11<sup>th</sup> January, 2019. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

## FINANCIAL COMMITMENT:

1. The college will have the right to collect fees from the students for the duration of the course in campus. The fees will be mutually agreed by the college and FCS.
2. Out of total fees collected per student, 30% will be retained by the college to meet infrastructural requirements regarding in-house training and 70% will be paid to FCS.

## MEMORANDUM OF UNDERSTANDING

This MOU, made at FATEHGARH Sahib, effective this 16<sup>th</sup> day of January, 2018 is entered into

### BY AND BETWEEN

Prismatic Technologies (PT) Patiala is an ISO certified company which is working in various technical domains. The company takes an ownership to bring among the best Industrial leaders with highly equipped skill development training modules. The company is established in 2009 and is presently at SCO 48, Level 2, Leela Bhawan Patiala. Phone No 9646959312.

### AND

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE having its registered college at Fatehgarh Sahib, Punjab-140407, approved by A.I.C.T.E, New Delhi, Ministry of H.R.D Govt. of India and is affiliated to Maharaja Ranjit Singh State Technical University, Bhatinda (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include there executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART.

WHEREAS both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

NOW THEREFORE,

In consideration of the foregoing premises and the covenants and obligations set forth in this MoU, the parties hereby agree as follows

### ROLES AND RESPONSIBILITIES:

#### COLLEGE:

1. COLLEGE has B.TECH students of *mechanical* engineering stream in their campus and wishes to impart software knowledge to their students, they shall announce PT as their preferred software skill provider.
2. College shall arrange the communication with faculty and also schedule seminars and skill development programs to students in their campus.
3. College will provide the infrastructure required (like computer systems, projectors, electricity etc.) in computer labs at its campus for the purpose of software trainings.

4. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and PT.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

## PRISMATIC TECHNOLOGIES (PT):

1. The PT shall plan the skill modules in consultation with the college.
2. The PT shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The PT shall register students for the skill modules and upload their names and details on their web portal.
4. The PT will be entitled to the fees as mutually decided by the college and PT for the course being conducted by the PT.
5. The PT will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The PT will provide practice sessions based upon the ongoing consultancy projects undertaken by the PT with the objective to provide better understanding of the concepts.
7. The PT will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. PT will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be provided additional software training (as per requirement) undertaken by PT to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 20 students to register for the in-house training with the PT. PT may offer multiple tracks (Solidworks / CREO / UG NXCAD / CATIA / ANSYS) for training, subject to the registration of approximately 10 students in each track.

**PERIOD:** This MoU is for a period of 1 year starting from 16/1/2018 to 15/1/2019. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

## FINANCIAL COMMITMENT:

1. The college will have the right to collect fees from the students for the duration of the course in campus. The fees will be mutually agreed by the college and PT.

2. Out of total fees collected per student, 30% will be retained by the college to meet infrastructural requirements regarding in-house training and 70% will be paid to PT.
3. Whenever applicable, service charges or any other Govt. levy will be charged extra, however at present no taxes are charged.

## NOTICES:

1. Both the parties have the right to terminate this MoU anytime by serving a prior notice of 2 months.
2. Notices shall be in writing and shall be deemed to have been received if delivered in person, on the same day, if sent by facsimile (followed by mailing of the original), 24 hours after transmission.

BY AND BETWEEN

*Synergie Institute of Training and Development (SITD) (Division of Nipunn Engineering)* having its office at C-127, Third Floor, Phase VIII, Industrial Area, Mohali. SITD provides services in detailed design and engineering, research and development and consultant. SITD delivers trainings and workshops on wide range of engineering topics and softwares to certify the skills with standardized material.

**BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE** having its registered college at Fatehgarh Sahib, Punjab-140407, approved by A.I.C.T.E, New Delhi, Ministry of H.R.D Govt. of India and is affiliated to Maharaja Ranjit Singh State Technical University, Bhatinda (which expression, unless it be repugnant to the context or meaning there of shall be deemed to mean and include there executors, administrators and assigns), (here in after referred to as College), party of SECOND PART.

WHEREAS both the parties strive towards promoting and spawning software skills knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

NOW THEREFORE,

In consideration of the foregoing premises and the covenants and obligations set forth in this MOU, the parties hereby agree as follows

### **ROLES AND RESPONSIBILITIES:**

#### **COLLEGE:**

1. COLLEGE has B.TECH students of *Mechanical Engineering Stream* in their campus and wishes to impart software knowledge to their students, they shall announce SITD as their preferred software skill provider.
2. College shall arrange the communication with faculty and also schedule seminars and skill development programs to students in their campus.
3. College will provide the infrastructure required (like computer systems, projectors, electricity etc.) in computer labs at its campus for the purpose of software trainings.
4. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and SITD.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

*[Signature]*  
Professor & Head  
Deptt. of Mechanical Engg.

SITU:

**PERIOD:** This MoU is for a period of 1 year starting from 8<sup>th</sup> June, 2017 to 7<sup>th</sup> June, 2018. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

1. The college will have the right to collect fees from the students for the duration of the course in campus. The fees will be mutually agreed by the college and SITD.
2. Out of total fees collected per student, 30% will be retained by the college to meet infrastructural requirements regarding in-house training and 70% will be paid to SITD.
3. Whenever applicable, service charges or any other Govt. levy will be charged extra, however at present no taxes are charged.

**NOTICES:**

2. Notices shall be in writing and shall be deemed to have been received if delivered in person, on the same day, if sent by facsimile (followed by mailing of the original), 24 hours after transmission.
3. However, both parties will ensure that a batch in progress will have to be completed at present terms.

In witness where of the parties to this MoU have set their respective hands on the date, month and year first above written.

RBSEEC

Ref. No. RBSEEC/Mech/374

SITD:

Date: 8/6/17

1. The SITD shall plan the skill modules in consultation with the college.
2. The SITD shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The SITD shall register students for the skill modules and upload their names and details on their web portal.
4. The SITD will be entitled to the fees as mutually decided by the college and SITD for the course being conducted by the SITD.
5. The SITD will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The SITD will provide practice sessions based upon the ongoing consultancy projects undertaken by the SITD with the objective to provide better understanding of the concepts.
7. The SITD will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. SITD will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be provided additional software training (as per requirement) undertaken by SITD to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 20 students to register for the in-house training with the SITD. SITD may offer multiple tracks (Solidworks / Inventor) for training, subject to the registration of approximately 10 students in each track.

**PERIOD:** This MoU is for a period of 1 year starting from 8<sup>th</sup> June, 2017 to 7<sup>th</sup> June, 2018. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

## FINANCIAL COMMITMENT:

1. The college will have the right to collect fees from the students for the duration of the course in campus. The fees will be mutually agreed by the college and SITD.
2. Out of total fees collected per student, 30% will be retained by the college to meet infrastructural requirements regarding in-house training and 70% will be paid to SITD.
3. Whenever applicable, service charges or any other Govt. levy will be charged extra, however at present no taxes are charged.

## NOTICES:

1. Both the parties have the right to terminate this MoU anytime by serving a prior notice of 2 months.

## MOU/Agreement

### Centre of Excellence-ZORO Star LED Lights (SLEDON)

Party 1: ZORO Star LED Lights (SLEDON), Ludhiana /Ambala

Party 2: BBSBEC, FGS

The primary objective of this MOU will be to help the economic weaker students. And to give practical technical learning support in the field of LED lighting.

Tasks/Objectives to be covered: Training as well as assembly/manufacturing of the LED lights and Mountings

Sr. No.	Product	Application/Utilisation
1.	24-30 Watt Industrial Bulb	Industry and Commercial Sites
2.	18 -24 watt tube Light	All purposes
3.	LED Mounting	All purposes
4.	Indoor LED Lighting	All purposes

### Raw Material and Equipment/Machinery Required:

All raw materials and equipment/tools will be provided by ZORO Stars LED lights as per the requirement.

### Phase: I

In first phase the Assembly line for 24 - 30 watt industrial bulb will be started

# BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE

Incentives will be given on the basis of production as well as on sale

Sr. No.	Product	Incentive in Rs.	
		Assembly/Production/Piece	Sale/Piece
1.	24-30 Watt Industrial Bulb	20	75
2.	18-24 watt tube Light	20	75
3.	LED panel lights 3W, 6W, 12W	15	20, 30, 50
3.	LED Mounting	All purposes	

20% of the total revenue generated will be given to the BBSBEC out of which 10 % will be distributed to the staff of BBSBEC involved and other 10 % as charges of providing facilities and infrastructure.

E-commerce website will also be operated by Centre of Excellence-ZORO Star LED Lights at BBSBEC and the profit will be shared by both of parties. The final percentage regarding the share of profit will be decided once it is fully operated.

Once the production/function will start more products to assembly line will be added.

Commercial terms and conditions:

BBSBEC can't manufacturer these products of its own.  
All sale will be done under ZORO Stars LED lights.

Other than the above 2 products, ZORO Stars LED lights is dealing with other 18 products. Sale incentive of 15% will also be given to BBSBEC on sale of other products.

This MoU is for a period of 1 year starting from 1<sup>st</sup> April, 2017 to 31<sup>st</sup> March, 2018. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

## Note in continuation with Annexure-B

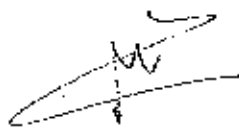

### LED lights assembly/manufacturing:

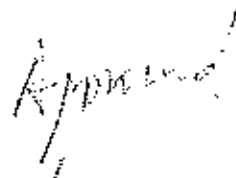

Financial weaker as well as other interested students are doing training on learn-while-earn based model

1. The training charges of financial weaker students were paid by the company itself from their earnings. This include the total of Rs.4000 ( Rs. 500/ student) Sr. no. 1 to 8
2. The training charges of each General Category and Six month training students is Rs. 3000. Total amount is 15000. This amount is paid by the student in cash (Gen. Category Sr. No. 1 to 4 and Six month training Sr no. 1)
3. Group of three students of General Category namely Ranteg Singh, Ramanjot Singh and Prabhmeet Singh left the training in between. Their training charges of that period were paid by the company itself from their earnings i.e., total of Rs. 1878 (Rs.626/student)

The total amount as mentioned above in Sr. No. 1 and 3 i.e., Rs. 5878 (4000+1878) will be paid by cheque from the company.

The training charges Rs. 15000 as mentioned in Sr. no. 2 will be deposited in cash.

  
Dr. C. S. Bhat

## Entrepreneurship Cell-EED

### LED lights assembly/manufacturing:

Under the signed MOU with ZORO Star LED Light (SLEDON) Entrepreneurship Centre have been established in BBSBEC. Institute is getting direct and indirect benefits as below:

- Students are getting training which will ultimately enhance their professional and technical skills and at the end they will be capable to face technical rounds during placement drives
- It has always been complemented by the teams from national as well as from international level during their visit in the institute. By the goodwill of the same the department of EED has got the affiliation of two nos. of diploma courses from Sheridan College Canada in the field of
  - Electromechanical Engineering Technician/Technology
  - Advanced diploma -3years and diploma -02 years
- Financial weaker as well as other interested students are doing training on learn-while-earn based model
  - Under this students has to get training of 80 hrs
  - For 80 hrs training financial weaker students will be charged Rs. 500 which will be deducted from their earning
  - Other students has to pay Rs. 3000 for training of 80 hrs ,which they have to pay in advance/or will be deducted from their earning
  - Till time institute and students have done the work as in (Annexure-A)
  - Students and institute got financial benefit as per (Annexure-B)
- Entrepreneurship Centre is providing the LED lights to the institute on discounted price and free maintenance up to 3 years/up to the time their manufacturing cell will be in the college
  - Indirectly institute got financial benefit as per (Annexure-C)

## MEMORANDUM OF UNDERSTANDING

This MOU, made at CHANDIGARH, effective this 16<sup>th</sup> day of March, 2017 is entered into

### BY AND BETWEEN

**CADD CENTRE TRAINING SERVICES PVT. LTD.**, having its office at NO. 91, Dr. Radhakrishnan Sahai, Gee Gee Crystal, 8<sup>th</sup> Floor, office no. 8C and 8D, Mylapore, Chennai - 600004 (hereinafter referred as "CADD CENTRE", for the sake of brevity) and represented by its Vice President, Mr. N. Subramanian (which expression shall mean and include its successors in office and assigns) (hereinafter referred to as the "Skill Knowledge Provider or SKP in short), party of the FIRST PART, CADD CENTRE will be represented by CADD CENTRE CHANDIGARH owned by Mr. PMAAN SINGH MANN, bearing the address SCO 198-200, Top Floor, sector 34 CHANDIGARH will be taking care of the entire activities in the College.

### AND

**BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE** having its registered college at Fatehgarh Sahib, Punjab 140407, approved by A.I.C.T.E., New Delhi, Ministry of I.E.R.D Govt. of India and is affiliated to Maharaja Ranjit Singh Punjab Technical University, Bathinda (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include their executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART.

WHEREAS both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

### NOW THEREFORE,

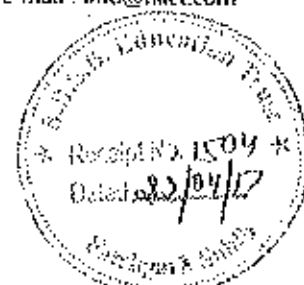

In consideration of the foregoing premises and the covenants and obligations set forth in this MoU, the parties hereby agree as follows

### ROLES AND RESPONSIBILITIES:

#### COLLEGE:

1. COLLEGE has B.TECH students of civil engineering stream in their campus and wishes to impart software knowledge to their students, they shall announce SKP as their preferred software skill provider.
2. College shall arrange the communication with faculty and also schedule seminars and skill development programs to students in their campus.
3. College will provide the infrastructure required (like computer systems, projectors, electricity etc.) in computer labs at its campus for the purpose of software trainings.
4. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and SKP.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

*P. Man Singh*  
Secretary,  
B.A.B.S. Education Trust,  
Fatehgarh Sahib.

## SKP:

1. The SKP shall plan the skill modules in consultation with the college.
2. The SKP shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The SKP shall register students for the skill modules and upload their names and details on their web portal.
4. The SKP will be entitled to the fees as mutually decided by the college and SKP for the course being conducted by the SKP.
5. The SKP will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The SKP will provide practice sessions based upon the ongoing consultancy projects undertaken by the SKP with the objective to provide better understanding of the concepts.
7. The SKP will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. SKP will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be involved in real time projects undertaken by DLIIDE engineering services (a sister concern of CADD center, sector 34, Chandigarh) to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 30 students to register for the in house training with the SKP. SKP may offer multiple tracks for training, subject to the registration of approximately 10 students in each track.

## Rate Chart:

STI/MOU/2016-17

## MEMORANDUM OF UNDERSTANDING

This MOU, made at FATEHGARH Sahib, effective this 6<sup>th</sup> day of January, 2017 is entered into

### BY AND BETWEEN

Shubham Technical Institute (STI) is the upcoming name in technical training sector. It is a subsidiary of ETE Electrogears Pvt. Ltd. Derabassi. A name among the industrial leader in LT/HT power control panel and other electrical systems for the past thirty years. STI is an organization of technical training / skill development with all modern facilities functioning at Zirakpur since 2014.

### AND

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE having its registered college at Fatehgarh Sahib, Punjab-140407, approved by A.I.C.T.E, New Delhi, Ministry of H.R.D Govt. of India and is affiliated to Maharaja Ranjit Singh State Technical University, Bhatinda (which expression, unless it be repugnant to the context or meaning thereof, shall be deemed to mean and include there executors, administrators and assigns), (hereinafter referred to as College), party of SECOND PART.

WHEREAS both the parties strive towards promoting and spawning software skill knowledge in engineering students of the college to make them globally competitive and came together to voluntarily support to fulfill the mission and with assigned individual roles and responsibilities.

NOW THEREFORE,

In consideration of the foregoing premises and the covenants and obligations set forth in this MoU, the parties hereby agree as follows

### ROLES AND RESPONSIBILITIES:

#### COLLEGE:

1. COLLEGE has B.TECH students of *mechanical* engineering stream in their campus and wishes to impart software knowledge to their students, they shall announce STI as their preferred software skill provider.
2. College shall arrange the communication with faculty and also schedule seminars and skill development programs to students in their campus.
3. College will provide the infrastructure required (like computer systems, projectors, electricity etc.) in computer labs at its campus for the purpose of software trainings.

*[Signature]*

# Shubham Technical Institute

4. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and STI.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

## STI:

1. The STI shall plan the skill modules in consultation with the college.
2. The STI shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The STI shall register students for the skill modules and upload their names and details on their web portal.
4. The STI will be entitled to the fees as mutually decided by the college and STI for the course being conducted by the STI.
5. The STI will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The STI will provide practice sessions based upon the ongoing consultancy projects undertaken by the STI with the objective to provide better understanding of the concepts.
7. The STI will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. STI will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be provided additional software training/industrial training (as per requirement) undertaken by STI to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 20 students to register for the in-house training with the STI. STI may offer multiple tracks (Solidworks / CATIA/CNC TRAINING) for training, subject to the registration of approximately 10 students in each track.

**PERIOD:** This MoU is for a period of 1 year starting from 06-01-2017 to 05-01-2018. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

## FINANCIAL COMMITMENT:

The college will have the right to collect fees from the students for the duration of the course in campus. The fees will be mutually agreed by the college and STI.

8. FCS will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be provided additional software training (as per requirement) undertaken by FCS to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 20 students to register for the in-house training with the FCS. FCS may offer multiple tracks (Solidworks / CREO / UG NXCAD) for training, subject to the registration of approximately 10 students in each track.

**PERIOD:** This MoU is for a period of 1 year starting from 4<sup>th</sup> January, 2017 to 3<sup>rd</sup> January, 2018. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

## FINANCIAL COMMITMENT:

1. The college will have the right to collect fees from the students for the duration of the course in campus. The fees will be mutually agreed by the college and FCS.
2. Out of total fees collected per student, 30% will be retained by the college to meet infrastructural requirements regarding in-house training and 70% will be paid to FCS.

### Annexure – 1

Now First Party launching several training programs for engineering students of CSE, IT, MCA, ECE, EEE, ME, CE, MBA to develop the student's technical as well as soft skills to make them employable for MNCs. We place them in different MNCs according to their key skills. The training programs are as follows

**Industrial Training:-** First Party a leading IT as well as consultancy company is launching a industrial training program for all engineering students of respective states such as Punjab and Haryana & Himachal for the duration of 6 Month, 6 Week and 4 Weeks according to the training schedule of the University. We provide placement assistance to all candidates and specially assured placement to deserving candidates.

**Pre and Post Training Placement Assistance:-** First party is providing Pre training jobs to all the candidate participate in our training program and 100% Placement Assistance to all participate candidates.

**Placement Assistance:-** First Party Provide Manpower to several companies so we always looking for skilled manpower or provide them training on specific skill set according to our clients requirement and place them in particular companies. We also have running requirements in our organization time to time. We always find best candidates for our company as well. We provide training on soft skills to crack the interview session. Launching new program "Earn While Learn"

**Especial Batches:-** First Party is the only company who step-up for working professionals and College going students for the duration of 6 Month and 1 Year. According to the busy schedule of working professionals can't able to manage time for any kind of training. Same with engineering students can't able to manage time during their day to day assignment of the colleges. So First Party took step to launch new batches for "early morning and Evening batches" to learn technologies parallel to their day today work schedules. We have a special training program for 1st year of engineering students to make them employable. "Early Start Early Place"

#### **Note**

- \* If any of 1st to 4th Semester student enrolled in 6 Month session. They will get 6 Week Industrial training free from First Party.
- \* If any of 1st to 4th Semester student enrolled in 1year program. They will get the 6 Week and 6 Month training free from First Party.

**In-House Training Program & Centre of Excellence:-** First Party deals with in-house training program and can arrange a Center of Excellence according to the requirement of the college management. First Party especially designed day to day lecture on daily basis for 1st year students to learn technology conveniently on the program of Centre of Excellence. This program can make the students employable for MNCs and brightened the future of students.

**Special Lecture by IT Gurus from all over the Globe:-** First party is also provide special guest lecture from IT Gurus located in all over the Globe.

**Free and Paid Workshop :-** First Party deals with the Paid and Free workshop for the college ON CAMPUS as well as OF CAMPUS at the First Party premises according to the requirement of the college management.

**Projects Assistance:-** First Party can arrange a Project Assistance for the students for Minor as well as Major Projects for the trade of IT, CSE, MCA, ECE, EEE, ME, CE, MBA according to the availability of the projects

**Note:-** Project cost will be extra.

## MOU/Agreement

### Centre of Excellence-ZORO Star LED Lights (SLEDON)

Party 1: ZORO Star LED Lights (SLEDON), Ludhiana /Ambala

Party 2: BBSBEC, FGS

The primary objective of this MOU will be to help the economic weaker students. And to give practical technical learning support in the field of LED lighting.

Tasks/Objectives to be covered: Training as well as assembly/manufacturing of the LED lights and Mountings

Sr. No.	Product	Application/Utilisation
1.	24-30 Watt Industrial Bulb	Industry and Commercial Sites
2.	18-24 watt tube Light	All purposes
3.	LED Mounting	All purposes
4.	Indoor LED Lighting	All purposes

### Raw Material and Equipment/Machinery Required:

All raw materials and equipment/tools will be provided by ZORO Stars LED lights as per the requirement.

### Phase: I

In first phase the Assembly line for 24 - 30 watt industrial bulb will be started

# BABA RANDA SINGH BAHADUR ENGINEERING COLLEGE

Approved by AICTE, Govt. of Punjab, Affiliated to MBSSTU

### ROLES AND RESPONSIBILITIES:

#### COLLEGE:

1. COLLEGE has B.TECH students of civil engineering stream in their campus and wishes to impart software knowledge to their students, they shall announce SKP as there preferred software skill provider.

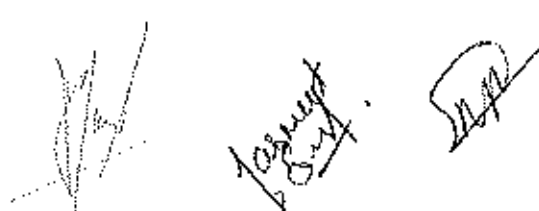

2. College shall arrange the communication with faculty and also schedule seminars and skill development programs to students in their campus.
3. College will provide the infrastructure required (like computer systems, projectors, electricity etc.) in computer labs at its campus for the purpose of software trainings.
4. The college will have the right to collect fees from the students for the duration of courses in campus. The fees will be mutually agreed by the college and SKP.
5. College must support to ensure, all students who have signed up for the class, attend the training programs scheduled for them.

### **SKP:**

1. The SKP shall plan the skill modules in consultation with the college.
2. The SKP shall announce and inform through its own, the schedule of the skill modules it plans to offer in the academic year concerned for the information of the prospective students and it shall accept the students as admitted by the college for skill training.
3. The SKP shall register students for the skill modules and upload their names and details on their web portal.
4. The SKP will be entitled to the fees as mutually decided by the college and SKP for the course being conducted by the SKP.
5. The SKP will conduct appropriate training sessions with best available resource persons for the vocational/skill portion of the vocational education programs so as to complete the vocational/skill portion within the given period/semester.
6. The SKP will provide practice sessions based upon the ongoing consultancy projects undertaken by the SKP with the objective to provide better understanding of the concepts.
7. The SKP will also arrange a visit to the project site during the period of the training, but the cost of transportation will be borne by the institute.
8. SKP will provide 100% placement assistance and guarantee to appear in the interview in reputed companies for minimum five students. In case students fail to crack the interview, they will be involved in real time projects undertaken by DEINDE engineering services (a sister concern of CADD center, sector 34, Chandigarh) to enhance their software and employability skills at no extra cost.
9. College will ensure maximum students by motivation and awareness with a minimum target of about 30 students to register for the in-house training with the SKP. SKP may offer multiple tracks for training, subject to the registration of approximately 10 students in each track.

### **PERIOD:**

This MoU is for a period of 1 year starting from 1<sup>st</sup> April, 2016 to 31<sup>st</sup> March, 2017. Renewal thereafter will be on mutual consent basis at same or different set of conditions.

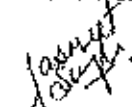

**NOTICES:**

1. Both the parties have the right to terminate this MoU anytime by serving a prior notice of 2 months.
2. Notices shall be in writing and shall be deemed to have been received if delivered in person, on the same day, if sent by facsimile( followed by mailing of the original), 24 hours after transmission.
3. However, both parties will ensure that a batch in progress will have to be completed at present terms.

In witness whereof the parties to this MoU have set their respective hands on the date, month and year first above written.

Memorandum of understanding (MOU)

Agreement between

EESPL (Eureka ElectroSoft Solutions Pvt. Ltd)

And

(Baba Banda Singh Bahadur Engineering College)

(Fatehgarh Sahib, 140407 Punjab)

This Memorandum of understanding (MOU) made between Eureka ElectroSoft Solutions Pvt. Ltd (hereinafter referred to as "EESPL") and Baba Banda Singh Bahadur Engineering College (hereinafter referred to as "BBSBEC - Fatehgarh Sahib"), each a "Party" and collectively the "Parties". The provisions of this MOU shall apply to discussions, working papers, proposal documents, and subsequent contracts awarded in cooperation with EESPL, Mohali & BBSBEC, Fatehgarh Sahib and the duration of this MOU will be for three years initially, which can further be extended as per mutual consent by both the parties.

## WITNESSETH

WHEREAS, EESPL Mohali a leading Electronic company in the business of providing R & D, Electronic product design and technical trainings since 1999, for embedded and wireless devices consultancy for various educational institution and industrial customer segments.

WHEREAS, BBSBEC, Fatehgarh Sahib, Punjab, India was established in 1991 by the Baba Banda Singh Bahadur Educational Trust formed under the patronage of Shri Chand Gurdwara Parbandhak Committee with the approval of the Government of Punjab. The college is approved by AICTE, New Delhi, and the Ministry of H.R.D., Government of India and is affiliated to Punjab Technical University, Jalandhar and now recent batches with Maharaja Ranjit Singh Punjab Technical University, Bathinda.

# BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE

Approved by AICTE, Govt. of Punjab, Affiliated to P.T.U.

(Courses Accredited by NEA (AICTE) and IE(I))

Ref. No. BBSBEC/DA/Reg./BLL/EE/296

Date: 24/02/2016

NOW, THEREFORE, in consideration of the premises & promises here in contained, it is mutually agreed as follows:

## Objectives of the MOU for Faculty Development Programs at BBSBEC, Fatehgarh Sahib

- 1) Technical and Training Support offer to BBSBEC, Fatehgarh Sahib on Technical courses inside the BBSBEC campus, or at ESPE (whichever suits better after mutual discussions) and depending upon the part of course followed by Technical manpower.
- 2) Technical transfer and knowledge Up Gradation on new technology products to BBSBEC, FGS faculty and Technical Trainees.
- 3) Setting up of Faculty lab for PhD/ M.T. Courses Trainees get to work on Five-Projects, Ideas, and Knowledge Sharing Platform inside the premises of BBSBEC, Fatehgarh Sahib Campus.
- 4) Imparting Consultancy to various sectors of Industry in carrying out Projects, Product or Technology Trainings, for various other Govt / private parties i.e. industrial sponsored projects.
- 5) And any other tasks like faculty up gradation and projects can be taken care with joint mutual working.
- 6) Duration of the MOU initially is for four years and the same can be revised by the joint consent of both the parties.

## Responsibility of BBSBEC

1. Provision of an AC room of adequate size with necessary electrical fittings and other suitable infrastructure.
2. Equipment like Computer laboratories, CRO, Function Generator, Multimeters, and Consumable etc required for the smoothly running of research projects & training programs.
3. Provision of Basic Equipments/Machinery as and when required.
4. Provision of Hostel/Mess facilities for Joint Training Programs for outside participants.
5. Provision of Internet.
6. Provision of stay and food for training faculty of ESPE trainers in case of continuous training programmes.
7. Cost and Safeguard of Technical Equipment to and fro cost to use in campus.

# BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE

## Responsibilities of EESPI Eureka Electro Soft Solutions Pvt. Ltd

1. EESPI will provide at minimum two Specialized/Trained Engineers who will conduct Technical Programs
2. EESPI will assist the BBSBEC in finalizing the technology training curriculum.
3. Responsible for arranging specialized training equipment required to impart the same.
4. Responsible for providing assistance in Technical Teaching/Training & Research Projects.
5. EESPI will provide Industrial Certificates to all the participants.
6. To find out & propose training programs related to latest technical domains, other than the normal curriculum

## Joint Responsibility Eureka Electro Soft Solutions Pvt. Ltd and BBSBEC

1. Monitoring and quality control of the programs jointly
2. Design of the course content and schedule.
3. To mutually discuss, design, develop & deploy industrial projects

BOTH PARTIES ACKNOWLEDGE THAT THEY HAVE READ THIS AGREEMENT, UNDERSTOOD IT, AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS

# MEMORANDUM OF UNDERSTANDING

## BETWEEN

Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib

AND

Sam's Techno School  
D-123, Industrial Area Phase II,  
MOHALI - 160066.

This agreement made and entered into on this 30 day of November between Baba Banda Singh Bahadur Engineering college, (hereinafter called BBSBEC) situated at Fatehgarh Sahib, Punjab 147407, an Institute of repute established by the Shirmari Gurdwara Parbandhak Committee in the year 1993 and \_\_\_\_\_ (hereinafter called "COMPANY" which expression shall include its successors and permitted assignees) with its registered office at \_\_\_\_\_.

### 1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- to promote interaction between BBSBEC and Sam's Techno School in mutually beneficial areas.
- to provide a formal basis for initiating interaction between BBSBEC and COMPANY.

### 2. PROPOSED MODES OF COLLABORATION

BBSBEC and COMPANY propose to collaborate through

- sponsoring student projects / fellowships to M Tech and B Tech students.
- sponsoring eligible employees of company for doing M.Tech./Ph.D. degrees in BBSBEC. The eligibility criteria for selection will be as per norms of BBSBEC.
- Sponsoring R&D projects, which may be carried out wholly at BBSBEC or at premises of company or partly at BBSBEC and partly at COMPANY?
- training of company personnel in mutually decided skills to be conducted by BBSBEC in areas of interest to COMPANY.
- any other appropriate mode of interaction agreed upon between BBSBEC and COMPANY.

Each of the above modes of interaction will be initiated by entering into a separate agreement between the two parties.

### 3. FORMS OF RESEARCH AND DEVELOPMENT PROGRAMS

The form of any of the said Research and Development Program (hereinafter referred to as "Research Program") will be subject to a separate Research Agreement entered into by the Parties but may also include the following:

- In their own existing facilities - The performance of research individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- In a separate research and development facility - The performance of research by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party.

- c. Third parties - The performance of research by the Parties together with one or more third parties.

#### 4. TECHNICAL AREAS OF COLLABORATION

The principal technical areas of collaboration between BBSBEC and COMPANY will be worked out jointly.

#### 5. AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

- a. the nature, scope and schedule of the research collaboration.
- b. the form of the research collaboration.
- c. the estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. the treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.
- e. other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

#### 6. CONFIDENTIALITY

- a. During and for a period of three years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
  - \* is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
  - \* is already known or become known to the receiving party
  - \* is received from a third party having no obligations of confidentiality to the disclosing party,
  - \* is independently developed by the receiving party; or
  - \* is required to be disclosed by law or court order.

#### 7. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

#### 8. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire \_\_\_\_ years after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

#### 9. RELATIONSHIP

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.

#### 10. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

#### 11. COSTS OF THE MOU

Each Party shall bear the respective costs of carrying out the obligations under this MOU.

#### 12. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.
