FEEDBACK PROCESS OF THE INSTITUTE FOR CURRICULUM ASPECT

BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE, FATEHGARH SAHIB

Summary of the curriculum related feedback received from various stakeholders has been analyzed. The following recommendations/suggestions in light of the feedback are given as:

Academic year: 2022-23

Date: 08-06-2023

Based on the curriculum related feedback, received from various stakeholders, the departments have identified the need to organize special workshops/seminars/expert talks to supplement the curriculum.

- a. The Applied Sciences Department has proposed to organize Mathematics Day. In addition, to motivate the students various competitions, expert lectures, workshops and seminars may be arranged.
- b. The Computer Science Engineering Department has proposed that the students must be given exposure to different tools and modern softwares that are used in software development. Expert lectures/ talks should be conducted to aware the students with software industry standards.
- c. The Department of Civil Engineering has proposed to have field visits at various engineering sites. To enhance the technical skills of the students, department has also suggested to arrange webinars on latest softwares.
- d. The Department of Electronics & Communication Engineering has proposed to organize workshops and expert talks on emerging technologies to enhance the technical skills of the students. In addition, industrial visits may also be arranged to give them exposure to the industrial environment.
- e. The Electrical Engineering Department has proposed to organize various technical/non-technical events to enrich the knowledge of the students. Industrial visits may also be planned to inform them about the recent advancements in the field of Power Systems: Generation, Transmission and Distribution.
- f. The Department of Mechanical Engineering proposed to organize technical lectures on significant mechanical engineering topics in order to improve the understanding of students in their main branch. The department may also conduct webinars on Intellectual Property Rights (IPR) and Social Media Platforms. A few industrial visits may also be planned.
- g. The Department of Management Studies has suggested industry expert talk and alumni lectures. Along with that aptitude quiz and additional courses may also be included to enhance skills of the students.
- h. The Agriculture Engineering Department has suggested to visit various industries (like milk plants, poultry farm, mushroom cultivation unit) and other higher education institutions to explore about recent advances in technologies to manage waste materials and their processing. The department may also plan some seminars, workshops and expert talks in various fields under agriculture engineering, so that the knowledge of students can be enhanced.
- i. In the Alumni feedback analysis, it was observed that the emphasis should be put on enhancing the communication skills, personality development and technical skills of the students. In order to meet the above purpose, the Alumni cell and the respective department heads have suggested to arrange lectures on communication skills and personality development for the students. Technical events at the department level will also be organized.
- j. In the employer feedback analysis, it has been noted that consistent efforts should be made on student's professional grooming with distinctive prominence on enhanced institute-industry role and students' managerial & communication skills. It has also been noted that interdisciplinary subjects should positively be promoted as inter-departmental elective subjects for inclusive learning and in line with corporate/industry requirements. In order to meet the above purpose, the Training & Placement cell has suggested continuation of personality development classes and focused implementation of interdisciplinary subjects, in collaboration with academic departments.

The suggestions have been found to be suitable and discussed in higher forum/IQAC meeting and forwarded to BOG.

CIVIL ENGINEERING DEPARTMENT ACTIVITIES

CE (Btech)

Sr.No	Feedback	Committee/Club	Action Taken
1	To update faculty with latest software to uplift technical abilities	CE department in collaboration with Innovative System channel partner Bentley	A three-day Faculty Development Programme on 'Civil Engineering Software' was organized by the Department of Civil Engineering, Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib, from 21st to 23rd December 2021
2	To celebrate the some of the main national holidays at department level and conduct different activities relate to these days.	Organised by civil engineering department.	Civil engineering Department organized one day celebration activity "Aatmanirbhar Bharat & Celebrating 75 Years of Independence - Azadi Ka Amrit Mahotsav"
3	To conduct a expert lecture related to advanced technologies in construction field.	Organised by civil engineering department.	Seminar conducted under Impact Lecture Scheme on June 21, 2022

Various activities organized during Academic Session in Civil Engineering Department

1. Software Winter Workshop on 22-23 Nov 2022: by Department of Civil Engineering and College Innovation Council (BBSBEC IC) on 21/11/2022, 22/11/2022 & 23/11/2022 at Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib. Prof. Guljit Singh, "Head of the department", welcomes the speakers of the North Western Innovators, "Mr. Tanveer Singh", "Ms. Shalini" and "Mr. Rishabh", faculty/staff members, and the participating students who participated in the workshop. Mr. Tanveer Singh and his team shared the importance of drafting and designing software in the current era of time by sharing their skills and personal experience in this field. A three-day workshop included three extensive sessions. In the first two sessions, speakers introduced the participants to drafting and designing software and the last session is the software practice session. More than 50 "B-tech civil engineering students" participated in the workshop. The workshop Coordinator "Prof. Rakhinder Singh" thanked the speaker, all the organizers, and the participants of the workshop. The honorable Principal "Dr. Lakhvir Singh" Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib, congratulates, appreciates, and compliments the Civil Engineering Department for effectively conducting an Innovative software workshop and also encourages the students for their active participation in these kinds of workshops in the future also.

2. Aatmanirbhar Bharat & Celebrating 75 Years of Independence “Azadi Ka Amrit Mahotsav”: Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements. To commemorate this occasion, Civil Engineering Department of Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib organized one day celebration activity “Aatmanirbhar Bharat & Celebrating 75 Years of Independence – Azadi Ka Amrit Mahotsav” under the Impact scheme initiated by the Ministry of Education Innovation Cell. To encourage students to celebrate the spirit of freedom struggle on the theme of India’s efforts for fostering innovation the various activities like Poster Competitions, Songs Slogan, Essay Writings was focused on.

3. Online Webinar on “Relevance of the entrepreneurship in career growth” on 29 August 2022: Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib organized an online webinar under the Impact lecture scheme initiated by the Ministry of Education Innovation Cell, AICTE. The event was jointly done by BBSBEC-IIC and Alumni Cell in Civil Engineering department was organized on 29th August, 2022. Webinar on “Relevance of the entrepreneurship in career growth” was organized and speaker of the day Mr. Barjinder Singh Johal (Engineering Manager, CONGRUEX ASSIAN PACIFIC LLP).

Mr. Barjinder Singh Johal shared the importance of entrepreneurship in current era of time by sharing his personal experience of the field, how to advance your personal growth and individual qualities for better goal setting and future prospects. Resource person clarified all the doubts and concerns of the students in vary diligent manner.

More than 30 Civil Engineering students participated in the webinar. Honorable Principal Dr.Lakhvir Singh congratulated the organizing team. He also appreciated the content of expert lecture and motivated the students to gain practical knowledge along with the theoretical.Prof.Manpreet Kaur, (Institute IIC start-up Coordinator) BBSBEC-IIC, thanked the expert speaker and Institutions Innovation Council, MoE's Innovation Cell, for their support and funding for the event. The college innovation council team assured that they will always put their best foot forward to make the future events, a success.

4.Seminar conducted under Impact Lecture Scheme on June 21, 2022:Baba Banda Singh Bahadur Engineering College, Fatehgrah Sahib organized the expert talk under the Impact lecture scheme initiated by the Ministry of Education Innovation Cell, AICTE. The event was jointly done by BBSBEC-IIC and IEI ,India in civil engineering department was organized on 21th June, 2022 in North Block R-9. Students of first, second, third and final year B.Tech. Civil Engg., attended the lecture.The speaker of the day Er. Karnail Singh is Retd. Senior Manager of NFL, India. Presently he is providing consultancy in the field of construction, retrofitting of buildings and high-rise buildings. He is holding number of projects under his private firm in construction. The topic of lecture was “Best entrepreneurship ideas for civil engineers”. The lecture was based on providing basic knowledge of construction practices in field to undergraduate students. The expert guided the students about the general test procedures for checking quality of material on site as well as during purchase. The drawings provided by speaker showed the general mistakes that happen in laying and providing steel reinforcement in major projects. The students showed keen interest in live videos from various sites and raised queries about their doubts. Honorable Principal Dr. Lakhvir Singh congratulated the organizing team . He also appreciated the content of expert lecture and motivated the students to gain practical knowledge along with the theoretical. The guest was honoured by memento by our respected HOD sir along with coordinator IIC Prof. Manpreet Kaur presence of civil engineering staff members .Prof . Manpreet Kaur, Institute IIC start-up Coordinator) BBSBEC-IIC, thanked the expert speaker and Institutions Innovation Council, MoE's Innovation Cell, for their support and funding for the event. The college innovation council team assured that they will always put their best foot forward to make the future events, a success.

1.To enhance the exposure to modern programming tools.(Workshop on "Python" on September 22, 2022):The workshop on Python and Database Connections was organised by the IEI student chapter (ECE) of BBSBEC Fatehgarh Sahib on 22nd Sep, 2022. It was conducted by Mr. MJS Dhillon Director of Infowiz. The workshop was attended by the students of ECE and Electrical Engineering. Python is a simple, general purpose, high level, and object-oriented programming language. Python is easy to learn yet powerful and versatile scripting language, which makes it attractive for Application Development. Python's syntax and dynamic typing with its interpreted nature make it an ideal language for scripting and rapid application development. The workshop successfully harnessed the enthusiasm and experience of participants and reached wide-ranging consensus.

2.To enrich the technical knowledge of students.(IIT Bombay Spoken tutorial test on November 23, 2022):The Department of Electronics & Communication Engineering conducted IIT Bombay Spoken Tutorial test for ECE students on 23rd November, 2022. The course material for the same was provided by Spoken Tutorial Project. This was an online test conducted remotely by IIT Bombay. Total 25 students registered for the test, out of which 15 students qualified it. The students who cleared their test received the certificates in their login IDs. The coordinators appreciated the students for their participation in the test. Principal Dr. Lakhvir Singh and HoD(ECE) Dr. Kiranpreet Kaur congratulated the students who scored well and motivated all the participants to focus on the co- curricular activities which will help in their skill development.

3. For competitive exam preparations. ("Aptitude Test-1" on November 24, 2022): The department of Electronics & Communication Engineering conducted the Aptitude test for the students on 24th November, 2022. The students received the Google test link in their class WhatsApp groups and submitted the test online. More than 60 students participated in the test and scored well. The results have been analyzed and shared with the students. Komal Zasman, student of 5th semester ECE achieved the first position by scoring 24 marks out of 25. The coordinators congratulated the students for appearing in the test and distributed the certificates to all the participants.

5.To enhance the exposure to emerging technology.(Two Days All India Seminar on "Emerging Trends in Engineering Design & Technology" on May 2-3, 2023):Electronics & Communication Engineering department of Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib has organized All India Seminar on “Emerging Trends in Engineering Design and Technology” on May 2-3, 2023 in association / collaboration with Punjab & Chandigarh State Centre under the Aegis of Electronics and Telecommunication Engineering Division, IEI. The main objective of this seminar was to make the people aware of the current technological advances in Engineering design and technology. This is an initiative to engage the researchers in wider discussions, share ideas with academics and researchers from other institutes, learn from their experiences, and develop strategies as per future trends.

Details of Sessions:

Session 1: The Keynote Speaker and session Chair was **Dr. Jagtar singh Sivia**, who is working as Professor and head ECE department, Yadwindra college of Engg, Talwandi sabo. He addressed the audience with his eminent speech about the design of Fractal antennas.

Session II: The Keynote Speaker and session Chair was **Dr. Rajvir Kaur**. She is working as Assistant Professor in ECE department, University college of Engg, Punjabi University, Patiala. She discussed about the importance of the Emerging technologies in today’s world.

In her Keynote address, she also discussed about the placement scenario in the various companies and told some important points to the students and participants regarding “How to get Placed” in various reputed companies and how to prepare themselves for the same.

Day 2 Session III:

The session was chaired by **Dr. Manpreet Kaur**, Dean RIC, BBSBEC Fatehgarh sahib. Total 10 papers were presented in this session by the participants. They discussed about the latest technology and trends in Engineering, Design & Technology. Session was concluded by Dr. Manpreet Kaur. She appreciated and congratulated the participants for their hard work. She also enlightens upon the importance of research in the industry and technology enhancements. She advised the students to involve themselves into the research field, present papers in seminars/conferences.

Session IV: Session was started with keynote address by session chair **Dr. Tripatjot Singh Panag**, working as Technical Project Manager at AltioStar, Bengaluru. He discussed about the 5G Technology implementation phase.

The session is preceded by the Valedictory ceremony. The Chief guest was **Dr. T. S. Kamal** and **Dr. Jagtar Singh Sivia** was the guest of honor. At the end of the session, certificates were distributed to the participants.

6.To empower the students through information and communication technology. (Celebrated the World Telecommunication & Information Society Day on May 17, 2023): Baba Banda Singh Bahadur Engineering College Fatehgarh Sahib celebrated "World Telecommunication & Information Society Day" jointly with IEI, Punjab and Chandigarh State Center on 17th May, 2023. Institute of Engineers Chandigarh hosted the event in the premises of Engineers Bhawan, Madhya Marg, sector 19-A, Chandigarh. Around 50 students and 07 faculty members of Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib attended the event. Dr. Labh Singh, Chairman IEI welcomed the gathering. The theme of the event was empowering least developed countries through information and communication technology. The students were enlightened with valuable and knowledgeable thoughts of Mr. Sandeep Diwan, Former Chief General Manager, BSNL Chandigarh; Dr. Tulika Mehta, Director Kaizen Systems, Chandigarh and Er. Tanveer Singh, Project Manager IIT Bombay. Er. Swinder Singh, Honorary Secretary (IEI) delivered the vote of thanks and appreciated the participants. Students feel immersely benefited by gaining wealth of knowledge and expertise from field experts present there.

7.To enrich the technical knowledge of students.(IIT Bombay Spoken tutorial test on Topic “Arduino” on May 18, 2023):Electronics & Communication Engineering Department of Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib conducted the IIT Bombay Spoken Tutorial Test for 4th semester students on Topic “Arduino” on 18th May, 2023. Five students have qualified the test and received their certificates in their portal. These assessments aid the students in improving their technical knowledge.

8.To enhance the exposure to recent advancements.(E-quiz on PHP on May 19, 2023):Electronics & Communication Engineering Department of Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib organized an e-quiz on PHP on 19th May, 2023 in the department. The e-quiz's primary goal was to inculcate students' interest in learning programming languages used in web development. i.e. in building creative and responsive web pages. Twenty-seven students participated in the e-quiz. All the students performed quite well. Manpreet Kaur student of 8th semester ECE branch scored maximum marks and Komal Zasman student of 6th semester ECE branch scored second highest marks. Principal Sir, Dr. Lakhvir Singh and Dr. Kiranpreet Kaur, HoD(ECE) department congratulate the winners and motivate all the participants to learn about modern tools and programming languages to make them selves fit for current industry requirements.

Winners

9. To impart IT field knowledge and skills. (Workshop on "Introduction to HTML and Simple CSS" on June 29-30, 2023): The Techno Club of the Electronics and Communication Engineering (ECE) Department at Baba Banda Singh Bahadur organized a two-day workshop on "Introduction to HTML and Simple CSS." The workshop aimed to provide participants with a basic understanding of web development using HTML tags and a small portion of CSS.

Day 1: June 29, 2023

Session 1: Introduction to HTML (9:00 am - 12:00 pm)

The workshop began with an introductory session on HTML. Participants learned about the structure and purpose of HTML tags and how to create basic elements like headings, paragraphs, links, and images. They were given practical exercises to reinforce the concepts learned.

Session 2: Basic CSS Styling (1:00 pm - 4:30 pm)

In the afternoon session, participants were introduced to basic CSS styling. They learned how to modify the appearance of HTML elements using CSS properties such as color, font, and background. The focus was on simple styling techniques, and participants practiced applying CSS to their HTML elements.

Day 2: June 30, 2023

Session 3: More HTML Elements and CSS Styling (9:00 am - 12:00 pm)

The morning session of the second day covered additional HTML elements such as lists and tables. Participants learned how to create ordered and unordered lists, as well as structure and style tables using HTML and CSS. They continued practicing CSS styling to enhance the appearance of their HTML elements.

Session 4: Advanced CSS Styling (1:00 pm - 4:30 pm)

In the final session, participants explored more advanced CSS styling techniques. They learned about CSS selectors and how to apply styling to specific elements or groups of elements. Topics like margin, padding, and text alignment were covered to refine the appearance of their web pages.

4. Technical talk organized on Permanent Magnet Technology : ISHRAE BBSBEC Student Chapter and Mechanical Engg. Deptt. organized a technical talk organized on Permanent Magnet Technology.

Date & Time -28/04/2023, 10:00 AM IST

Topic -Permanent Magnet Technology

Resource Person: Mr. Aneel Singh Duggal (President, ISHRAE Chandigarh Chapter & President – Hifreeze Pvt. Ltd., Australia)

Dr. B S Bhullar, Head of Department, congratulated the ISHRAE BBSBEC Student Chapter and Mechanical Engg. Deptt., Dr Lakhvir Singh, worthy Principal shared his views regarding the importance of such events for the academic growth and appreciated the zeal of the organizers.

5. An expert lecture organized on Modelling and Simulation of Pantograph system:An expert lecture was organized on topic: "Modelling and Simulation of Pantograph system using Matlab/Simulink" by Mech. Engg. Deptt.

Date: 24 April 2023.

Expert: Dr. Mohammad Talha, IIT Mandi.

Dr. Lakhvir Singh, Principal, BBSBEC welcomed the Guest speaker of the day, Dr. Mohammad Talha, IIT Mandi and all the participants. He introduced the distinguished speaker to the participants and gave a brief description of his research achievements. In his technical talk, Dr Mohammad Talha highlighted all the important key points of Modelling and Simulation of Pantograph system using Matlab/Simulink. Various research facilities and applications of Modelling and Simulation of Pantograph system were discussed in detail. Dr. Bhupinder Singh, HoD, Mechanical Engineering Department appreciated the efforts of faculty coordinators in organizing the webinar.

6. An industrial visit to Mongia & Co. Mfg. Div., Derabassi (Punjab): The ISHRAE student chapter, Department of Mechanical Engineering, HBSBEC organized a visit to Mongia & Co. Mfg. Div., Derabassi (Punjab) for B. Tech. (Mech. Engg.) and B. Voc. (Auto. Serv.) students on 13th April 2023.

6. Alumni Expert Lecture on “Entrepreneurship: Opportunities and Challenges”: The Department of Management Studies organized the alumni talk on “Entrepreneurship: Opportunities and Challenges” on February 10, 2023 at Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib. The eminent speaker of this seminar was Mr. Sukhwinder Singh.

The alumni talk on entrepreneurship covered a range of insights. Key challenges discussed including funding hurdles, market competition and uncertainty. Opportunities highlighted encompassed innovation, networking and adaptability in a dynamic business landscape. He also underscored the need for continuous learning and staying attuned to industry trends. The Q&A session allowed attendees to delve deeper into specific queries, fostering a more interactive and engaging atmosphere. Overall, the talk served as a comprehensive guide for navigating the complexities of entrepreneurship.

Dr. Lakhvir Singh, Principal, BBSBEC shared his views regarding the session and guided the students to improve their learning regarding various industrial trends. At the end, vote of thanks was given by Dr. Jasleen Kaur (HOD, DMS) to the eminent speaker for delivering such an informational session.

7. Expert Talk on “Nutrition Awareness Program Along with Fitness Drive” on 7 March 2023: The Department of Management Studies celebrated International Women’s Day on 7th March, 2023 at Baba Banda Singh Bahadur Engineering College, FGS. Our Guest of owner Dt. Kamal Bajwa shared her view regarding “Nutrition Awareness Program along with fitness drive for women.

Dt. Kamal Bajwa discussed about the importance of food and nutrition for women. She guided that women should consume a proper diet with adequate nutrients which is necessary to avoid long term malnutrition that leads to diseases and lack of efficiency. A proper food pyramid should be followed and all kinds of nutrients should be consumed from different sources.

She also focused on the inevitable role that nutrition plays in the life of women between the ages of 18-25 years and later unveiled the reality behind different myths regarding cholesterol. She also explained about all kind of nutrients those are essential for the human body. She concluded the session by summarizing her entire talk in a few points.

In the end Dt Kamal Bajwa was felicitated with a memento by Dr. Lakhvir Singh ,Principal of BBSBEC & staff members. The seminar ended with a vote of thanks by Dr. Jasleen kaur (HOD MBA Deptt).

8.Management Euphoria-2k23 on 12April 23: The “Time2Shine Club” of Management Department organized an event “Management Euphoria 2K23” on 12th April, 2023 at Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib. The entire programme was organised under the guidance of Event Coordinators Prof. Prabhjot Kaur & Prof. Manjit Kaur. There were four main events named Object Hunting, Logo Design, AD Selfie & Map Your Brain. There were approx. 80 participants from different departments of the college.

Most of these activities were group-oriented which helps the students get to know about people from different cultural backgrounds and interests. These healthy interactions not only enhance the students interpersonal and communication skills but also prepare them for the real world. Moreover in this event activities are designed in a way that students could focus on high degree of communication among team players, honing problem-solving skills, creativity and instilling faith among the teams. Different games required different traits from the students like team work, adaptability, planning, and mutual-trust and communication. Each task touched upon different attributes of management so these sort of events upgrade student’s capabilities to fetch good chores in corporate world.

Honorable Principal Dr. Lakhvir Singh appreciated the efforts made by the management department and student’s. He also enlightened the importance of such events in the life of students.

At the end, the legacy of Time2Shine Club was passed by former student Conveners S. Shamsher Singh & S. Manjot Singh to new elected members of the club. HOD of management department Dr. Jasleen Kaur congratulated the students for organizing such a wonderful event. Vote of thanks was given by Event Convener Prof. Prabhjot Kaur. After that prizes were distributed by all faculty members to the following winners.

B.Tech. (AE)

Sr. No	Feedback	Committee/Club	Action Plan
1	Awareness of Industrial environment.	AE department and T&P Cell	Organised an industrial visit at "Verka Dairy Plant" Bassi on 29 March 2023

1. Trip to Verka Dairy Plant on 29 March 2023: Department of Agriculture Engineering in coordination with Training & Placement Cell, Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib organized an industrial visit for Agriculture Engineering students of Batch 2020, 2021 and 2022 at Verka Milk Plant, Patiala on 29 March 2023. The students visited the whole plant and had exposure of modern-day automation in the plant. The students learnt techniques of testing the raw milk, milk pasteurization and sterilization, milk automatic packaging, curd preparation and packaging processes. The visit was very informative and the students were satisfied with the visit. They gained valuable knowledge & learnings and enjoyed the trip.

Dear All

Greetings from T&P !!

The Training & Placement cell has organized a motivational (Auditorium) session for the students joining the new academic session 2022-23 on September 07, 2022 during 11 am - 1 pm. A well renowned Life Skills Coach and a Knowledge Entrepreneur in Skills Enhancement **Ms. Manjula Sularia** enlightened the audience with her vast professional knowledge and skills. The speaker is the CEO of 'The Transformers Value Creators', a Nationally Renowned Life Skills Training Organization.

The session was aimed at "**Understanding and Overcoming the Personality Barriers for achieving Professional Excellence**". The program was conducted successfully in the college auditorium with a student strength of approx 400+. Students actively participated and interacted in the session. Glimpses of the session has been shared below:

**3. Motivational Session for achieving Goals on September 8 2022 by Dr. Sohan Singh Chandel

Dear Sir/Ma'am
Greetings of the day!

We are happy to announce the 2022-23 Future skills training program, which is the continuation of support by HDFC Bank & Friends Union for Energizing Lives (FUEL). In this Program, we are going to provide **Free Core Java & Digital Marketing Training** As well as **Assured Placement in MNCs**. This Training is for the youth from the underprivileged sector which is Free of Cost & it will increase employability.

Brief About FUEL:
The FUEL was founded by Ketan Deshpande at the age of 19 (Ashoka Fellow and Pavate Fellow to Cambridge University). FUEL (Friends Union for Energizing Lives) is a credible non-profit organization engaged in skill development, providing career counseling and assistance, scholarships, and career coaching for needy youth in India. Over the last 10 years, FUEL has impacted over 10 Lakh youth across India and East Africa. FUEL has extensively supported children of army personnel & police children. FUEL has worked on many projects in the skill development sector impacting more than 50,000 youth in India. It has scaled over the last 15 years and impacted over 10 Lakh youth across India and East Africa and has a mission to impact 1 Crore youth by 2025.

FUEL is supported by HDFC Bank, Castrol, OTIS, SCGBS, HSBC(HSDI), EATON, ANZ, HDFC Bank, Citi Foundation, HDB Financial Services, HERO MOTO CORP, LTI, Honda, Wells Fargo, Barclays, Coal India Ltd, ITC, Bharat Petroleum, DELL Technologies, YES Foundation, Shell, TATA Capital.
Our Introduction Video:<https://bit.ly/FUELVIDEO>

About FUEL Future Skills Training (2022- 2023) :
This Year 2022-23, We are providing training on **Artificial Intelligence, Core Java & Digital Marketing**, As well as **Placement Assistance in MNCs**.
After completing this training, FUEL will provide certificates that will boost their career and add value to their profile. These courses are **FREE OF COST**. We will provide Placement Assistance to MNCs After the successful completion of the training.

Other Benefits:
1. Online Subscription of LinkedIn Learning & Coursera.

6. Workshop on Digital Marketing on November 15, 2022 to December 10, 2022 by FUEL Professional Trainers
