Workshop on Building Mobile Application with Flutter **@BBSBEC,Fatehgarh Sahib**

Workshop on "Building Mobile Application with Flutter" was conducted at Department of Computer Science & Engineering, Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib, Punjab on September 9, 2024.

Dr. Lakhvir Singh (Principal, BBSBEC) highlighted the need of these technologies in current era and congratulated endeavor of the department in his welcome address. He gave the information that a total of 80 students have taken benefit from the workshop.

Dr. Jatinder Singh Saini (Head, Department of CSE) acquainted the participants with the aim of the event and canvass how this workshop will provide a platform to the students for getting placement in Big IT companies.

During the session, Mr. Navneet Sheoran (Flutter and Android Developer) discussed various advantages of the application development, mobile application components and Networking support. He also introduced the participants with the applications of Flutter with Hands on practical session. Mr. Balram Singh (Business Development Manager, Thinknext Technologies) discussed how this event is beneficial for students. During the workshop, students were given insights on topics such as Android Platform, Building Mobile Application, GUI Architecture, Database Connectivity, creating a Google Map application, publishing an application in the PlayStore, Sensors and Location based Services, Flutter SDK, Animation on Flutter, Applicability to industrial projects, Case Studies, Mini Project, etc. The use of video lectures and small quizzes during session enhanced the interest of students. Prof. Sandeep Kaur Dhanda (Training Incharge, Department of CSE) told the audience about the importance of such practical workshop and told that this will nurture the competency development of the students either doing development or preparation for placement.

**BABA BANDA SINGH BAHADUR ENGINEERING
COLLEGE, FATEHGARH SAHIB
