ONLINE WORKSHOP ON HTML BASICS [WEB DEVELOPMENT]

FEBRUARY 17, 2022

The Department of Electronics & Communication Engineering and BBSBEC-Institute Innovation Council organized the Online Workshop on “HTML Basics [Web Development]” on Feb 17, 2022. The workshop was focused on the study and outstanding uses of HTML for the professionals in the real world. **Dr. Raju Sharma, Assistant Professor in ECE Department at Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib was the eminent speaker.**

The workshop was started with the introduction to the speaker given by Prof. Simarpreet Kaur, HOD(ECE). The speaker discussed about Web Page development and HTML used for creating links that are displayed on the World Wide Web. Every page contains a set of HTML tags, including hyperlinks which are used for connecting to other pages. The speaker also discussed about the web document creation using HTML tags, the cutting edge features, and responsive images on web pages, data entry support using HTML and many more. Almost 40 students along with faculty of the institute attended the seminar. The students showed keen interest in attending the webinar and tried to practice the same while learning. Dr. Sonia, Seminar Coordinator and member of IIC, BBSBEC winded up the program with a special vote of thanks to the speaker and the participants.

The poster features a dark blue background with a yellow curved border at the bottom. At the top, it reads 'BABA BANDA SINGH BAHADUR ENGINEERING COLLEGE FATEHGARH SAHIB' and 'Department of Electronics and Communication Engineering and Institute Innovation Cell (BBSBEC IIC) Presents'. The main title is 'ONLINE WORKSHOP HTML-BASICS [Web Development]'. A central image shows hands typing on a laptop. On the left, the date and time are '17 FEB 2022 06 PM'. On the right, under 'Participants', it lists '10+2, B.Tech ECE, M.Tech ECE, B.Voc E&IT'. At the bottom, it says 'E-Certificates for all participants.', provides a 'REGISTRATION LINK' as 'https://bit.ly/3JnTRrx', and includes a QR code.
