

# Nature Club

A step towards nature...

---

An initiative by...

**Dept. of Agricultural Engineering**

## Vision

To plant a seed of nature consciousness in the human society.

## Mission

- To spread the awareness about nature and its importance in the lives of mankind.
- To impart the moral and human values in the deeper core of the members of the club and with the ultimate aim to create a society of future-ready ethical sense.
- Organize so many events and curricular and extra-curricular programs to unleash the ultimate potential of human being.

- Learn, intern, explore and spread the cutting-edge natural and organic farming techniques among the communities.

(Chief Faculty Co-Ordinator)

# Preface

---

“Nature club” is an initiative of dept. of Agricultural engineering, Baba Banda Singh Bahadur Engineering, Fatehgarh Sahib with the vivacious aim to spread the awareness about nature among the mankind. The club is founded by **Prof. Pankaj K. Thakur** (Assistant Professor, Agri.Engg.) and his students **Karan Kumar** (Batch 2019), **Jashandeep Kaur** (Batch 2019) and **Aditi Kahar** (Batch 2020) under the learned supervision of **Dr. Lakhwinder Singh** (Dean academics and HoD, Agri. Engg.) and **Dr. Lakhvir Singh** (Principal, BBSBEC, FGS).

In the [2022 Global Hunger Index](#), India ranks **107th** out of the [121 countries](#) with sufficient data to calculate 2022 GHI scores. With a score of **29.1**, India has a level of hunger that is **serious**. According to an article published on a [Hind Rise](#), in India around 20 crores of people are still unable to afford two times food. On the other hand, India wastes 2 lakh crores of food per annum ([profthakur.in](#)). Taking about the water, India has only 4% share on worlds total available water, whereas it has to serve around 17% of the world’s population with this limited water resources.

Therefore, Food and Water security is a prime concern to be taken care. Keeping this idea in mind, to spread the awareness about food and water, nature club initiated a slogan program on the inaugural day of the club. The slogan stickers were pasted in all the hostel cafeteria (mess) and canteen in the lively presence of Dr. Lakhvir Singh (principal, BBSBEC), Dr. Lakwinder Singh (dean academics & HoD Agri.Engg.), Dr. R.S. Uppal (Chief-warden), Dr. J.S. Oberoi (HoD, T&P Cell), Dr. APS Sethi (DSW), Dr. Manpreet Kaur (HoD, RIC and UBA coordinator), Prof. Pankaj K. Thakur (Asst. Prof., Agri.Engg. and chief faculty coordinator, nature club), Prof. Prabhjot Kaur (Asst. Prof. Agri.Engg. and faculty coordinator, nature club), Smt. Rakhi Rani (Chief-advisor, nature club), Prof. Ashish Kumar (Asst. Prof., Mech. Engg.), Prof. Avtar Singh (Asst. Prof., Mech. Engg.).

## Rules & Regulations:

- The board members of the club will have the work-period for one semester only.*
- The board members will be nominated and elected by the club members at the start of each semester in presence of faculty coordinators.*
- Though, elected board will have the time-span of a semester but it can be suspended in some rare cases with permissions to faculty coordinators.*
- The hierarchy of the faculty coordinators can also be altered by the board members.*
- The club would have flexibility to tie-up with other clubs, groups or any other organizations to make the event vibrant.*
- Anyone can join the club as a club member by filling the form using QR scan. But, the board of the club will be led by students of agricultural engineering in all circumstances.*
- Board may amend the rules and regulations of the club with joint coordination of its members, in presence of mentors, if required.*
